ROOSEVELT NATIONALIZES SILVER

By PAUL MALLON
WASHINGTON, D. C., Aug. 9.—A foremost financial advisory service told its clients confidentially a few days ago that present events indicate Senator Borah will be the Republican presidential candidate in 1936.

That would not mean much to you unless you happened to know that, on the inside, the prediction really came from a top-most insider in the Hoover administration who is even yet closer to Hoover.

How much means, after you know that, also may not be clear. The natural suspicion will be that Hoover's ex-right-hand man reflects the unspoken thoughts of the Sphinx of Palo Alto. If true, that would be interesting, particularly in view of the incompatibility of Borah and Hoover during the latter days of the Hoover administration.

Shortly after the backstage Borah boom was launched, Representative Cullin of New York arose at a Republican county meeting there and said: "Bertrand Snell, minority leader of the house, looks as the Republican party candidate for President."

Mr. Cullin might as well have launched his boom confidentially, because all the notice he got was three paragraphs on page 18 of the New York Times.

COINS TO REMAIN IN CIRCULATION SAYS NEW ORDER

Stores of White Metal Must Be Sent to Mints Within 90 Days — Price of 50.01 Cents Per Ounce Fixed

WASHINGTON, Aug. 9.—(AP)—Hold on to your silver spoons, watches and dimes—the government doesn't want them. And don't expect your quarters and half dollars to turn into any different kind of money tomorrow from what they are today.

What Mr. Roosevelt and Secretary Morgenthau are doing is calling into the treasury stocks of bullion silver which are traded on the commercial markets. These stocks may range anywhere from 45,000,000 to 250,000,000 ounces.

Buying in this silver at the rate of 50.01 cents an ounce is what is meant by "nationalizing" silver. It is taking government ownership of floating commercial silver stocks not being used in industry and commerce.

By BENJAMIN COLBY

WASHINGTON, Aug. 9.—(AP)—President Roosevelt today nationalized the nation's store of silver and called for its delivery to the United States mints within 90 days at a price of 50.01 cents an ounce.

The action was taken by executive order under authority granted by congress in the silver purchase act passed last session. Secretary of the Treasury Morgenthau made public the order and an accompanying presidential proclamation at a press conference.

In taking over the silver, Morgenthau told reporters the government was exercising the right of eminent domain.

Glad It's Over
"I am very much relieved that it's over," was the secretary's only comment.

Real Bullets In Sham Battle Kill Young Spectator

BURWILL, Neb., Aug. 9.—(AP)—Authorities sought today to find the source of real bullets which whistled through the grandstand at a cavalry troop sham battle, killing one spectator and injuring three others.

A cavalry troop from Fort Riley, Kan., staged a sham battle last night as part of the annual Burwell rodeo. The lights were shut off so the gunfire would appear more spectacular.

The firing began. Seven-year-old Billy Snyder slumped forward in his chair, mortally wounded. Persons nearby were agitated as they heard bullets whizzing past their heads.

ROOSEVELT CALLS FOR MORE ACTION ON THE NEW DEAL

Militant Note Is Sounded at Green Bay in Most Important Speech of Congressional Campaign Year

By FRANCIS M. STEPHENSON
Associated Press Staff Writer
GREEN BAY, Wis., Aug. 9.—(AP)—President Roosevelt today sounded the call for further "action" by the "new deal" on a non-partisan road in a militant speech in old Wisconsin.

In his principal speech of this congressional campaign year, Mr. Roosevelt, at the Wisconsin state tercentenary, declared:

"In the great national movement that culminated in 1932, people joined with enthusiasm. They lent hand and voice to the common cause. It is the duty of every citizen to follow the lead of those who have gone before."

"In one year and five months, the people of the United States have received at least a partial answer to their call."

GENERAL MARTIN TO BE FETED BY LOCAL BOURBONS

The visit of General Charles H. Martin, Democratic candidate for governor, to the Rogue River valley next Monday, is causing the Democratic county central committee to plan a gala reception for him, with a caravan to journey to Grants Pass as an escort to Medford.

Details were worked out at a meeting held last evening, and R. O. Stephenson, chairman of the committee is in charge of arrangements. According to the schedule worked out, a caravan will leave from South Glenside street here at 11:30 a. m. Tuesday morning he will visit Jacksonville and meet voters in that section, and arrangements were underway today to extend his trip into the Applegate country. He will return to Medford to be guest speaker at the Rotary luncheon at noon, and will then journey to Ashland. On his return to Grants Pass, General Martin will stop at Gold Hill and Central Point, where all interested will confer with him.

Members of the committee in charge said today that General Martin does not plan to talk state politics at the Rotary luncheon, but will speak on the subject of legislation passed at the last session of congress, dealing with the irrigation and reclamation projects of interest to the fruit industry.

He held the points raised in the suit were so definitely set aside in the recent United States supreme court decision upholding the milk regulation act of the state of New York that "it seems almost unnecessary to cite another authority."

HUNGER STRIKER EATS BREAKFAST

SAN FRANCISCO, Aug. 9.—(AP)—One of the hunger strikers in the city prison broke his fast today, but the 30 other alleged communists entered the sixth day of abstinence of food with the threat of forcible feeding confronting them.

Pat Barnes, upon the advice of physicians, ate breakfast, after complaining that the rib injuries which he suffered during the recent waterfront strike were troubling him.

However, the other hunger strikers, who by going without food are seeking to have their bail reduced on vagrancy charges, said they did not look upon Barnes as a deserter from their ranks.

"Pat is in a bad way and had to eat," a spokesman said. "We had money to get him out on bail, but he refused, telling us that he wanted to stay until we all got out."

WILL ROGERS SAYS: ABOARD S. S. EMPRESS OF GANADA, Aug. 8.—We been on here just long enough for everybody to find out everybody else's business.

Brazil's new ambassador to Japan just coming from Denmark, says Ruth Bryan is doing fine. Filipinos on here going home, Englishmen on here don't like it because we are giving Philippines freedom. It sets a bad example; it puts freedom into other folks' heads. No news of Hitler speech; not even any of Huey Long. Certainly a dull day. I am going down and play fan tan with the Chinamen.
