

SHORT SUPPLY OF PEARS, TOMATOES PORTLAND ADVISED

PORTLAND, July 26.—(AP)—Extreme shortage of fresh lay eggs is causing additional strength to be forced in the local trade. Higher prices are suggested in spots for buying, although no general change in the local selling value was showing.

Demand is far greater for fresh lay than supplies and this is expected to further increase the spread between real fresh eggs and the so-called extra tolerated by the old law.

Excited trade tone was showing for tomatoes with an acute shortage of supplies and especially ripe stuff. Some fancy Walla Walla lugas sold \$1.50-1.75.

A very short season was suggested for Bartlett pears this year by Joe Carletto of United Fruit. The supply was expected to show up rapidly within a few days and disappear as quickly.

Country-killed hog and lamb prices were steady as a rule with the former showing a top of 10-11c for light butcher stuff and 12 1/2c for the latter.

Wall St. Report

NEW YORK, July 26.—(AP)—Heavy selling of stocks, based partly on the gathering of European war clouds and a general revival of trading pessimism, today brought net declines in leading issues of 1 to around 10 points. Transfers approximated 3,400,000 shares.

The downfall of the equity list started after the first hour when rumors spread throughout Wall street that Italian troops had marched into Austria. The selling rush put the ticker tape several minutes behind floor transactions at various times during the session. Little support was forthcoming until the final half-hour. Late recoveries were feeble, however. It was the worst break in around 10 months.

SERA CANNERIES OPEN AUGUST 2

Operations of canneries under the SERA food preservation program will be underway at Trail and Rogue River, August 2, it was announced today at the Jackson county relief committee headquarters.

At Rogue River, the kitchen will be located in the Community hall, a place for the Trail cannery to be announced later.

Canneries are being operated under regular schedule in this city and Ashland. Talent and Bellview relief cases are handled at Ashland, after application at the Army kitchen.

The relief committee stated every family who is eligible should make application, as the project is a self-help proposition. Local relief cases may report to the city hall offices of the SERA for certification.

MONSTER SUNFLOWER IN WILSON'S GARDEN

A giant sunflower plant, with 83 buds and blossoms, and 21 blooms in a cluster at the top of an eight-foot stalk was reported today by Harry L. Wilson, who has this huge plant growing in his garden at 717 Oak street.

ISAACS RETURNS FROM TRIUMPHS AT FLY CASTING

Wm. F. "Toggerly Bill" Isaacs returned to Medford this morning from Portland, where he has spent the past week participating in the Western Association of Scientific Angler club's annual tournament at Selwood park.

The local fly caster won first place in the accuracy fly event and placed in two others. Mr. Isaacs announced the club had selected Seattle as host city for next year, and said the Portland club is already making a bid for the national tournament in 1936.

He pointed out that Bud Powell of Marysville, Calif., representing the San Francisco Fly Casting club, averaged 118 feet, 4 inches, and was followed by Marvin K. Hedges of Portland, who cast a distance of 117 feet, 4 inches.

At the tournament held Friday and Saturday, Ralph Lyttaker of Seattle won the all-around medal, with William C. Block, president of the Portland club as second.

Mr. Isaacs was loud in his praise of the hospitality of the Portland club, which entertained with banquets on both Friday and Saturday evenings.

AUSTRIA'S ECONOMIC ROT AT BOTTOM OF POLITICAL UPHEAVAL

Economic rot set in Austria, like some noble deposed to penury, began living on an international dole, on loans from the League of Nations or creditor lands.

The depression—rocking the economic structure of the world—redoubled Austria's woes. The collapse of the Kredit Anstalt, great bank of Vienna, sent a shudder through Europe and beyond.

Misery begat political strife. For a while, after the war, socialists controlled Austria. But the folk of the countryside, with Catholic Christian socialist leanings, would have none of them.

There were built the famous workers' apartments, which Chancellor Dollfuss' artillery pounded when he crushed the socialist organizations in blood a few months ago.

