

MINERS INVADE GOLD HILL FOR 7 TO 4 VICTORY

Gold Hill's Cement Makers, defeated for the third time by Jacksonville on the Gold Hill diamond Sunday, are fully sympathetic with the old saying that a prophet is without honor in his own country. Miners Sunday took their closest rivals 7-4 in a clean, fast battle that was a fitting opener to southern Oregon's Twisted Series being played off between the two cities.

Starting in the first frame with a single by L. Foley, Hammerley's single, Cather Gardner's double, and C. Kell's single, Gold Hill crossed the plate three times to give them an early lead. The first inning saw the end of their spree, however, for four of their six hits allowed by Skinny Wilson came in that round. The Miners came back in the second frame with a run when St. Johnson doubled over third base and went home on Doc Yake's single.

In the third inning Jacksonville's sluggers got to Pitcher Wilmer Bailey for six hits and six runs when Screwball Turner started the inning off with a double over third. Frank Runtz tripled over the railroad tracks, Williams walked, Hall singled over shortstop scoring Runtz. Art Ferra came through with a single to score Williams and Hall, Yake again hit, this time for two bases, followed by Don Greening's hard double over the railroad tracks. That ended the scoring for Jacksonville when Bill Hammerley took over mound duties for Gold Hill to limit his opponents to five more safeties.

Gold Hill scored once more in the seventh when Walker walked and went home on an infield error. Pitcher Skinny Wilson held the Cement Makers at bay for eight innings, nipping every flurry of opposition, backed with spotless support both in infield and outfield. Art Ferra's sparkling catch of a line drive that came as such a surprise he caught a baserunner flatfooted was one of the afternoon's features, as was Don Greening's triple—hardest hit ball of the day—that was wasted when a base coach sent him home to be called out on a close play. Emory, Gold Hill left-fielder, starred on a catch of St. Johnson's fly in Texas league country.

L. Foley led Gold Hill's batting with two singles, while Screwball Turner, for the Miners, took three out of five chances, two for doubles. Hall, Yake and Greening followed with two each.

WRESTLING SHOW STARTS AT 9 P. M.

Because of the Chamber of Commerce banquet Thursday evening, for Arno B. Cammerer, director of National parks, and Robert Wehner, director of the Civilian Conservation Corps, promoter Mack Lillard said today he would delay start of Thursday's wrestling show at the Armory until 9 o'clock.

Lillard has arranged a card which should be on a par with that of last week when the huge crowd was kept in a continual uproar by the antics of the muscle mangers. "Sad" Sam Lethers, lumber-legged grappler from Texas, who has proved a great favorite here in two previous bouts, will attempt to tame the rabble-rousing Pete Belesato in one-half of the double main event, while Billy Newman of Denver will face young Pat McGill, Nebraska Irishman, in the other half.

TORRANCE SETS SHOT PUT MARK

OSLO, Aug. 6.—(AP)—The 18-pound world record for the shot put rested firm in the giant hands of Jack Torrance, huge Louisiana State University track man, today, safe even from the attacks of his closest rival, John Lyman, Stanford veteran. Torrance twice broke the listed record of 52 feet, 7 7/8 inches held by Z. Heljasz of Poland, in a meet here yesterday despite a rain soaked field that left soggy footing. On his fourth heavy Torrance, member of a touring American track and field team, set the shot 136 inches beyond the old record and on the fifth try bettered all past performances with a heave of 57 feet, 9-3/4 of an inch.

FIERSTIEN TAKES REGATTA HONORS IN CLASS C EVENT

John Fierstien of Albany, in "Golden Slipper," ran away from local boats at Savage Rapids yesterday afternoon, to win both heats of the class C event. Fierstien's time for the first run was 7 minutes 40 seconds, and for the second, 7 minutes 55 seconds.

Joe Myers of Medford placed second in both heats of C class, with a time of 8 minutes for both runs. Myers drove "Irish Luck." In the first heat, "Peanuts," driven by Walter Tenbrook of Albany, placed third with a time of 9:40, but was forced out of the second run with motor trouble. "Redwing," driven by Harold Grey of Medford, came in third in 8:05 in the second heat, but was forced out of the first race when his motor stopped dead.

In the B class event, first heat, Tenbrook placed first, and came in second in the second run, with respective times of 10:55 and 9:20. Floyd House of Medford drove "Irish Luck" in the B class event, taking first place in the second heat, in 9 minutes, and second place in the first run in 11 minutes. John Bohm of Central Point drove an unnamed boat in B class, winning third place in the first run in 11:30, and fourth in the second heat in 11:30. "Fast Mail," with Parker Bundy of Medford at the controls, came in third in the second heat in 11 minutes, and fourth in the first heat in 12.

In the first heat of the free-for-all event, "Golden Slipper" placed first, "Redwing" second, "Irish Luck" third, and "Peanuts" fourth. The times were 8:30, 9:40, 8:20, and 10 minutes, respectively. In the second heat, the order of finishing was "Golden Slipper," first; "Irish Luck," second; "Redwing," third; and "Peanuts," fourth. Times for this run were 7:55, 8, 9, and 10 minutes, respectively.

