

ROUNDUP OPENS WEDNESDAY AT CO. FAIRGROUND

In years gone by, southern Oregon has witnessed numerous roundups, but for the first time in its history, one of the biggest roundups in the west will open at the fairgrounds tomorrow afternoon at 2:30 for 125 performances, presenting over 150 cowboys, over 100 head of steers, bucking horses and numerous well trained cow ponies, as one of the features of Oregon's Diamond Jubilee celebration.

Oregon's Diamond Jubilee roundup is regarded in all rodeo circles as one of the biggest events of its kind of the year, next to the famous Pendleton show. The best cowboy talent in the country has been attracted here to compete for \$2500 in purses and prizes, with several hundred dollars given daily in bulldogging, steer and calf roping, bronco busting, bareback and saddle and other contests, assuring an afternoon filled with rodeo thrills.

Points won here will have direct bearing on the choosing of the world's champion for 1934, as the attraction is being presented entirely under the rules of the Rodeo Association of America. This is one of the main reasons why Clay Carr, 1933 champion, is coming to Medford. Chuck Wilson, champion bulldogger, is coming here for the same reason, as well as numerous other cow punchers ambitious to become champions.

Judges from California, Klamath and Jackson counties have been chosen to render fair and impartial verdicts for all events of the day. The afternoon program will present Buff Jones, champion roper, in a contest which promises thrills for which Jubilee visitors have been searching. Kermit Maynard, brother of the film star, Ken Maynard, is also scheduled to take part. He has been a champion, himself.

The world's champion high jumping steer, "Bobby", brought here by Monte Reger, Buffalo, Okla., will do his stuff by jumping over high sedans. This animal has appeared in numerous moving picture productions and is scheduled to start another series soon. "Bobby", a Longhorn steer, has horns which measure eight feet from tip to tip, and is valued at \$10,000.

America's youngest cowboy, Buddy Reger, eight years old, will demonstrate how mean horses should be ridden, and it is so good that he is better than most grown-ups.

Over 40 head of bucking horses, all of which are a part of the Pendleton roundup, will be ready for riders tomorrow afternoon. Some of them, including "Jack Dempsey", "I Thought So" and others, are yet to be ridden. No man has ever been able to stay on their backs. Other broncos include some of the wildest horses obtainable.

Less than a month ago, Norman Cowan purchased a herd of 26 Mexican steers to be used in the bulldogging contests. These steers are well known for their stubbornness. Popular admission prices will prevail.

GRANTS PASS AUTOIST ADMITS DRUNKEN DRIVE

Andrew Johnson of Grants Pass, arrested Sunday by the city police and charged with drunken driving, changed his plea from not guilty to guilty, this morning before Justice of the Peace William Coleman.

At the request of defense counsel, Attorney W. L. Miller of Grants Pass, passing of sentence was deferred until tomorrow afternoon, to enable the presentation of statements from Grants Pass employers, in his behalf. Johnson was remanded to the county jail, in lieu of \$250 bonds.

FORMER RESIDENT PASSES IN OAKLAND

Word has been received here of the death of Mrs. Grace A. Barrington, June 9.

56, in Oakland, Calif., on May 30. The former Mrs. Grace Amann, she taught here at the old Washington school under Professor Narregan. She was the wife of George C. Barrington, and the mother of George W. and Carol Barrington. Also surviving are her sister Sadie, and brother Daniel Amann, both of Oakland, and Eugene Amann of Wolf Creek, who is a visitor in Medford. Funeral services were held in Berkeley on June 1.

DUNNE ADDRESSES V. F. W. CONVENTION

Veterans of Foreign Wars, as citizens, have the greatest opportunity to aid in the regeneration of America today because they have experienced "hell itself" during the past three years and are in a position to pick up the threads and carry on, Joe E. Dunne, Republican nominee for governor, who addressed the fourteenth annual state encampment of Veterans of Foreign Wars and the Ladies Auxiliary last night and today, told the organization, urging members to take the active part in politics, ordered by their commander.

