by him as an individual to be misconstrued as official."

Secretary Hull declined to answer questions asked by newspapermen concerning any other phases of General Johnson's speech or the German government's protest.

He also declined to say whether the state department considered the statement made to Lettner by Hull could be considered as closing the episode, or whether any further action by the German government was anticipated.

OMAHA, Neb., July 13.—(AP)—General Hugh S. Johnson, "cracking down" verbally on recent executions in Germany, says he expects no rebuke from the state department and will stand on his guns.

Stopping here last night on his way to the Pacific coast in an army airplane, the militant chief of the NRA reiterated the denunciation of the German "purgings" which he voiced yesterday in a speech at Waterloo, Ia.

"I was speaking as an individual, not for the state department and not for the administration," Johnson declared.

"I meant everything I said; I will not take anything back, and I do not expect to be called down by the state department."

**AUTOIST INJURED IN HITTING TREE**

Reports from the Community hospital this afternoon revealed that George Gulovsen of Marshfield is not in a serious condition from injuries received in an accident at North Riverside and Maple street last night at 7 o'clock, when his car left the roadway and hit a tree. He was treated at the hospital for lacerations. City police were notified that Gulovsen was traveling at a high rate of speed, and left the road as he was passing a car driven by A. B. Davis, 145 South Grape, who was making a left turn.
