

ALL-STAR TEAM TO PLAY ROGUES HERE ON SUNDAY

The Siskiyou County All-Stars baseball team will invade Medford Sunday to meet the local Rogues in the first of a three-game series. Next Sunday the two teams play at Yreka and the third game also to be played at Yreka in September, during their annual Gold Rush celebration. The game Sunday will be played at the fair grounds and will start at 2:30.

Nils Spears, who established himself as one of the northwest's outstanding bush pitchers by his work with the University of Idaho team and later in the Timber League this summer, has been added to the Rogues' pitching staff and will start on the mound. Jack Hughes will hold in reserve should the Stars hit Nils too freely. A new catcher will also be on hand, states Manager Haight. The Rogues have been weak behind the bat ever since Billy Calvert, the 16-year-old sensation, left. Norris, who caught a good game last Sunday, will be stationed either at second base, his regular position, or in the outfield.

According to reports from Yreka, a large caravan of Montague, Hill, Hornbrook and Yreka fans plan to accompany the team. Regardless of the fact that the Rogues have lost the last five games, the largest crowd of the season is expected to witness the game.

RINKY DINKS GET SECOND SETBACK

"Scoop" Puhl's Rinky Dink softball team can take it. Last evening the South Ivy street aggregation suffered the second decisive defeat since their organization a few days ago, and today Manager Puhl bobbed up with a new challenge, this time to Sam Colton's Office Boys.

In last night's clash the Rinky Dinks lost a 10-to-5 decision to the Jennings Tire team.

Tuesday night, Manager Puhl's nine went down before Ray Henderson's heavy hitting All-Stars, 35 to 5, and very nearly had a re-roofing program on their hands when the houses surrounding the diamond were battered by home run after home run hits off Pitcher Ray Lagoon. But the challenge to any other ball team in the city was as prompt after this defeat as after last night's.

The Rinky Dinks are good losers and, if the rate of lessening the margins of their defeats continues with the Office Boy game, they will soon be winners. It is Manager Puhl's contention.

Meteorological Report

Forecasts
Medford and vicinity: Fair tonight and Saturday; little change in temperature.
Oregon: Fair tonight and Saturday but overcast on coast; little change in temperature.

Local Data
Temperature a year ago today: highest 99; lowest 60.
Total monthly precipitation, trace; deficiency for the month, .02 inches.
Total precipitation since September 1, 1933, 11.02 inches; deficiency for the season, 6.84 inches.
Relative humidity at 5 p. m. yesterday, 23 per cent; 5 a. m. today, 73 per cent.

Tomorrow: sunrise, 5:15 a. m.; sunset, 7:17 p. m.

Observations taken at 5 a. m., 20 Meridian Time.

Crash Kills Sailors.
NAPLES, Italy, Aug. 10. (AP)—Three sailors were killed and 11 injured today when the Italian motor vessel Pallade collided with the torpedo boat destroyer Antonietta Ugo di Maré en route to Naples from naval maneuvers at Gaeta. The Pallade cut a great hole in the destroyer amidships.

Resort Appoints Beach Censor.
LONDON.—(AP)—The Westgate-on-Sea parish council has decided to appoint a beach inspector as censor of public morals—his job being to decide whether bathing costumes he sees on the beach are decent or not—following the complaints by Westgate schoolmasters of the spread of topless bathing costumes.

Non-Swimmer Drowns.
TILLAMOOK, Aug. 10.—(AP)—Kenneth Krake, 12, who could not swim, drowned in Wilson river near here Thursday while wading. With two companions, young Krake had gone to the river to fish, and he later went in the water.

Medford Baseball Chief Cites Obstacles in Path; Lack Diamond, Players

By HAL HAIGHT
Manager Rogues Baseball Team.

A great deal of criticism has been heard in regard to the local baseball team, more so of late since several games have been lost. Most of the fans understand the condition here, but for those who do not, I will endeavor to explain them.

Baseball is not played in either the local grade or high schools (and why it is not is a mystery to many) therefore few young players have been developed here within the past few years. Next, there are no baseball fields in Medford available for those who do care to play. The only field where games can be played is at the fairgrounds, which is the worst in southern Oregon.

The Rogues had a fairly good team early in the season, but lost many players, due to the fact that employment could not be found here for players. Bill Courtney, a Normal school boy, returned to Portland because he could not get work; Charles Orr, who succeeded him, did likewise after playing for six weeks. Paul Egan, a promising Jacksonville boy, found work in California, while Billy Calvert, the most promising young catcher seen here in years, returned to Seattle to work. After playing five games, McLean and Joy became dissatisfied for the same reason, as have others.

It is impossible to import a player and secure him a job when there are hundreds of local men out of work. Gate receipts are too small to pay much for players. One is lucky to get a \$50 gate and after paying the visiting club their \$35 guarantee and paying for baseballs, etc., there is not much left. A few years ago when times were better the fans would fill the grandstand, and on Monday the management would solicit even more funds from the merchants with which to pay players. This practice has not been taken the past two seasons.

DIEGEL FINISHES IN SUB PAR GOLF TO WIN TOURNEY

ROCHESTER, N. Y., Aug. 10.—(AP)—Leo Diegel's parting shot at the Aak Hill Country club's east course—a six-hole 66 that equalled the course record—has earned the jittery-nerved veteran first money in the Rochester Centennial-Walter Hagen golf tournament.