"You can aid in the political regeneration of the nation as well as the recovery and rehabilitation program," the speaker declared. "It is only right that the soldiers, who have demonstrated their ability in the past, lay claim to this needed leadership. The soldier should also have recognition when he seeks civic employment today because of the service he gave in war, when most needed by his country."

Mr. Dunne urged the veterans to continue the recognition given their auxiliary members and to remember that one woman, said on a political subject, is as good as 10 men in aiding a cause.

In an interview, Mr. Dunne, who will remain here for all of Oregon's Diamond Jubilee celebration, stated that he was particularly pleased with the optimistic attitude, demonstrated by the Medford people during Oregon's birthday party. If the enthusiasm, witnessed in general affairs here, could be diffused throughout the state, he expressed belief that Oregon would enjoy much progress during the coming year.

Mr. Dunne is visiting all parts of the state to get a complete picture of the needs of each section, he stated, so that in the event he is elected Oregon's governor he will be in a position to serve all localities with understanding.

Walker Returns—A. F. Walker, naval recruiting officer, has returned from an extensive trip to Klamath Falls, Ft. Klamath, Bend, Ashland and Crater Lake, and the local recruiting station is again open daily from 9 a. m. to 3 p. m. While visiting these towns he interviewed a number of prospective candidates for the naval service and provisionally accepted four. Since the opening of the station here 32 young men of Medford and vicinity have applied for enlistment in the naval service, three of whom passed all the necessary requirements and will probably be enlisted sometime in June.

Dance at Rogus Elk Saturday night, June 9.

JUBILEE MAGNET TO DRAW VISITORS FROM DISTANCE

(Continued from page one)

Falls, Lakeview and other Klamath and Lake county points. Over 100 members of the Lakeview Buckaroo club will be included in the delegation which will probably spend two days in Medford and Jacksonville, the official host cities.

A caravan of over 400 cars is scheduled to arrive from Bend in central Oregon to spend a similar length of time. A caravan, nearly as large, is expected from Crescent City and Del Norte county points. It is likely a number of machines from Burka will be included. Over 50 cars are signed up for a caravan from Eugene, Ore., which city is also sending considerable equipment and material for the pioneer's parade next Thursday forenoon. Yreka and Klamath Falls are also taking part.

Grants Pass is taking an active part in the celebration. Thursday the entire city will close its doors, enticing residents to spend the entire day in Medford, bringing several hundred cars from Josephine county. Friday will witness a caravan of 150 machines from Roseburg, which is bringing down its well-known high school band to take part in a band contest with other participants from Weed, Calif., Klamath Falls, Grants Pass and Eugene.

The Umpqua Chiefs will add color to the Roseburg visit, while the Oregon Caversmen will enliven the visit of the Grants Pass delegation. A special train, possibly two, is due to arrive in Medford tomorrow morning and will start its return trip Thursday night. The train is the result of co-operation from the Portland Chamber of Commerce.

Each of the caravans to arrive in Medford tomorrow will be welcomed at the city limits by a band, under the direction of F. Wilson Welt and escorted to the city center.

Roundup Opens Tomorrow. Preparations have been entirely completed for the first performance of Norman Cowan's famous roundup. Cowboys from all parts of the Pacific coast have been arriving for several days, including many of the best in the profession. The roundup will begin promptly at 2:30 in the afternoon, presenting a well arranged program of bronco busting, bareback and saddle steer riding, calf roping, bulldogging, exhibitions of trick and fancy roping, high jumping by the world's champion steer, "Bobby," valued at \$10,000. This steer has appeared in numerous moving pictures and is nationally known.

Admission prices have been held to a minimum. Over 85 per cent of the grandstand is available for \$1.10, and hundreds of bleacher seats for 85c, including tax. These prices are exceptionally low for the high quality entertainment offered. There are a limited number of box seats selling for \$1.65, but these have been already fairly well sold out.

