BUTTER ADVANCES TO SEASON'S HIGH

PORTLAND, Ore., Aug. 9.—(AP)—The produce exchange advanced the butter price 1/2 today, bringing the local price to the highest official point of the season.

The advance sprang from decreasing supplies and increasing demand. Although the produce exchange was unwilling to advance special eggs along with others, trade leaders were quoting an advance of at least 1 cent. Demand was reported keen at the advance.

Trade in chickens moved slowly, but certainly at low prices.

Top calves advanced with a scarcity. There was a steady call for hogs and lambs and an active one for beef but at former prices generally.

The cheese trade showed strength and prices advanced a cent.

Peaches edged upward. Fancy Muirs from The Dalles found favor around 60c, also the general top for Elberta. Best quality Hales brought more.

SURPLUS OF WHEAT PROBLEM IN FRANCE

PARIS, Aug. 9.—(AP)—The French wheat problem has become as critical that Premier Gaston Doumergue, who returned from his vacation today, will ask the cabinet tomorrow to devise a plan subsidizing wholesale exports and possibly scrapping part of the price fixing law.

Four millers have defied the law openly, announcing they will put at prices determined by supply and demand.

The government had hoped that the short crop would aid the situation materially, but the wheat hold-over, estimated at 75,000,000 bushels, is so large that the market still is flooded.

DOLLAR WHEAT PORTLAND MARK

PORTLAND, Ore., Aug. 9.—(AP)—Dollar wheat became a reality here again today when 12 per cent dark hard winter variety was elevated to that figure.

All cash wheat made a further advance of 1 cent a bushel today while options were up a similar amount.

The advance here resulted from a further rise at Chicago. Since it was announced that no more wheat would be exported from the Pacific northwest, because of the acute eastern shortage, buyers have been beseeching the country to sell.

It is regarded as significant that the Pacific northwest wheat growers, themselves, have received practically the full advantage of the increase.

Two Killed in Looping Loop

GLASGOW, Mont., Aug. 9.—(AP)—The looping of a biplane was believed by investigating authorities here today to have been responsible for the deaths of two young men, one in a fall from the plane and the other in the wreckage of the ship as it crashed.

Lionel Carver was killed after toppling from his seat in the plane. Francis Feiten was the pilot killed. Both men were of Nashua, Mont.

Three witnesses told authorities the pilot had been stunting shortly before the ship fell. He looped the plane and Carver fell out.

The witnesses—Frank Peterson, Vernon Dotsert and Abe Elson—said the plane flew upside down for a brief time. Then the engine stopped and the ship plunged to earth.

William Powell, whose masterful characterization in "Manhattan Melodrama" won him a new starring contract with Myrna Loy again co-starred, in "The Thin Man," playing three days at the Craterian theater. The story is from the widely read Dashiell Hammett mystery novel and is said to present Powell in an even better part than in his last film appearance.

Ann Harding Will Star at Craterian

Of the three types of love—friendship, the love of a woman for a man, and the love of a mother for her child—psychologists claim one will have the predominating influence in a woman's life.

In "Gallant Lady," at the Craterian theater tomorrow and Saturday, Ann Harding, who plays the star role, is faced with the necessity of making a decision as to which of the three shall rule her life.

The story is woven around the experiences of a young woman who becomes the mother of a child, which she is forced to assign for adoption immediately after its birth, agreeing never to see it again. The ensuing years bring her exceptional business and financial success, eventually offering her the opportunity of being reunited with her child under the painful penalty of silence as to her real identity. Her inward battles to down the insistent call of motherhood and yet to play fair with the man she loves, form some of the most dramatic sequences ever seen on the screen. In the capable hands of Miss Harding, they become human epics.

Featured roles in this release are capably handled by Clive Brook, Otto Kruger and Tullio Carminati. Janet Beecher, well-known Broadway favorite, makes her screen debut in this picture and the child role is played by Dickie Moore.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. (Copyright, 1931, C. M. Co.)
