North India and central Asia contain moose remains from every geologic age in the history of the world.

"It's dad's fault..."

"He said he liked White Star Tuna SIX times better than anything else... so I opened SIX cans."

White Star Tuna is the brand that made tuna famous. For 21 years it has been the preferred brand, because only the delicate, delicious, tender light meat is packed... and priced so inexpensively. American housewives buy more of this quality tuna than all other brands combined! And... if you bought a MILLION cans, you'd find them all the same high quality!

For 21 years the preferred brand, because only the finest of the catch is packed.

It's Hot!

DO YOU OWN A GRUNOW?

You must see them to fully appreciate their beauty and all-round value. Grunows are low priced, considering their outstanding quality. Let us show you why a GRUNOW is superior.