Pageant Wednesday Night. The result of months of patient preparation and weeks of determined rehearsal, the stage is ready for the first performance of "Over-Us-Gon."

Weight Reduced From 180 to 137. "Wonderful," She Says. Here's today's story of a woman who knew she carried too much fat and decided the time to get rid of it—just a few words that wise fat folks should heed—worth reading.

"I use Kruschen Salts to reduce. It's wonderful. Take it daily and eat what I want and still lose. I did weigh 180, now 137. Want to get down to 125?" Mrs. Leonard Bass, Ft. Atkinson, Wis., Feb. 6, 1934.

When you take one half teaspoonful of Kruschen in a glass of hot water—you not only lose in weight but you put healthy activity into your whole body—you feel younger and look it—get it at Woods Drug Store or any drugstore in the world.

(Land of Plenty) historical pageant presenting a highly faithful, yet interesting and entertaining review of incidents leading up to and including the establishment of Oregon statehood in 1859, the primary inspiration for the big celebration.

Every effort has been made to present one of the most outstanding pageants ever shown in Oregon, and as far as that goes, on the entire Pacific coast. Over 500 people are in the cast, recruited from students of the Southern Oregon Normal school, and all parts of the valley. There will be singers, dancers, trappers, emigrants, Indians, circuit riders, soldiers, fur traders, wagon trains and all characters so closely associated with pioneer days.

The setting was completed last week. It is over 150 feet wide 100 feet deep and 40 feet high. Numerous lighting units will be used to advantage during the two-hour performance.

Brilliant Spectacle. One brilliant spectacle after another makes the long-to-be remembered production outstanding. The continuity and episodes are so planned that spectators will not be faced with the dreary monotony of intermissions or long waits. There will be a feeling of regret the performance ended so quickly.

The pageant was written and directed by Prof. Angus Bowmer, faculty member of the Southern Oregon Normal school. Admission fees are the same as the roundup.

The industrial exhibit opened in the Natatorium yesterday and attracted large crowds last evening. Special entertainment is being offered during afternoon and evening sessions, with thousands of samples of food to be given away, as well as numerous merchandise gifts.

Mining Display Open. The mining display opened yesterday in the George Hunt building on East Main street. Rocks, minerals and metals from all parts of Oregon are on display. It is regarded as one of the most complete ever brought together in the state. Several thousand dollars worth of gold nuggets are on display, including one nugget worth \$1000, found recently in the Grants Pass area. In addition to hundreds of local exhibit visitors yesterday, persons registered from Arizona, New York, Alaska, Stockton, Calif., Cottage Grove, Seattle, Hood River, San Francisco, Eugene, Lakeview, Portland, Los Angeles, Old Shasta, Roseburg, Salem and Chicago. Rabbit Show Open.

Oregon's Diamond Jubilee rabbit show opened Sunday at the fairgrounds with many different breeds represented.

Jacksoville has been receiving hundreds of visitors during the past two days, leading up to its main part in the Jubilee program Thursday afternoon when Governor Julius Meier will present an address from the steps of the old county courthouse. All historic buildings have been properly labeled with large banners and greens have been decorated with wreaths in the fashion of 60 years ago.

The first official Jubilee dance will be open tomorrow evening at the armory, with the well known Archie Legg orchestra, regarded as one of the best on the coast. Popular prices will prevail, as in all other attractions.

Ashland Garage Man Admits Auto Theft. LeRoy Spencer entered a plea of guilty in circuit court this morning to a grand larceny charge—the theft of an auto from the garage of Perry Ashcraft in Ashland where Spencer was employed. Sentence was delayed.

until the district attorney's office can procure Spencer's previous record if any.

Spencer was arrested at Chehalis, Wash., last week, and returned upon a requisition issued by the governor. He is alleged to have stolen an auto belonging to a Californian left in the garage, changing the license plates before flight.

\$15 Police Sign Stolen. YARMOUTH, Mass. (UP)—A sign, costing \$15, which told passerby that a new state police barracks was to be built there, was stolen from a lot in South Yarmouth.
