JUBILEE TO COST UNDERWRITERS 55 PER CT. OF PLEDGE

(Continued from page one)

standing features, and the response which they received from the press of the country would indicate that they were of far greater magnitude than we had expected, and would have done credit to any city, irrespective of its size.

"As far as the staging of every detail of the Jubilee is concerned, Medford has nothing to apologize for. Everything went off as scheduled, and with greater success than we had hoped for.

"You may remember that 18 months ago this country was torn with political strife, and Medford was on the front page of newspapers all over the United States. This was not constructive publicity, but worthless notoriety. Within 18 months the picture has changed to the extent that as one prominent head of a large newspaper said here, 'You have the best publicized city in America the past two weeks.'

"The worthless notoriety cost this country almost one hundred thousand dollars. The constructive publicity created by the Jubilee cost twelve thousand dollars. Looking at it from a city-wide viewpoint, the cost was a good investment, for in all probability, Medford benefited from an advertising standpoint to possibly the tune of five hundred thousand dollars.

"Last year the Chamber of Commerce had one of its most successful years along publicity lines. Yet, during the months of April, May and June this year, the publicity we received was ten times greater than the previous 12 months. This, mind you, is only taking into consideration the clippings which we actually have.

"Citizens of Medford have always been civic minded. They have never failed to contribute to any worth while proposition for the benefit of the community as a whole, and we feel reasonably sure you will appreciate that taking everything into consideration, the cost of the Jubilee was a good investment, and not a liability.

"The task was a big one and every one did his part in putting over the various events of the celebration. Hundreds of our citizens donated their time daily in order that everything would go off with clock-like precision. We know that each of the underwriters will maintain that same spirit and sincerely trust you will send in your check in order that we may clean up the bills which are still outstanding and once again demonstrate that Medford knows how, and is the biggest little city in the United States of America."

Five Die From Drinking 'Alky'
WINSTON-SALEM, N. C., July 12.—(AP)—The deaths of five men—four of them brothers—were attributed today to the drinking of denatured alcohol which they took from a furniture factory where they worked.

China's Heat Wave Reaches New High
SHANGHAI July 12.—(AP)—China's month-old heat wave reached an all-time high point today, unofficial records indicated.

China's Heat Wave Reaches New High
Thermometers in the lower Yangtze valley touched 105 degrees. Shanghai's peak was 103.8 degrees, said to be the highest in the history of the city. Crops continued to shrivel under cloudless skies, with forecasts indicating even higher temperatures.

Guy Lombardo in First Film

Guy Lombardo and His Royal Canadians, famous for the last few years over the national networks as one of the leading orchestras of the air, appear for the first time in motion pictures with George Burns and Gracie Allen in "Many Happy Returns," opening a three-day run at the Craterian theater today.

"Many Happy Returns" is a hilarious farce, showing Gracie's father marrying her off to George Burns, paying him \$10 a mile to take her far away. They get on a train which is secretly carrying Joan Marsh to Hollywood for a break in films. As expected, Gracie gets things all mixed up, including herself and Joan, with a couple of kidnapers, ending up with the Gracie theater today.

"Biddy" Comes To Rialto Tomorrow
The motion picture version of the celebrated story, "Biddy," with the title changed to "The Most Precious Thing in Life," comes to the Rialto theater tomorrow on their double feature program. Travis Ingham's widely read McClure's Magazine story was the object of spirited bidding among film companies, the dramatic possibilities making it a potential hit.

The leading featured role has been entrusted to Jean Arthur, promising young screen player, with Donald Cook, Richard Cromwell, Anita Louise and Ben Alexander prominently cast.

"The Biddy" in "Most Precious Thing in Life" is an obscure character in a college dormitory. She is kind to all freshmen—but particularly devoted to one lad. He does not understand this, though he is kindly and appreciative in return. As might be surmised, "Biddy" is his mother. She and his father had separated years before, and he has never known what became of her.

Unobtrusively, the character woman guards the boy from evil, directs him towards accomplishments, and in the end sees him graduated with honors, and go off with a proud father and a lovely sweetheart.

"Young Blood," starring Bob Steele, will be on the other half of the program.

FAY WRAY, RALPH BELLAMY AT ROXY
Fay Wray fans will be delighted by this personable young actress' splendid portrayal in "Once to Every Woman," now playing at the Roxy.

The film is based on the A. J. Wilson novel.

DENTAL AD RULES HELD UP TO BOARD

SALEM, Ore., July 12.—(AP)—The Oregon racing commission act does not violate any provisions of the Oregon constitution prohibiting lotteries and the sale of lottery tickets.

Attorney General I. H. Van Winkle held in an opinion handed down today.

In another opinion the attorney general held that it rests with the state board of dental examiners whether any kind of advertising used by a dentist would constitute a violation of the law and result in suspension or revocation of his license to practice.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL
And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks pink, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

It takes these good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Harest a substantial 25-cent drug store. ©1931 C. M. Co.

WASH OUT 15 MILES OF KIDNEY TUBES
Win Back Pep... Vigor... Vitality
Medical authorities agree that your kidneys contain 15 MILES of tiny tubes or filters which help to purify the blood and keep you healthy.

If you have trouble with too frequent bladder passages with scanty amount causing burning and discomfort, the 15 MILES of kidney tubes need washing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and vitality, getting up nights, lumbago, swollen feet and ankles, rheumatic pains and dizziness.

If kidneys don't empty 3 pints every day and get rid of 4 pounds of waste matter, your body will take up these poisons causing serious trouble. It may knock you out and lay you up for many months. Don't wait. Ask your druggist for DOAN'S PILLS... a doctor's prescription... which has been used successfully by millions of kidney sufferers for over 40 years. They give quick relief and will help to wash out the 15 MILES of kidney tubes.

But don't take chances with strong drugs or so-called "kidney cures" that claim to fix you up in 15 minutes, for they may seriously injure and irritate delicate tissues. Insist on DOAN'S PILLS... the old reliable relief that contains no "dope" or habit-forming drugs. Be sure you get DOAN'S PILLS at your druggist. Copyrighted 1934, Foster-Milburn Co.

Read How She Lost FAT AT 45

Wonderful Letter to Fat Folks.

"I am a mother 46 yrs. old, just one year ago I weighed 108 1/2 lbs. and had been sick for 2 yrs. before I started taking Kruschen salts. I now weigh 143 lbs. and feeling fine, have not been sick all winter—not even a cold. My friends all say I look 15 yrs. younger and sure feel it too. I used to wear size 30 dresses, now can wear 36; I feel as if I was made over. I did not reduce in places. I reduced all over even to my feet. So I cannot praise Kruschen Salts enough, they have done wonders to me. I want to tell you I have no double chin either."

Mrs. F. L. Healy, Detroit, Mich.
Read that great and sincere letter again you doubting fat men and women—are you going to keep on puffing and wheezing up the stairs or take a half teaspoon of Kruschen in a glass of hot water before breakfast every morning. Get it at Woods Drug Store or any drug store in the world—keep cool with Kruschen.
