time, the ball game.

As it turned out, Medford didn't really need those runs, but they looked like a couple of tons of gold to the time.

At Ewaums, 2. Charles and the latter's single to centrify "Chief" McLean failed to get revenge on his former teammates.

The Indian did his best. He struck out five Medfordites and allowed only seven hits, but the loud-speaking bats of Paul Hoffard and Hilly Calvert were a little too much for him and Medford took the declaion, 6-3.

Led by the youngest and the oldest players on the team, Medford got players on the team, Medford got saws to a three-run lead in the first inning and from then on in were never behind.

Bill Sargent worked the entire game for the Rogues and allowed Shaw fife hits, Sayanson, Sargent, Hoffard, McClelland, Sa. Struck out, by McLean, Sirgent Runs thick was in the seventh, when the visitors collected their only ruins. Singles by McLean and Cogan and McClelland's roaring home run to right field did the work.

Sargent showed a great variety of different speed curves. His change of pace was about the best seen here in a long time, but at that, a brilliant fielding play by Virgil Swanson saved him plenty of embarrassement in the eighth inning.

With Wakeman and Puller on the sacks, due to the former's fielder's choice and the latter's single to center, Swanson pulled a one-handed circles of the field of the field of the work.

... for the Ford idea of low-cost transportation

ON June 20th the millionth Ford V-8 was produced finest of a long line of nearly 22,000,000 Ford cars.

26 years ago Henry Ford said, "We will build a motor car for the great multitude".

This basic idea has never changed. The name Ford is synonymous with dependable, sturdy low cost motor cars. The V-8 was the answer to the need of the modern motorist tor greater speed and flexibility.

Without sacrificing one whit of traditional Ford owner economy and lasting performance, the V-8 has brought to a million owners the power and comfort previously found only in the most expensive cars.

New low prices for 1934 were put into effect June 15.
