## CARDINALS SCORE 63 POINTS TO WIN, TROJANS SECOND

### Victors Sweep Weight Events—Louisiana Third—Many Listed Records Smashed, With Hardin Star Role.

MEMORIAL COLISEUM, Los Angeles, June 23.—(AP)—The race was not to the swift but to the strong as Stanford University won the 13th annual national collegiate track and field meet today.

The Indians scored an amazing total of 63 points to 54 7-20ths for the University of Southern California in the pace position and 47 for Louisiana State University. Stanford picked up 28 points in the weight events, scoring 18 in the discus and 12 in the shot put. The winners were only one first place, the discus by Gordon (Slinger) Dunn, but John Lyman was second in the shot and third in the discus and the Indians picked up 35 other points here and there, seconds in the pole vault and javelin adding vital counts.

Southern California, too, had to be content with one first place, on Al Olden's big broad jump, while Louisiana State, the defending champion, although it could do no better than show, grabbed off four firsts, the sensational Glenn Hardin winning two, the 220-yard hurdles in record time and the 440-yard dash in faster time than it had been run in the 12 N. C. A. meets that have gone before.

The other two firsts by Zouaves from Louisiana were scored by Jack Torrance, in the shot put, with a performance better than any recorded world mark but not as good as a previous effort of his waiting to be recognized. George Fisher won the 150-yard high hurdles to give the Tigers the best performance of the day in first places.

Alphonse Metcalf, Marquette, reported his feat of winning both the 100 and 220 a year ago and the 20 points scored for the Wisconsin institution gave it a tie with Indiana University for fourth place with 20 points. Indiana scored when Charlie Hornbostel won the half-mile and Ivan Fuqua finished second in the water with Wes Busbee adding two more in the discus.

Listed records went by the board all afternoon. Four world records were smashed and five N. C. A. A. marks were bettered and one tied. The final scoring:

Stanford 63, Southern California 54 7-20ths, Louisiana State 47, Marquette 20, Indiana 20, Fresno State 18, Manhattan 18, New York University 17, Oregon 16, Washington State 6.

Members of the Mediocres team will take club in hand today on the Rogue River Valley golf course and attempt to stage a comeback from their last Sunday's defeat by the Unknowns. Captains Ward Beene, of the challengers, and F. C. Cone, of the Unknowns, were unable to break a deadlock in arguing the result of last Sunday's tournament, and the decision was made by the grievance committee, Eugene Thorn-dyke.

In today's tourney, the Mediocres will try to make good a boast that with the addition of Harry Pringle to their lineup to play against Leland Clark, the outcome will be a clear victory. The argument in last week's match arose over the eligibility of Bob Mantz, a Mediocre, who was entered as a special member.

The pairings for today's handicap event are as follows, with Unknowns listed first:

## SPLIT SEASON ON COAST CIRCUIT

SAN FRANCISCO, June 23.—(AP)—The 1934 baseball season of the Pacific Coast league will split, directors announced officially late today. The agreement to have a split season was reached by unanimous telegraphic vote.

By the new arrangement, the Portland and Seattle clubs will wind up the season in California instead of in the Pacific Northwest, giving the two northern clubs dates in the summer months when the weather is more suitable for playing baseball.

The Los Angeles club was declared the winner of the first half of the season, and the Angels will play the victor of the second half of the season for the championship in a post-season series.

LOWEST TIDE FOR CLAMS THIS WEEK

Dr. O. W. Thompson, who returned to his office Saturday from a ten-day fishing trip to the coast, reports the fishing excellent in the Chetco river. Dr. Thompson says he caught nineteen large trout in one morning in the Chetco.

Of interest to the clam diggers, Dr. Thompson reports that the tide will reach the year's lowest point next Wednesday, Thursday and Friday. It will be what is known as a two-foot fall. The tide will be three-fourths of a mile out from the shore. He says they expect the clam digging to be good around Crescent City, Brookings and Bar Harbor.

