

ROGUES TO PLAY G. PASS SUNDAY AT FAIRGROUNDS

Bitter Rivals Scheduled for 2:30 Battle — New Faces Will Be Seen in Local Lineup, Says Manager

The Medford Rogues will again show before local fans when they take the field Sunday against their neighbor rivals and most formidable foe, the league-leading Grants Pass Car-men. The game will be played at the fairgrounds and will start at 2:30.

Ken Williams' aggression has been the class of the league to date, but were upset, 3 to 2, last Sunday by the Shaw-Bertram outfit, which proves that they are not unbeatible. On their last visit here they went home with the sting of a 12 to 6 defeat, and Manager Haight is confident that they can again turn the trick. The Rogues have lost but one home game to date, and that was their 10 to 8 defeat by the Ewanna Red Sox, played July 8.

Several new faces will be seen in the local lineup when they take the field. Charles Fritchett, who has participated in a sensational season, will be in uniform and stationed either in right field or at first base. Fritchett is a hard hitter and will also be able to go on the mound if necessary. According to Haight, he is also attempting to sign Bob Smith, who has been a sensation with the Gilmore Lion nine. Smith has been pounding out home-runs and two-baggers in every game he has participated in, and should add considerable hitting power to the Rogues outfit.

Jack Hughes will probably start in the box, with Billy Calvert, the sensational 16-year-old kid, on the receiving end.

PITCHER'S HOMER BOON TO GIANTS

The New York Giants — the club which has an amazing habit of coming through in a pinch — moved into the final game of their duel with Chicago's second-place Cubs today with the same two-game lead which they had at the start and with even better reason to believe they will stay on top.

The extra reason came from Leroy (Doc) Parmelee, the sturdy young pitcher whose feat of hurling a homer hitting over the Giants' even break in yesterday's doubleheader before 45,000 fans. Parmelee, who hadn't won a game since April 19, 1934, Loniene Warneke even in the mound duel and broke up a tie by socking a home run with the bases full to give New York a 5 to 3 decision in the first game.

JACKSON'S SKULL PROVES TOUGHER

SALEM, July 18. — (AP) — Bulldog Jackson captured the odd fall from Pascual Castillo to win the headliner of last night's wrestling card here. After both grapplers had acquired one fall, Jackson's skull proved the hardest in a head-on smash, and the Spaniard stayed down for a long count.

DAGLIA BLANKS SOLONS TO PUT MISSIONS AHEAD

Brilliant performance by two veteran pitchers has contributed to a tightening of the Coast League pennant race that has brought the first four teams within two and one-half games of each other.

Pete Daglia of the Missions turned in one of the best jobs of the season last night in shutting out Sacramento, 5-0, with a bare two hits. A great catch by outfielder Joe Moore checked the only Solon scoring threat in the eighth. The win advanced the Missions into a third place tie with Seattle, as the Indians lost to San Francisco, 5-4.

Oakland's Lou McEvoy accounted for the day's second fine mound performance with a 2-1 triumph over the first-place Hollywood Stars. The Stars failed to get a hit in the first six innings but put two of their three blows together in the seventh for their lone run. Barney Deverinos, Oak shortstop, drove in both Oakland falls in the second with a single. Wally Hebert limited the winners to seven hits.

Jimmy Zinn, Seal pitcher, tried his hand at pinch-hitting and tripled, to start the eighth inning rally that gave San Francisco four runs and the opener with Seattle. Until then, Herman Pilleite had had the San Franciscans eating out of his hand. Fred Bengier, Tribe outfielder, topped the batting with a double and three singles.

Portland and Los Angeles were idle. They have a double-header scheduled for tonight.

COURT DISMISSES SUIT OVER HORSE

Suit of W. L. Childers against Elmer Ross, for recovery of a saddle horse last December, was dismissed by Justice of the Peace William R. Coleman this morning, when it was shown that the horse belonged to Clifton Childers, who made the swap with Ross. The court said young Childers could institute suit in his own behalf.

Since the sale, the Childers' mare had a colt, and recovery of it was also sought.

A jury composed of Irwin Andras, Tom A. Waterman, Justin Smith, Darrell Hanson, Herb Young and W. A. Webster was called to decide the case.

A number of Applegate cowboys appeared in court to testify and give expert testimony on horseflesh.

