For the second straight Sunday in a row, Hal Haight's second place Medford Rogues will be seen in action at the Jackson county fair grounds when they entertain the Ewauna Box Co. team from Klamath Falls today in the second game of a double header. The game is scheduled to start at 3 o'clock.

The Medford Legion Juniors will clash with the Prospect nine in the preliminary starting at 1 o'clock. The Ewauna-Rogue game will be a regularly scheduled Southern Oregon league battle.

With Grants Pass leading the pennant chase by a full two-game margin over Medford and with but five remaining to be played, the game with Ewauna today takes on a crucial aspect. In case Medford loses, the fast-stepping Merchants will be practically in. However, if the Rogues can defeat Ewauna, they will at least keep pace with Grants Pass, which tangles with Shaw-Bertram at Klamath Falls.

Bill Sargent, the change-of-pace expert from Shreveport in the Dixie league, will start on the mound for Haight's crew today, while Billy Calvert, sensational 16-year-old boy from Washington, will be behind the bat.

Calvert, in the opinion of well-known baseball experts like Swede Risberg, Ray Eubanks and Court Hall, has the brightest future of any southern Oregon player in many years.

If Medford is to win today's game, Bill Sargent will have to put the pressure on three of the best hitters in the circuit. In Haley, big Ewauna first baseman, the Klamath club boasts one of the hardest hitters to be seen in action on local diamonds. He has an average of close to .400 and has hit in every league game this year to be the lone player with that record.

Wheeler, shortstop, and Glen Putnam, Pacific university star, are also heavy stickers.

In Bianas, catcher, and Carlstrom, pitcher, Ewauna has a pair who have seen action on Pacific Coast league fields. Bianas was sent to Klamath Falls by the San Francisco Missions for more seasoning and is the most fiery receiver, by far, in the league. Carlstrom had an extended tryout with Sacramento this spring.

To match Ewauna's heavy hitting array, Medford will present Paul Hoffard, Dean Joy and Billy Calvert who, by the way, takes a cut that will some day make a Coast league scout smile broadly. Those three are the Rogue heavy hitters.

For most of the season it has been, as Hoffard goes, so goes the Rogues and if the big boy is on today, Medford fans should see some real slugging.

BEAVERS FOOZLE GAME TO 'FRISCO

PORTLAND, Ore., July 7.—(AP)—Portland fumbled away a ball game to the San Francisco Seals, 4 to 2, here today.

The Seals scored two unearned runs the first inning. After Garabaldi singled Coscorart of Portland made an error when a double play was in sight. Joe DiMaggio's single and two infield outs pushed the runners around.

In the third inning the Seals connected for three successive hits for another run and Finton's homer ended the scoring in the eighth.

Moose Clabaugh hit for the circuit again today for one of Portland's two runs. Ed Bryan kept the Seals' 14 hits well scattered.

SONNENBERG WILL MEET O. S. C. STAR IN MONDAY BOUT

With the increase in interest that is being stirred here by Gus Sonnenberg, inventor of the famous Sonnenberg flying tackle, and Don Wagner, former O. S. C. grid star, who will grapple in the main event of the triple-match card at the armory tomorrow night, prospects of seeing a world's champion wrestler in action on the local mat are growing brighter. For Mack Lillard, promoter, has announced that he will attempt to bring the present champion, Jim Londos, here during his projected western tour if the enthusiasm which is being roused by tomorrow night's card is maintained.

Such enthusiasm is being stirred up by the probability of one of the season's best bouts in the Sonnenberg-Wagner match, for although the 210-pound exponent of the horizontal pile-drive is an experienced grappler, the Oregon Stater, who weighs in at 230, is a thoroughly trained athlete with a physique that has been put in top-notch shape for just such an encounter by gruelling workouts and months of labor as a farm hand.

Ad Herman of Germany and Louie Andrews of Greece, two newcomers to the Medford arena, will come to grips in the 45-minute semi-final event, and are counted to furnish in themselves a main-event performance, as both are classed as speedy grapplers and possess all the requisites that usually turn out a high-powered match.

Another newcomer, Professor Edward Newton, Salem teacher, will go to work on agile Rollin Warren, Klamath Falls Copco engineer, in the 30-minute curtain raiser.

HAWAIIAN BEATS CALIFORNIAN FOR OREGON NET TOGA

PORTLAND, Ore., July 7.—(AP)—John Murio, Canadian national singles champion, repeated his performance of 1931 today by winning the Oregon state tennis championship.

The big San Francisco Hawaiian battled five sets before he could subdue the sensational 15-year-old Bobby Herman of Berkeley, the national boys' champion. The scores 6-0, 8-6, 4-6, 3-6, 6-2, give an indication of the magnitude of the combat.

Murio, who also is co-holders of the Canadian national doubles title, had his top spin forehand drive working to perfection. Displaying less form and variety than most players in the tournament, he nevertheless played a heady game and kept his drives booming.

In the final set with the games 3 to 2 in favor of Murio, Herman put on a burst of dazzling tennis and ran the score to love-40, threatening to break the Hawaiian's nerve. However, the youth barely missed the base line three times and Murio won the game. It was Herman's last threat.

Tomorrow, Herman meets Wayne Sabin of Portland in the junior singles and finals. It was Herman who dethroned Sabin as Oregon tennis champion in the men's singles. In that match Sabin attempted to play Herman's back court game, and it was fatal. Tomorrow he doubtless will take the net more frequently.

