

URGE COMPLETION SISKIYOU PROJECT AT ROAD MEETING

At a meeting of the Oregon Pacific Highway association held at Grants Pass yesterday, it was unanimously decided to ask the state highway commission to devote all the available funds for primary highways in this district to the Siskiyou project, it was announced today by A. S. V. Carpenter, chairman of the Jackson County Chapter of Commerce roads and highways committee.

The meeting was attended by representatives of Eugene, Roseburg, Grants Pass, Ashland, and Medford. A committee composed of one representative each from the cities attending drafted the following letter to the state highway commission, which was unanimously adopted:

"At a meeting of the Pacific Highway association held in Grants Pass, June 28, 1934, with representatives from Jackson, Josephine, Douglas and Lane counties in attendance, the following resolution was unanimously passed:

"Whereas: The state highway commission began the improvement of the Pacific highway in southern Oregon, and the elimination of the dangerous Siskiyou section, we most heartily approve the commission's action, and we, the representatives of southern Oregon, urge a continuation of the commission's efforts to complete this improvement, and feel that the allocation of all available funds should be used to this end."

It was also decided that each city send a representative to a meeting of the state highway commission to be held Monday, July 2, in Portland. Those attending the meeting included from Eugene, H. S. Merriman; from Roseburg, A. C. Marsters, W. C. Harding; from Grants Pass, O. S. Blanchard, C. H. Denney, K. Hammerbacher, Leslie Shaw, L. D. Fox, H. L. Wilson, C. A. Whitnour, P. L. Vannice, Sam H. Baker, J. R. Harvey; from Ashland, Thos. H. Simpson, J. Edward Thornton, George W. Dunn, Gordon MacCracken; from Medford, Fred Scheffel, Paul Bynning, Alfred S. V. Carpenter and A. H. Banwell.

The Medford representatives who will attend the state highway commission meeting, will also urge that funds available for secondary roads in this district be expended on the Little Butte creek road.

postpone the execution of Mrs. Anna Antonio, Vincent Saetta and Samuel Peraci until Friday night, June 29, in order that I may have time to study and consider a long statement made by Saetta.

"Thus he postponed—though only for a day—the execution of the woman and two men who was convicted of hiring to kill her husband, Salvatore, for his \$5,000 insurance money.

DIVIDEND CHECKS ARE UNCLAIMED

SALEM, June 29.—(AP)—More than half of the accounts of the Guardian Building & Loan association upon which a 60 per cent dividend is being paid are either unclaimed or letters to them returned marked "whereabouts unknown." Charles H. Carey, state corporation commissioner, declared here today.

The fund is being liquidated by the corporation department, but the lack of information relative to the addresses of those having accounts is delaying the work. The Portland office of the corporation commissioner is handling the distribution of the assets and Carey urged all those having claims to inform that office immediately.

DROUGHT AID FOR OREGON COUNTIES

PORTLAND, June 29.—(AP)—The expenditure of \$25,000 in two drought stricken counties of Oregon—Jefferson and Crook, will be undertaken immediately by the federal emergency relief administration.

This was announced here late yesterday by Elmer R. Goidy, administrator for PERA in Oregon, and executive secretary of the state relief committee. He said a tour of the two counties showed him conditions there were acute and that livestock has been turned into grain fields to pasture.

The \$25,000 will be used for drilling wells, cleaning out springs, for distribution to farmers for purchase of new seed and feed, and for purchase, slaughter and processing of livestock.

There was a total of about 960,000,000 bushels of wheat in the world on August 1, 1933. The United States held 88 per cent of that amount.

RUM COMMISSION HEAD RESIGNS ON MEIER'S REQUEST

likely the name would be revealed tonight. Meier indicated there had been no request for resignation of either of the other two members of the commission. He reserved comment on the McMoran controversy and gave no explanation for requesting the resignation.

Salary Started Quarrel
The quarrel between the governor and the commission broke openly recently when Meier protested salary increases which the commission had approved for administration officials in the liquor department. The difficulty was aired by both side and in a board of control meeting, and eventually the commissioners capitulated to the governor and lowered all salaries they had previously increased.

WOMAN'S DEATH HOUR POSTPONED

OSSINING, N. Y., June 29.—(AP)—A story that came tumbling from the lips of a condemned man even as the hour set for his death was striking, has saved Anna Antonio—for at least a day—from the electric chair.

"She's absolutely innocent of the murder of her husband," said Vincent Saetta.

Warden Laws, into whose ear as they sat together last night in the death house Saetta whispered his story, telephoned Governor Lehman at Albany. At midnight the governor issued a brief statement:

"I have directed the warden to

HOW TO MAKE THE BEST BLACKBERRY JAM

4 cups (2 lbs.) prepared fruit
7 cups (3 lbs.) sugar
1/2 bottle Certo

To prepare fruit, grind about 2 quarts fully ripe berries, or crush completely one layer at a time so that each berry is reduced to a pulp.

Measure sugar and prepared fruit into large kettle, mix well, and bring to a full rolling boil over hottest fire, stir constantly before and while boiling. Boil hard 2 minutes. Remove from fire and stir in Certo. Pour quickly. Put in hot jam at once. Makes about 10 glasses.

Note: This product may take a week or more to reach an ideal set. © 1934, G. F. Co.
