

**Fish Rained Upon Hungarian Region**

BUDAPEST, July 25.—(AP)—A freak storm traveling across Hungary today, rooting up trees, unroof-

ing houses, and wrecking telephone and telegraph communications. Lightning caused many fires, hail storms damaged crops in various sections, and near Tarpa it rained fish—apparently sucked up by the Danube by a whirlwind.

**Crater Lake Road Section Given Oil**

Seal coating of six and one-half miles of the Crater Lake highway between Cascade Gorge and Elk creek

is occupying the attention of the state oiling crew under E. M. Nash, following completion of coating a section of the Medford-Provoit secondary highway, about four miles of road from Huch toward Provoit.

**HOLD SPELLING BEE AT UNION CREEK CCC**

The 1747th Co. CCC, located at Union Creek, Oregon, held a spelling bee Monday.

Nearly all of the members of the camp and the officers were present, and about sixty of these participated in the contest. The words were selected and presented Cellan Ufford, camp educational adviser. Most of the entrants were rapidly eliminated.

Orle Moore, Harry Dugger, Lee Boothby and Andrew Unger were the last four left standing. Boothby and Unger were the first of these to lose out, then Harry Dugger finally, after getting by several "catch words," was eliminated on the word "cemetery,"

which Orle Moore was able to spell correctly for the first prize. The federal government is taking steps to insure preservation of important government documents of historical importance.