DISGUSTED YANK ATHLETES LEAVE BRITISH SHORES

Golfers, Tennis Players and Rodeo Riders Coming Home in Unhappy Frame of Mind From Invasion

By GAYLE TALBOT.
Associated Press Sports Writer.
LONDON, July 18.—(AP)—Hair a hundred disillusioned American athletes including golfers, tennis players and rodeo rough riders today shook the dust of England from their sport shoes and high boots and headed for home.

None of the departing were in a happy frame of mind, least of all Tex Austin who was muttering threats of senatorial action over the way his rodeo was harassed by English reformers.

Representing tennis was Wilmer Allison, disgruntled over his failure to be named on the Davis cup team after making a hurried trip over to play, while Gene Sarazen, his dreams of financial conquest vanished after he finished 20 strokes behind Henry Cotton in the British open, is the golfer. All left for Southampton to board the Europa.

After having controlled himself admirably through a month of wrangling with British humane societies, Allison finally handed off and said what he had been thinking.

"The press hasn't given us a square deal," he said. "All those who came to our show liked it, but the reporters gave us a bad deal. All right. When the British send over their next Olympic games athletes we won't forget. My rodeo men are drawn from 46 states and each has a senator or two."

Allison, who answered an emergency call from the cup committee, still was warm about the collar as he departed. George M. Lott, Jr., his old doubles partner and a team member, tried to reason with him last night, pointing out that he might be needed in the challenge round, but the Texan couldn't hear him.

themselves strongly as they sentenced eight men charged with violence, threatening, or carrying firearms. Three other men were ordered held.

The more perpetrators of violence must be convicted," said Judge George J. Steiger, "the less trouble there will be in connection with this strike. This court will tolerate no interference by pickets with honest men who are entitled to and are trying to earn an honest living."

"This court will tolerate no nonsense from so-called pickets," declared Judge Byrvin J. Lazarus. "Those committing acts of violence must make the consequences."

And District Attorney Matthew Brady promised to thoroughly search the record for the history and true names and nationality of those alleged communists arrested yesterday to have them deported if possible.

SAN FRANCISCO, July 18.—(AP)—The general strike should be called off immediately, President Roosevelt's labor disputes board declared today, in calling for arbitration at once on the controversy.

The board, in a public statement, announced the waterfront employers' union has agreed to submit to arbitration the issues involved in the longshore strike and to be bound by its decision.

Steamship companies, the board said, should agree that, if collective bargaining with elected representatives of their respective employees does not result in agreement, within 30 days after the election of representatives, the companies will submit to arbitration issues in dispute with respect to wages, hours and working conditions.

The board's statement, outlining seven vital points, follows: "1.—The general strike committee of the San Francisco labor council has declared itself in favor of immediate submission to arbitration of all questions involved in the dispute.

"2.—The waterfront employers' union has agreed to submit to arbitration by this board the issues in dispute in the longshore strike and to be bound by the decision of the board.

"5.—The maritime unions should agree likewise, and they should so agree now.

"6.—All strikes should be called off immediately.

"7.—Men should be returned to work without discrimination because of union affiliations or participation in the strike."

NEW SEWER FINANCE PLAN IS STUDIED BY MEDFORD OFFICIALS

Because Medford has been unable to receive any aid through the Public Works Administration for the construction of a new sewer system here, City Attorney Frank P. Farrell and Ben E. Harder, president of the Jackson County Chamber of Commerce, today expressed interest in the plan followed by the city of Baker, in receiving federal aid for a similar construction.

According to a letter received by Attorney Farrell from Mayor Harvey of Baker, that city's federal loan was approved, but minor technicalities made it impossible for Baker to obtain the money.

As a result, Baker voted a bond issue large enough to cover the cost of material, and labor through the SERA was approved by the government for use on the construction.

Medford had requested \$100,000 for the construction of a sewer here, but has been unable to receive an approval of the loan. Baker was assured all SERA workmen necessary in carrying out the plan, according to the letter from Mayor Harvey, and it was thought by local city officials and members of the council that such a plan might be furthered here.

gain a moral victory, but if they lose they lose all. "When working people are engaged in an economic life or death struggle, it does not seem appropriate for their friends to engage in comment which might be used against them by their enemies. At the moment, therefore, when the intense struggle is approaching a climax, it is not so much a question of wisdom or the unwisdom of the action. Instead, an honorable settlement of the industrial conflict upon an equitable basis, should be the question of supreme concern to all fair, just and social minded people."
