Mr. Ken Honored At Birthday Party

Mr. and Mrs. Stanley Jones and Mr. and Mrs. W. Bernard Roberts gave a novel entertainment at the latter's home on Hedy avenue Monday evening, honoring H. D. Ken on his birthday. A game of "scavenger," which took couples on a lengthy search for an astonishing array of articles, occupied the major part of the evening.

The search took the participants to a large number of downtown establishments and included the obtaining of the autographs of prominent citizens and a "raid" on the local police station. A buffet supper was served at midnight.

The guests included members of the Medford Movie club and their friends, and all present agreed that this equaled the series of novel entertainments which have been sponsored by this group.

Those present were: Mesdames H. D. Ken, Sam Jennings, O. A. Eden, Harry Olson, D. A. Ferguson, Sterling Richmond, Stanley Jones and W. Bernard Roberts.

GOVERNMENT GRABS CUBAN PHONE LINES

HAVAN, Cuba, Aug. 9.—(AP)—The strike-ridden Cuban Telephone company, a \$20,000,000 American investment, was in the hands of the Cuban government today.

H. C. Hart, American president of the firm, registered a vigorous protest against "the act of the Republic of Cuba in intervening, despoiling the company of its administration and depriving it of the legitimate enjoyment of its properties without legal grounds."

Multnomah Pays Tax

SALEM, Ore., Aug. 9.—(AP)—Multnomah county today paid \$31,000 to the state treasurer as part payment of its third quarter 1934 state taxes. Multnomah has now paid a total of \$196,000 of its approximate quarter-million third quarter assessment.

PLAN TOWN CLUB AT VAWTER PLACE FOR SOCIAL AXIS

Steps for the formation of a "Town Club" here have been inaugurated with the extending of invitations to join, at a membership fee of \$10, payable in advance. The membership is limited to 150 persons. It is proposed to use the W. I. Vawter residence at Main and Holly streets "for a general gathering place," and same "will be re-decorated and staffed for the exclusive use of our limited membership."

However, there is a proviso which states:

"If sufficient memberships are received, the club is in progress. Re-arrangement of the rooms will start at once, to be followed by a gala opening. Otherwise, your checks will be sorrowfully returned to you, as there will be no town club." Several social lions have hoped that "heaven will forbid" such a fate to the rising social enterprise.

The invitations state "there has been a great need in the community for a general gathering place, where both the young and not so young" may meet and mingle, under comfortable and desirable conditions."

The committee reserves the right to "discontinue the membership of any individual" who does not behave, or is otherwise inconspicuous.

The "Town Club," if formed, will hold dances, dinners, luncheons, bridge sessions, and other pleasant events. If a member desires a cup of tea at 4 p. m., or a sandwich around midnight, he will be accommodated. If a member just feels like setting on the veranda and watching the world go down Main street, he can do that.

Incidentally, the membership fee of \$10 is good for the whole family, so the kiddies, if any, can exult on the capacious lawn.

The proposed organization has at present eight patrons and patronesses and a secretary-treasurer. All are A-1 citizens and citizenesses of social and financial standing.

Early reports indicate that the idea is meeting with high favor, and it seems likely there will soon be another rendezvous, where a pleasant time can be had by all.

STERN WHEELERS AGAIN GOING UP COLUMBIA

THE DALLAS, Aug. 9.—(AP)—River boat service between Portland and Umatilla was officially resumed Wednesday when the stern-wheel steamer Umatilla passed through the Celilo canal.

VALLEY TOMATO CROP IS NEAR 3000 TONS

Due to poor mathematics, the news article appearing yesterday, stating that the tomato crop of the valley would total 30,000 tons, was an error. It should have read 3000 tons. County Agent Robert G. Powler estimated there were 250 acres planted to tomatoes and would average 12 tons to the acre.

The announcement brought expressions of amusement from canneries packing tomatoes.

DENVER, Aug. 9.—(AP)—U. S. District Judge J. Foster Symes today refused to grant the NRA an injunction to prevent Richard Gearhart, operator of a coal mine near Grand Junction, Colo., from selling coal in Utah, allegedly in violation of the minimum price provision of the bituminous coal code.