BUDGE TRIUMPHS OVER A CHAMPION

CHICAGO, July 7.—(AP)—Donald Budge, a flaming red-head just out of high school at Oakland, Cal., toppled Frankie Parker of Milwaukee from his national clay tennis throne today after a dramatic five-set duel of stamina and gameness that lasted almost three hours.

The victory, gained by scores of 2-6, 3-6, 6-3, 6-0, 9-7, was Budge's greatest triumph in tennis, but a heartbreaker for the plucky champion from Milwaukee, who suffered a severe nosebleed and stomach disorders as he was on the road to a finalist berth tomorrow with Bryan Grant, Atlanta's "mighty atom" of the net world.

Grant survived with shots to spare, routing Gene Mako, Los Angeles blond, in straight sets, all at 6-3.

J'ville "Has-Beens" Win.

Jacksonville Merchants (the "has-beens") defeated the Jacksonville Miners, 8 to 6, Friday evening in Jacksonville, and according to the Merchants, the Miners were unable to win with their own team, having imported three Gilmore Lion players for the game.

ACE HURLERS AND HITTERS TO MEET IN MONDAY GAME

NEW YORK, July 7.—(AP)—Nominated in advance by popular acclaim, Vernon (Goofy) Gomez and Carl Owen Hubbell were definitely selected today as starting pitchers for the all-star game between the American and National leagues at the Polo Grounds next Tuesday.

Obeying the people's mandate, as indicated by the recent nation-wide poll, Joseph Edward Cronin, the American league's shortstop-manager, and Bill Terry, first baseman and master mind of the National league forces, picked the two crack southpaws for starting duty and thereby assured a pitching natural for which the baseball world has been waiting for several years.

Gomez and Hubbell, generally ranked as the two finest portsiders in the game, polled by far the greatest number of votes among the pitchers chosen for the two all-star teams.

Announcement of their selection by the two managers was made coincident with the official batting orders for both teams. Cronin has decided to start with a lineup topped off by four of the greatest left-handed hitters in baseball, while Terry, although he named alternates for three positions, nevertheless plans to fire eight right-handed clouters at Gomez.

SHORT FINANCES GIVES PORTLAND PIGSKIN CLASSIC

EUGENE, Ore., July 7.—(AP)—The great annual football war between University of Oregon and Oregon State college will be fought in Portland again this year.

A ruling of the attorney general has accomplished what some college and university alumni of Portland could not.

Cramped finances resulting from the attorney general's ruling that payment of student body fees is optional and not compulsory necessitated the change, Graduate Manager Hugh Rosson at the University of Oregon announced last night.

Rosson estimated the student fee ruling will result in loss of some $9000 next school year. Shifting the annual game to Portland should net $10,000 more than if it remained here or in Corvallis.

Last year when University of Oregon and Oregon State college battled for the coast championship in Portland 33,000 persons witnessed the gruelling, spectacular game. Each school profited $14,000.

Besides the new optional payment ruling, the state board of higher education lopped off $3,500 formerly budgeted for instructional class work for coaches.

WIMBLEDON TITLE IS AGAIN DENIED TO MISS JACOBS

WIMBLEDON, Eng., July 7.—(AP)—Helen Hull Jacobs' long cherished ambition to win the Wimbledon tennis crown was blocked again today as the United States champion fell before the powerful cross-court, driving game of Dorothy Round, England's ranking player, 6-2, 5-7, 6-3.

Run half to death and many times made to look completely bewildered by the sun-tanned minister's daughter, Helen only could say at the finish, "how are you going to beat Dorothy when she plays like that?"

Even the British spectators, who are almost fanatically fond of Dorothy, were astonished at the perfection of her game. They gave her an ovation lasting five minutes after her victory and then did it all over again when the new champion, acting as though she were scared stiff, curtsied before the royal box.

King George and Queen Mary joined in the applause.

The Americans drew some solace as their national champions, Lester Stoefen and George M. Lott, Jr., crushed the veteran French pair of Jean Borotra and Jacques Brugnon, 6-2, 6-3, 6-4, for the men's doubles title. America also shared in the women's doubles title. Elizabeth Ryan, the Londoner who retains United States citizenship, paired with Mme. Rene Mathieu of France to beat Dorothy Andrus, of Stamford, Conn., and Mme. Jung Henrotin, of France, 6-3, 6-3.

The win strengthened Boston's hold on third place and gave them two of the three games played in the current series.

FIGHTER'S WIDOW TO GET BAER END OF COAST MATCH

PHILADELPHIA, July 7.—(AP)—Max Baer's next fight will be in California—a benefit bout for the widow of a fighter who died after meeting Max in the ring.

It will happen in a few months, and the winner of the heavyweight champion's end of the gate will be Mrs. Frankie Campbell, the new title-holder has announced.

Who his opponent will be he said he does not know—someone Ancil Hoffman, his manager, picks up while Max is on a 10-week theater tour of the coast.

He referred to Campbell's death following a bout with him as "the greatest tragedy of my life," and praised Frankie's widow as "brave, sympathetic and great hearted."

Top Clouters Lose Ground Past Week

NEW YORK, July 7.—(AP)—Although Bill Terry of the Giants and Heinie Manush of the Washington Senators lost seven percentage points each during the past week, they retained the batting leaderships of the National and American leagues.

Lou Gehrig, the Yankees' bombarding first sacker, was the biggest ground gainer of the week. He hit safely 14 times out of 30.