That grand finish, five strokes under par, enabled Diegel, now pro at the Philmont Country club, Philadelphia, to wind up with a two-stroke lead over Denver's perennial runner-up, Ky Laffoon.

Laffoon led Diegel by a single stroke after the third round yesterday morning, but his final round of 69 in the afternoon, though it beat par by two strokes, served only to give him second place at 278.

Harry Cooper, "marathoner" from Chicago, and Herman Barron of New York, likewise posted 66s on their last crack at the course. Cooper's 66 gave him a total of 282 and a tie for third money with Willie MacFarlane of Tuckahoe, N. Y. Barron's sent his 72-hole total to 285.

Walter Hagen, Rochester, had 288; Gene Sarazen, New York, and Paul Runyan, P. G. A. champion from White Plains, 290.

792-lb. Tuna Fish Brought To Gaff After 3-Day Fight

LIVERPOOL, N. S., Aug. 10.—(AP)—A battle for nearly three days and nights with a giant tuna fish, the dream of every deep-sea angler, has brought Thomas Howell, Chicago grain market operator, a 792-pound prize. This beat by 12 pounds the local record-breaker caught off here a few years ago by Zane Grey, the novelist.

Howell and several companions took turns at the line in a rough sea and were near exhaustion at the end of the 62-hour combat, said to be the longest on record. The game fish lured Howell's 38-ton yacht, Thalia, for 200 miles before it surrendered.

LIMBER LETHERS PINS BELCASTRO IN HECTIC MATCH

Turning the tables when it came to rough-stuff, Sam Lethers, 210-pound rubber-legged grappler from Texas, won two out of three falls from "Wildcat" Pete Belcastro, 197, in the main event at the Army camp last night, after a melee that ended with both contestants climbing back into the ring barely within the count, from a tangled heap in the ring-side seats.

Lethers took the odd fall with a body slam, in 14 minutes. When Belcastro flattened him with a body press after three Sonnenbergs, to win the first fall in 12 minutes, it was the only time the tall Texan looked poor. The Italian couldn't tie up Lethers' rubber legs long enough to keep him down, the Dallas man stepped out of all his wristlocks, and Belcastro's newly-acquired drop-kick bounced off the southerner's sides with no results. Belcastro kept his tall adversary at bay with haymakers, rebounding out of reach when they were returned, but couldn't stand up against the onslaught of unorthodox tactics that Lethers finally turned loose.

The Texan won the second fall in 12 minutes with one of his devastating rolling-attacks, after a three-cornered tangle with Referee Ray Friebe tangling in all parts of the arena. Belcastro broke most of Lethers' holds with wild scrambles out of the ring, or with clever tooth work on tender parts of the Texan's shins, but got it all in return, even to a "hangman's hold" between the ropes.

Billy Newman, 202-pound Denver grappler, won two out of three falls in the semi-final against "Lightning" Pat McGill, 182½, youthful Nebraska muscle-mangler. The odd fall came in nine minutes with a Boston crab.

The Denverite picked up McGill in an airplane spin to take the first canto, then clamped on a stranglehold that cost him the second fall, after three minutes. McGill tried everything on his opponent, exhibiting a wealth of technique, but was unable to compete with Newman's unorthodox wrestling. The two were even matches in strength, and tangled with a will.

Newman challenged the winner of the Belcastro-Lethers fracas, or any other heavyweight who cares to try conclusions.

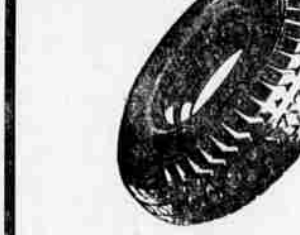

Promoter Mack Lillard was rewarded with one of the largest crowds ever to witness a local card.

AL SIMMONS TAGGED OUT BY DAN CUPID

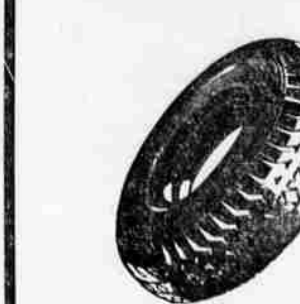

CHICAGO, Aug. 10.—(AP)—Al Simmons, White Sox slugger and one of the leading American league outfielders, was married Monday to Doris Lynn Bender, 19, Chicago. It was learned today.

Simmons said by telephone from Lauderdale, Wis., where the couple went for a honeymoon that he would return to Chicago and be in the Sox lineup today.

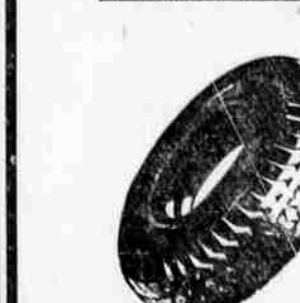

WARD'S New First Quality... Precision-Built RIVERSIDES

New RIVERSIDES ARE GUARANTEED without limit!

New RIVERSIDES ARE 18% TO 20% LOWER PRICED...

You get REAL SAVINGS on Ward's new Riversides! Actually 18% to 20% lower than Ward tires of comparable first-quality as recently as five months ago—in spite of the fact that rubber has gone up more than 50% in price, while cotton, other raw materials and labor have increased steadily. Ward's tremendous volume and economical selling methods make these low prices possible... it costs just as much, frequently more, to make a new Riverside than it does other good tires. BUT it costs a LOT LESS to sell them! That's why you SAVE on Riversides at Ward's.

CONVENIENT TERMS MAY BE ARRANGED!
