

# Annual So. Oregon—No. California Golf Tourney Starts Aug. 31

### EARLY ENTRIES SHOW BIG FIELD WILL COMPETE

### Match Play Starts September 1 — Prizes and Trophies Being Selected — Women's Title Play Slated

Final arrangements have been practically completed for the holding of the sixth annual southern Oregon—northern California golf championship to be held at the Rogue Valley golf course over Labor Day.

The qualifying round of 18 holes will be played on Friday, August 31. Match play will start Saturday noon, September 1, and will carry through until Monday afternoon.

The tournament committee, under the chairmanship of Larry Schade, is busy selecting prizes and trophies to be awarded to the many winners.

The actual play and drawings will be under the direct play and supervision of Donald S. Clark and Jack Houston, who have always had charge of this important phase of the tournament. Through their efforts in the past this particular tournament has the reputation of being one of the best conducted sporting events on the coast.

Early entries now arriving would indicate that the entry list will break all previous records. It is anticipated that Eugene, Klamath Falls, Ashland and Grants Pass will be represented by greater numbers than in the past. There will also be many entrants from more distant points.

Popularity grows. This tournament is becoming increasingly popular each year and is now one of the outstanding events of its kind in the state.

In addition to the men's tournament, the ladies of the club will hold their championship. This also promises to be a major event this year, judging from the interest already being shown.

The Reames trophy, sponsored by the Klamath Falls club some years ago, will be up for play again this year. It is awarded yearly on the basis of team play. It is a much sought after prize and it is questionable if the local club will be able to retain its possession this year.

Those in charge of the tournament will have an announcement to make later regarding other special events to be held during the course of the tournament.

All Golfers Invited. All golfers in this section are invited to participate in this tournament regardless of their playing ability. Their qualifying score will assure them of being placed in the flights with players playing practically the same score.

Prizes will be awarded to all flight winners as well as to the winners of the better eight and runners-up.

Two dollars is the entry fee. This entitles the entrant to free play on the course from Monday, August 27, to the final day of the tournament.

Local Turnout Urged. As this tournament is becoming an institution in Oregon golfing circles, all local golfers are urged to come out and participate and make this year's event more outstanding than ever. Not only will they be eligible for valuable prizes, but will be assured of several days of real golf over one of the best courses in the state.

### CROISSANT HIGH IN TRAP SHOOT

"Hank" Croissant took high honors Sunday morning at the Medford Gun Club traps when he broke 50 straight from 16 yards and was also high in the special miss-and-out handicap event. Bill Bates and Sid Newton each broke 25 straight and Chauncey Brewer Jr., almost entered the "25 straight" class when he missed his last target, thus finishing with a 24.

In the regular handicap event four shooters tied for first place with 24 out of 25. They were Bill Bates, T. E. Daniels, George Porter and Clarence Eads.

A special tournament and team shoot will be staged by the Medford club on Labor day and it is anticipated that quite a number of out of town shooters will be on hand to participate.

## DEMETRAL NAMED WILSON OPPONENT ON COMING CARD

Another wildman of the ring, Harry Demetral of Chicago, "Terrible Greek," will grapple in the first of the double main event bouts on next Thursday's card at the armory with George "Wildcat" Wilson, ex-American football player from the University of Washington. Promoter Mack Lillard announced this morning, "Bad Boy" Billy Newman of Denver will referee.

Sad Sam Lethers, supple grappler from Texas, will tangle with Al Karasick, Russian Lion, in the other half of the program, which Lillard states will be one of the popular cards featuring unorthodox matwork. Lethers is clean when the going is that way, content to trust to his educated pedal extremities to grind his opponent to dust, but when the air starts to fill with flats he winds up a mean haymaker himself.

Wilson, the California sensation, is spending the entire week in southern Oregon awaiting his fray with Demetral, who will provide him with plenty to take care of if the "Terrible Greek" lives up to his usual reputation of resembling a well-greased bolt of lightning.

## HELEN JACOBS IS WOMEN'S CHAMP

FOREST HILLS, N. Y., Aug. 20.—(AP)—Helen Hill Jacobs sported the women's national tennis championship today without a dissenting vote.

For the third straight year the 26-year old Berkeley, Calif., star won it on her own yesterday, defeating little Sarah Palfrey of Brookline, Mass., in straight sets 6-1, 6-4.

As the result of her third successive triumph Miss Jacobs took a place with Mrs. Moody and Molla Mallory, the only other players to win the championship three times in a row. The doubles championship went to Miss Jacobs and Miss Palfrey, who defeated Dorothy Andrus of Stamford, Conn., and Caroline Babcock of Los Angeles, 4-6, 6-3, 6-4.