The final event of the day, the runabout race, was won by Earl Voorhies of Grants Pass in 12 minutes. Jim Daily of this city took second place in 13, Bohmert, in "Sovereign," placed third in 14, and "Printer's Ink," driven by Joe Marshall, came in fourth in 15 minutes.

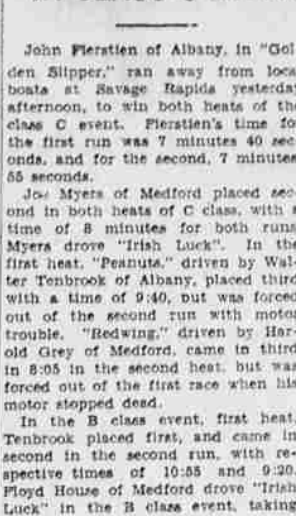

Officials of the Southern Oregon Boat club, which sponsored the races, estimated the crowd that lined both banks of the river at more than 1500. Although the river was roughened by a strong upstream wind, no upsets marred the day's performances.

Aubrey Sanders of Medford and Bohmert provided novel entertainment between races with their exhibitions of surfboat riding. Sanders thrilling the audience with a headstand while gliding over the water, and both demonstrating their skill with expert work.

It was planned to put on a program of deep-sea diving, as the surprise event of the afternoon, but as the complete diver's suit failed to arrive, this part of the program was abandoned.

Picnic lunch was served the drivers after the races, and a supply of ice cream and other confections was provided for the crowd.

ROSEBURG LEGION JUNIORS CAPTURE SO. OREGON TITLE

ROSEBURG, Ore., Aug. 6.—(AP)—Roseburg won the southern Oregon American Legion Junior baseball title Sunday, defeating Klamath Falls 8 to 2, for the second straight victory of the three-game series. Saturday afternoon's game was won by Roseburg, 3 to 2. A consolation game Sunday afternoon, scheduled for five innings, was called in the sixth with a tie score, 3 to 3.

Saturday's game was a brilliant pitchers' duel between Lyle Turpin, leading for Roseburg, and C. Reber, Klamath Falls pitching ace. Turpin held the visitors to two hits, while Reber was tapped for four safeties.

In the first game Sunday, Roseburg had a 2 to 1 lead until the sixth when blinges by Atkins and Green scored one run for Klamath to tie the score. In the last half of the inning, however, Roseburg batted Howe out of the box to tally six runs. Baker, Roseburg's outspaw slow ball pitcher, went the full route for the local team.

Roseburg and Eugene play next Saturday and Sunday for the right to enter the state championship contest at Astoria during the convention of the American Legion.

GILMORE'S DEFEAT PROSPECT OUTFIT

Medford's Gilmore Lions won their fifth straight victory when they defeated the Prospect Lumbermen at Prospect Sunday, 9 to 4. This win, according to Manager Bob Lewis, gives the Lions enough confidence to tackle Hal Haght's Rogues, if a game can be scheduled.

Next Sunday the Lions will play in Ashland against Shorty Gonnell's Ashland Eagles. In what promise to be a fine contest.

CUBE BUTTER UP PORTLAND MART

PORTLAND, Aug. 6.—(AP)—Advances of 1/4 to 1/2 quoted in the cube butter market by the Produce Exchange, effective today, was belated recognition of what was being done on the unofficial open markets which the state of Oregon does not recognize. Butterfat was 1/4 to 1/2 higher.

Rather good fresh egg market situation continued here, according to Edna B. Reed, president of Oregon Laid Eggs & Poultry. Demand for fresh eggs, she says, is far in excess of current offerings. Small springers neglected.

Small spring chickens were being more or less neglected and the big buyers were seeking mediums instead. Price offered for light springs was down perhaps 1c lb.

LIST OREGON FOREST CAMPS IN CALIFORNIA AUTO CLUB FOLDERS

A complete list of the improved forest camps of the national forests of Oregon has just been issued for distribution by the Automobile Club of Southern California.

This list gives the location of 147 improved camps on the thirteen national forests of this state. These camps, according to the forest service, are located in natural forest settings, and are for the free use and enjoyment of the public. The improvements include water supply, sanitary accommodations and fire wood. Usually there are tables and camp stoves or fireplaces.

The service states that their purpose in developing these forest camps is to meet the needs of the modern forest visiting public, and to help concentrate campfires so that there will be less hazard to the forests from fires built in unsafe spots. Elaborate improvements purposely have been avoided so as to appeal to the lovers of natural forest beauty, and enable them to get away from the more sophisticated atmosphere of the cities.

There are no restrictions on the use of these forest camps, except a few simple requirements as to care with fire and sanitation.

Dogs cannot tolerate much starchy food, so should not be fed potatoes.
