WARNING SERVED UPON TRANSIENT TROUBLE MAKERS

(Continued from page one)

ing up on the reported activities of transient agitators, who seek to foment labor trouble here.

Public sentiment in the county, both city and country, is firmly opposed to any attempt to relax any agitation. Jackson county already has paid heavily in blood and gold for tolerance towards agitation. It was pointed out by officials. Those who were not to be erratic were warned any infraction of the statutes will meet with prompt prosecution in the courts.

Press dispatches from Portland this morning stated that "Don Cluser, 22, of Portland" had been arrested in a raid on a communist headquarters there. A man by the name of Cluser, giving his residence as Douglas county, addressed a meeting at Phoenix last Friday and attempted to organize a "Fruit Workers' Union." Authorities are checking to see if there is any linkup.

General harvesting of the Bartlett pear crop of the Rogue River valley is scheduled to start next Monday. A few of the orchards were scheduled to start work today or tomorrow. The orchards and packing houses have announced they will employ only home labor. The transient labor influx to date has been light.

Wall St. Report

NEW YORK, July 19.—(AP)—Metal issues led to a slow reaction in the stock market today after a mild continuation of yesterday's upturn was halted in the first hour. Other than unconfirmed rumors of fresh German political disturbances, there was no important news to account for the decline. The close was heavy. Transfers approximated 630,000 shares.

GILINSKY TO HEAD LIFE SAVER CORPS

Life saving corps met at the Natorium last evening, and elected Max Gilinsky president, Mrs. Paty Brock vice president, and Miss Marjorie Kelly secretary-treasurer. Sixteen attended the meeting, and voted to hold the seasons each Wednesday evening at 7:30 o'clock.

A committee drew up the regulations and purpose of the club, which included the following: to promote water safety in Jackson county, to encourage and teach swimming, to encourage improvement in swimming and to become life savers, to put on at least one demonstration or pageant a year, to sponsor junior life saving, to keep swimming places clean and safe, and to endeavor to educate the public as to water safety rules.

At the close of the meeting, the group enjoyed stunts and other practice.

MULE CREEK FIRE NOW IN CONTROL

After burning over 3200 square feet a small forest fire on Mule creek in the Applegate district was put under control by six men assigned by the forest service from Star ranger station yesterday, and extinguished about 12:30 p. m. It was of unknown origin.

Apparently caused by a careless smoker, a small fire on Corral creek one mile north of Lincoln, which started about 1 p. m. yesterday, was put out by 10 a. m. Tuesday after doing little damage.

A third fire on Johnson creek near Fredenburg Springs, was extinguished by two forest service men last night after burning over a small section.

Forest service officials report the fire season this year has so far resulted in exceptionally few fires, despite the unusual dryness of timber covered areas during July and August.

JUBILEE FILMS AT C. P. GRANGE FRIDAY

A record of Oregon's Diamond Jubilee celebration in motion pictures, will be shown tomorrow evening at 8 o'clock in the Grange hall at Central Point, and the showing is open to the public. Miss Hazel Sparrow is chairman of the program for the evening.

The pictures, taken by H. D. Kern of the Copco, are being shown at Central Point Friday, which is the first public showing. The reels show a complete historical chronology of the celebration honoring Oregon's birthday.

Promoters promising to make rain fall increased during the recent drought.

Exciting Films On Roxy Double Bill

Motion picture audiences looking for exciting screen entertainment will find it in generous abundance at the Roxy theater, where "Shadow of a Doubt" and "The House of Mystery" are the double bill.

The picture has a refreshingly novel treatment of the gangster theme, concerning itself with the murder of a notorious racketeer whose sister is in love with a police chief's son. Circumstances point to the implication of the boy, but a sensational denouement in the final sequence brings the photoplay to a happy conclusion.

Bruce Cabot justifies his quick rise to face with a splendid portrayal as the hard-headed, courageous young attorney.

Out of the mystic temples of Old India creeps a terrible monster in "The House of Mystery," the second feature, to wreak the vengeance of the Hindu gods.

LAYTON RECORDS 3-CUSHION MARK

In an exhibition match of Brown's Billiards, Johnny Layton, world's champion billiardist, broke his own world's record of a run of 18, by scoring a run of 21 yesterday afternoon.

Playing Vic Beckman, local star, Hal Haight was referee for the match.

Layton, who had previously recorded runs of 18 at Los Angeles, San Francisco and Seattle, Wednesday made the highest record known on the Pacific coast.

At 8:30 o'clock this evening, Layton will put on another exhibition match at the local Elks' club, playing some of the outstanding billiardists of the club.

UNABLE TO RECOVER DIAMOND LAKE VICTIM

According to Lee Garlock, uncle of Elwood Souwer, who was drowned last Saturday night at Diamond Lake, efforts to recover the body had been unsuccessful up until this afternoon.

Grappling continued yesterday, with the work concentrated on a spot farther out from shore than has yet been searched, but word has not been received from the lake revealing whether or not work was resumed today. The body will rise in 14 days after it was submerged, according to the county coroner's office, if it is not located before that time.

J. W. DODGE SERIOUSLY ILL, KLAMATH FALLS

The many friends of J. W. Dodge will be sorry to hear of his serious illness, at his home in Klamath Falls. Mr. and Mrs. Dodge were old-time residents of Rogue River valley, but disposed of their property last October to move to Klamath Falls.

Mr. Dodge is some better, according to the attending physician, although still very ill. Mrs. Clifford A. Dunn of the Falls is a daughter of Mr. and Mrs. Dodge. She is slowly recovering from a serious accident, which occurred last February.
