Painful Piles

Go Quick—No Cutting—No Sutures

If you think an operation is always the only way to escape the misery of torturing Piles, it's because you haven't heard of Hem-Roid the harmless internal medicine discovered by a western physician.

After years of study Dr. J. S. Leonard was convinced that the cause of Piles was internal—bad circulation of blood in the lower bowel—the hemorrhoidal veins filled with stagnant blood—and that the right and safe way to get freedom from Pile agony was to remove the cause with an internal medicine. Immediately the doctor set to work to find the remedy. He succeeded and called his prescription HEM-ROID.

Pile sufferers everywhere are benefiting by Dr. Leonard's discovery, so why doubt or delay longer when Jarmin's, Woods, also McNair Bros. of Ashland, and all druggists say "No matter what kind of Piles you have, one bottle of HEM-ROID tablets must show you the safe clean way to get rid of your pile misery or money-back."
