

G. PASS SCORES 8-0 WHITEWASH OVER MEDFORD

With Bill Nelson, Grants Pass hurler, striking out fifteen men and allowing only seven scattered hits, Ken Williams' Merchants shut out the Medford Rogues yesterday 8-0 before a holiday crowd of over one thousand at the Cave city.

Attendance records at Grants Pass for the past ten years were shattered by the roaring Fourth of July crowd which saw the Southern Oregon league leaders win as they pleased.

The game was an exhibition affair, not being a regularly scheduled league battle.

Paul Hess, young Jacksonville hurler, started on the mound for Medford and was relieved by Sargent in the fifth after Grants Pass had scored four times due to as many hits, a walk and an error.

Sargent was nipped for a pair of tallies in the same frame before he could get the side retired but from then on, he held the Merchants completely at bay, allowing nary a hit nor a run.

The Merchants' other two runs came in the first and third. Medford's only opportunity to score came in the eighth inning when Orr, Calvert and Joy singled in succession but a great throw by Powers in left field clipped Orr at the plate, trying to score on Joy's single.

Charley Orr led the Medford hitters with two rousing singles to center. Hess also connected with a pair of blows for the losers.

Blevins, with three hits, paced the Grants Pass attack which saw the night Al Droulette go hitless.

New Oregon Caves Chateau Is Proving Guest Attraction

OREGON CAVES NATIONAL MONUMENT, Ore.—(Sp.)—A travel increase of nearly 300 per cent over 1933 is indicative of a record breaking attendance at the Oregon Caves this year. The new chateau, replacing a lodge which had been in use for some time, was opened for the first time this season, offering the latest in accommodations. Although only open for a short time, it has already attracted guests from all parts of the country.

Its style of architecture is entirely original. Its six stories rise in perfect harmony with the forest and moss-covered rock ledges of its immediate surroundings. The visitor enters the unique building on the fourth floor level into a lounge filled with the atmosphere of rustic comfort, and soon learns the entire building is akin to a castle of comfort.

Ranger Breynton Finch will be on duty at the caves shortly after July 1 for the entire season. Guides, making five scheduled trips through the caves daily, are furnished by the management of the chateau, but trips may be made at all hours between 8 a. m. and 5 p. m. when a sufficient number of visitors are present to make a party, which is not to exceed 16 persons. Regular guide service will end October 15. The route of the trip through the caves has been fully traversed by more than 200,000 people. A nursery for children is maintained throughout the season.

The caves are located in the Sixty-two mountains at an elevation of 4000 feet and are a short 5-mile drive from Grants Pass, the junction of the Redwood and Pacific highways.
