Waldorf of Chicago, spoke of the growing necessity for the two billion people in the world to learn how to live together in harmony, the Oregon annual Methodist conference convened here today for four days of services and sessions. "We all live in the world, but we each have a world distinctively our own," said Bishop Waldorf. "No two people really live in the same world." Officers elected for this year's conference are the Rev. Sydney W. Hall of Ashland, secretary; the Rev. Dean Polk of Springfield, treasurer, and the Rev. Earl Cotton of Willamette, statistician. A special committee on procedure to speed the work of the conference was authorized, with Dr. M. A. Marcy of Portland as chairman, and the Rev. John B. Coan of Klamath Falls, secretary. Bishop J. Ralph Magee of St. Paul will be the principal speaker at tonight's conference meeting. WILSON'S FORMAL RESIGNATION READ AT COUNCIL MEET

But little business was conducted at the meeting of the city council last evening, other than the formal request by Mayor E. M. Wilson to be relieved from his duties as mayor, on or before July 2. His recent election to the position of grand master of the Oregon Masonic lodges was given by Mayor Wilson as his reason for resigning. Mr. Wilson read his request and spoke but briefly, complimenting the members of the council for their outstanding work, which had been commented upon throughout the state, he said. C. A. Hartley, local contractor, appeared before the council, in the interests of having Court street paved. He suggested to the body that a black top be put in, instead of the concrete, as had previously been planned. Water assessments which had not been paid on Court street, and the assessed valuation of Court street property entered into the discussion. The matter was referred to the streets and roads committee for further action. Letters from Monte H. Reger and Norman Cowan, who were here with the roundup during the Diamond Jubilee, were received by the council, expressing appreciation for the cooperation of the civic body.

LIBERALS SWEEP CANADA ELECTION

TORONTO, Ont., June 20—(AP)—A political upheaval similar to that which swept the United States two years ago brought Canada's liberals into dominance today in the provinces of Ontario and Saskatchewan. Liberals, whose policies are somewhat like those of the Democratic party in the States, claim 66 seats in Ontario's parliament of 90. The conservatives had been in power for 25 years. Mitchell F. Hepburn, 38-year-old liberal leader, will replace George S. Henry, conservative, as premier, although the latter was among the few members of the party returned. Saskatchewan returned to the liberal fold after an absence of five years.

Thrilling Drama On Rialto Screen

Everyone remembers Edgar Allan Poe's masterful tale, "The Black Cat," full of horror and terror and certainly not the kind of story one would like to hear on a dark and stormy night. The motion picture version of this eerie imagining opened yesterday at the Rialto theatre and plays there until tomorrow night. And for a coupe-de-grace, there is "Frankenstein" and "Dracula" together for the first time, in other words, Karloff and Lugosi. There have been horror pictures, thrillers, chillers and mystery pictures. But this one combines all the best elements of all of these. Together, Karloff and Lugosi combine their eerie talents and conspire to produce one of the strangest, weirdest and terror-filled pictures ever presented on the screen.