## MINERS TROUNCE MERCHANTS, 24-15 AS SEASON ENDS

Jacksonville's Miners, in spite of manager Leonard Hall's pitching, closed their baseball season yesterday with a crushing defeat of the recently boastful Yvile Merchants, 24-15 on the mine camp lot. It was a busy day, with six home runs, seven umpires and two and one-half hours of fly-dropping, grounder missing hilarity, Ernie McIntyre, Ben Coffman and Verne Cantrall twirled for Merchants allowing, all told, 26 hits, four of them for the complete circuit. Hall, who went the full nine for his team, gave up 12 safeties, two of them home runs and fooled five at bat, walking seven.

Art Ferris, Miner outfielder, wound up his play for the year by hitting perfectly, six out of six chances, two doubles, one triple and three singles. St. Johnson hit two home runs, while Williams and Swanson each took the circuit trip once, while Merchant stick work was led by Howard Lattimer, who hit three times in five chances, once for a home run, as did Ben Coffman. Score, for a large part of the game, was uncomfortably close, but Miners maintained a lead from the first inning, when nine players crossed the plate.

## GILMORE'S SWAMP ASHLAND EAGLES BY 11 TO 1 SCORE

Medford's Gilmore Lions defeated the Ashland Eagles 11-1 at the fair grounds yesterday behind the four-hit pitching of Ray Tuntate, ace twirler, and the brilliant work of the Gilmore infield, which nearly ended the game in a shutout.

With the score 7 to 1 in the seventh inning, Manager Chuck Ellis roused the spirit of his Gilmore Lions by treating each to a bottle of beer. The team showed their appreciation by gathering four more runs in the eighth, Dick Lewis stretching his clout to a homer.

As the Ashland Eagles have one of the strongest teams in southern Oregon, the Gilmore Lions now contend that they have an undisputed right to play Hal Haight's Medford Rogues. Despite Manager Haight's doubt as to the possibilities of drawing a crowd, the Lions are confident that one of the largest gates of the season would attend the Rogues-Lions contest. Manager Lewis believes that Haight will give his boys a chance to show their wares against the big league nine.

## ROGUES TO PLAY GIANTS TONIGHT

The Yakima Colored Giants will invade Medford today for a game with the Medford Rogues. The Giants played at Klamath Falls yesterday.

Woodruff, who made a great impression by his work on the mound last Sunday, will start the game tonight with Spears and Hughes in reserve.

Several comedians are included in the negro line-up and fans can be sure of two hours of real entertainment.

The game will be played at the fairgrounds and start at 8:30.

## ROGUES TRAMPLE CALIFORNIA ACES AT YREKA, 10 TO 4

Medford's Rogues defeated the Northern California All-Stars yesterday, 10 to 4 in a game played at Yreka on the Slakiyo county fair grounds diamond.

Bill Sargent pitched for the Rogues and was in great danger, keeping the eight hits made off his delivery well scattered.

The hitting star of the day was Sammy VanDyke, former American Legion Junior player, who connected four times in four times at bat. Bud Reinking starred at second base, handling eight chances without an error.

Each team now has won a game, the All-Stars having won from the Rogues last week. The third and deciding game will be played at Yreka during their Gold Rush celebration in September.

Tonight at 8:30 the Yakima Colored Giants and the Rogues will meet at the fairgrounds diamond.

## DEATH OF RAINEY STIRS CONJECTURE AS TO SUCCESSOR

(Continued from page one)

Funeral arrangements probably will be completed today when Senator Dieterich goes to Carrollton to confer with Mrs. Rainey.

Stocky, with flowing white hair and an ever-present flowing bow tie, Mr. Rainey was a soft spoken leader who could crack the whip when occasion demanded.

Was Dean of House. Dean of the house, having served longer than any other living member, the veteran liberal became speaker on March 4, 1933, when John Garner of Texas became vice-president and presiding officer of the senate. He presided over the last two sessions of the house, one called specially by President Roosevelt on taking office.

During his earlier years in the house, Rainey fought the iron rule of Speaker Joseph Cannon, Republican "czar" of the house. He aided

Senator Norris, then a representative, in breaking down "Cannonism." He supported President Wilson in the world war era, particularly during the terrific fight over the declaration of war against Germany. His services in the house was interrupted for two years by the Harding landslide in 1920, but the 20th Illinois district, which once sent Abraham Lincoln to congress, returned him in 1922.

## Fought Republicanism

During the Harding, Coolidge and Hoover administrations, Rainey fought their policies and predicted dire results. He advocated free coinage of silver, recognition of Soviet Russia and reciprocal tariffs, three things that many then considered "radical." He lived to see the nationalization of silver and fulfillment of his ideas on the other two issues.

With the passing of the years he became more considerate of his political foes, but he was severe in his criticism of Andrew W. Mellon, and later Ogden L. Mills, Republicans, during the tenure of each as secretary of the treasury.

A native of Carrollton, Ill., where he was born August 20, 1860, he attended Amherst college, Massachusetts, and the Union College of Law, Chicago, and returned to Carrollton to practice law. Always around Carrollton, however, he was known as a farmer, owning 320 acres. His father and grandfather before him had been farmers.