## PROTESTS AGAINST STATE POLICE USE GAME FUND WEAK

SALEM, June 23.—(AP)—The state game commission's own program in 1933, setting out appropriations for 1933 and 1934, revealed their recent protests that costs of the game protective division of the state police were excessive were unfounded, George Flagg, deputy secretary of state, today declared.

A recent meeting of the commission in Portland discovered payments to the state police fund were about \$40,000 in arrears. Members of the commission stated this was due to decreased receipts from licenses and other sources, and recommended that hereafter payment to the game protective fund be based upon a percentage of receipts.

Further evidence the game commission was entirely satisfied with the operations of the state police department in 1932 was contained in the report prepared at that time by Frank B. Wire, state game supervisor, which read in part:

"Increased arrests and convictions, increased fines and a greatly reduced cost per case handled are the results of the game law enforcement under the Oregon state police department."

Butte Falls to Play J'ville 2 P.M.

Southern Oregon baseball fans, who like their games close and interesting, will have a treat in store for them this afternoon when Shorby Miles' Butte Falls Timber Cruisers invade the Jacksonville diamond to meet the Miners of the latter city. The two teams have met once before, at Butte Falls, where Miles' men took the sweet end of a 6-4 score.

Last week, when doping a game with Prospect, Miners made the unforgettable error of crediting Prospect with a victory over Butte Falls and as a result, players of the abused team have made dire and sundry threats at the Miners and anything is expected to happen when the nines clash.

Ray Tuncate, ace hurler for Butte Falls, probably will start on the mound, with Poole catching. Miners are scheduled to start Bill Hammersley, the red-headed lad who has won all his games so far for the gold diggers, with Ed Johnson, heavy-hitting high school boy, working behind the plate. The now famous "Screwball" Turner, formerly with Denver in the Western league, will cover second base and will be ready to take over mound work if difficulties develop.

Other Miner stars scheduled to be in action include Gied Green as short, Wilton White on first, and either Don Greening or Yakei on third base. Ben Coffman, Wayne Coker and Manager Hall will cover outfield areas, while Roger Card and Peeves Van Gelder, outstanding high school players, may be given chances to show their wares.

The Jacksonville diamond is rated the best of any in this part of the state and ample bleachers are ready, behind a foul-proof screen, to seat any number of fans. There is plenty of room, as well, for several hundred parked cars in view of the entire diamond.

## WRESTLING ACES GRUNT TOMORROW

NEW YORK, June 23.—(AP)—Signs of another oversize "gate" at Madison Square garden's sunken arena on Long Island were evident today as Jim Browning' and Jim London, rival claimants of the world's heavyweight wrestling championship wound up their preparations for a title match Monday night.

Nothing like the \$428,000 which Primo Carnera and Max Baer drew in at the box office of the same bowl was expected but promoters asserted they were looking for the largest gate since 1911, when Frank Gotch and George Hackenschmidt drew \$84,000.

The match took on added attractiveness yesterday when the New York State Athletic commission extended recognition as a "champion contest" to the bout. By official decree all wrestling shows in this state must be held as "exhibitions" unless approved as "contests."

LEGION BOYS TO BATTLE PROSPECT

American Legion Junior baseball team will play Prospect today at 1:30 o'clock, and cars will meet at the city park at nine o'clock this morning to take the players, and those interested in seeing the game.

## GOLF CLUB SEEKS NEW MEMBERSHIP

A county-wide membership drive was inaugurated this week by the board of directors of the Rogue Valley Golf course. The drive, under the direction of chairman, Ralph Stephenson is designed to impress the importance of the local course as a civic asset on local residents, and at the same time increase the club roster.

Designed by H. Chandler Egan, the local course has carried southern Oregon good will to many parts of the country. It's sportiness and beauty have won real admiration and a lasting remembrance from visitors.

Realizing the potential value of the Rogue Valley course as a real contribution to southern Oregon, the local club has been engaged as a committee of one to bring in new members. Every present member has been charged with the responsibility of securing one new membership. The present drive is expected to last for about two weeks, giving needed time for visitation to the hundreds of southern Oregonians who like this royal Scotch game.