May Be Human Ballast

Capt. Orvil Anderson (above), co-pilot of the projected stratosphere flight, may act as human ballast on the flight, jumping from the gondola in a parachute when the balloon is about five miles up.

The idea is anathema in France, Germany's old foe. Nor has Mussolini seen fit to encourage the Nazi dream. Some say he looks askance at the pan-German threat—manifestation of Austria, the Saar, Danzig and other territories with German populations—and the consequent change in the balance of power in Europe through new political alignments.

At any rate, N. Duce, instead of backing the Nazis, supported Dollfuss, the little man whose blood poured out in Vienna yesterday.

They would "probably wait for Santa Claus." They would not comment upon any course of action to provide funds for clerical assistance or to obtain their salaries.

DRIVER WHO HIT CHILDREN FINED

Norris Giles, who was charged with reckless driving, the result of knocking down Elton Barton, 4, and his sister, Bethel Barton, 6, as they were crossing the intersection at Jackson and Woodstock about 8:00 o'clock last night, was fined \$50 in city court this afternoon.

The children, who suffered severe bruises as the result of being knocked to the pavement, were taken home by Giles, but he left the home immediately after leaving the children. He did not file an accident report with city police.

George S. Barton of 208 Clark street, father of the children, complained to police last evening and a search was started for Giles. He was taken into custody this morning, and appeared before City Judge A. D. Curry this afternoon.

'MOON' SUSPECTS BOUND OVER TO U. S. GRAND JURY

A. E. Scranton and W. E. Torrento, 48, were arraigned before Victor A. Tengwald, U. S. commissioner, this morning on liquor charges and bound over to the federal grand jury at Portland.

Scranton appeared this morning in place of his wife, who was arrested yesterday, as were Torrento and John Maeder, 68, in the Little Applegate district. Mrs. Scranton was released on her own recognizance to appear today, after allegedly selling a gallon of liquor to officers.

Maeder, held in the county jail, was cited to appear this afternoon before Circuit Judge H. D. Norton to answer to charges of sale and possession of intoxicating liquor.

The arrests were made by federal officers, who expressed their appreciation to the sheriff's office for its co-operation.

America Has No Word Comparing Teuton "Putsch"

By the Associated Press. What the "coup d'etat" is to the French, the "Putsch" is to Teutonic peoples. The American has no word for it.

The "Putsch" is a bold and unexpected stroke, accomplished while the victim is off guard. It usually is an action outside of established rules, often but not necessarily accompanied by violence.

It was pointed out. There will be no salaries the end of the year for any of them.

The public utilities department stated today that as a result of receiving but \$100,000 of a requested appropriation of \$300,000 to continue the activities of the motor vehicle transportation act, about 15 persons would have to be discharged from that division.

Robert Hauser, supervisor of the division, stated that the enforcement of the act, required a full force of 42 persons, and today he was in conference with several members of that department to work out a new plan of operation on the limited income.

ITALIAN SOLDIERS MOVE TO BORDER AS HINT TO HITLER

Fighting was continuing from Donawitz to Aussen. Fears of further trouble in the Tyrol were revealed by an appeal to all able-bodied former officers and soldiers to auxiliary troops at the disposal of auxiliary troops.

At Judenburg, Styria, a railroad bridge was dynamited. Armed federal men patrolled Vienna today. There was desultory fighting and a number were killed.

Late this afternoon foreign diplomatic observers expressed the opinion that Prince Starbomberg's position as Dollfuss' successor has not been consolidated. It was pointed out privately that marked tension existed in recent weeks between Starbomberg's Wehrmacht and the regular forces. Riots at Graz recently were marked by clashes between the two armed groups.

Evidence of feeling between the army and the Wehrmacht was evidenced at Ballhausplatz yesterday. The Associated Press correspondent saw federal police and members of the regular army repeatedly crowd the Wehrmachtmen away from the cancellary doors. The police rushed the Wehrmachtmen from the square as unceremoniously as if they had been members of the general public.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. (Copyright, 1931, C. M. Co.)
