## At Craterian

Practically every one has—as one time or another—read Robert Louis Stevenson's great adventure story, "Treasure Island." The motion picture version of the novel comes to the Craterian theater Sunday with Wallace Berry as Long John Silver and Jackie Cooper as Jim Hawkins, the boy who loves and worships Long John, even after he learns his pal is a pirate.

Supporting Berry and Jackie are Lionel Barrymore, as Billy Bones; Otto Kruger, as Dr. Livesey; Lewis Stone, as Captain Smollett; "Chick" Sale, as Ben Gunn, a part he is said to literally "eat up"; Nigel Bruce, as Squire Trelawney, and a host of other screen favorites, including Charles Bennett, William V. Mong and Cora Sue Collins.

Great expense was borne to make the story on the screen as realistic as possible, with the good ship Hispaniola bearing not a small portion of the expenditure in an effort to recapture the romance it plays in the story.

Undergoes Operation—Mrs. H. Herzman of Union Creek underwent a major operation at the Community hospital today.

## PICNIC PLACE ON ROXY ANN READY

Picnic facilities in the Roxy Ann park now being constructed on the slopes of the mountain, are available to the public. It is reported by several who have visited the spot, impressed by the coolness and convenience it offers on hot days for Medford folk who wish to spend a day picnicking.

Tables, rustic seats, a swing for children and artistic masonry work make the grounds, which are located at the spring just below the top, a refreshing place for an outing. Trees are plentiful in the region, which is accessible by a good roadway, and a cool breeze is always present, visitors say. All undergrowth and poison oak has been cleared away.

## Buck Jones Comes To Roxy Saturday

Heralded as the new possessor of the crown once worn by William S. Hart and later by Tom Mix, the new popular exponent of outdoor action, Buck Jones, comes to the Roxy theater tomorrow in "The Main Trailer." Jones is cast as an outlaw from justice who leaves a gang of desperate renegades to become a marshal, fighting to maintain law and order in a hectic little town that is the center of a feverish gold rush. Thrills are said to develop in fast order when the gang of bandits swoops down to loot the town and Buck rides to stage a one-man battle against them.

As the instigator for Buck's more romantic moments there is little Cecilia Parker.

## Honorable Guy

Joe E. Brown is at the Studio theater today in "A Very Honorable Guy." Joe has the role of a tin-horn gambler whose reputation is so good that he is able to sell his own body to get a stake, the contract giving him 30 days of grace to deliver his own corpse.

With a month to live, Joe is said to go through some of the most exciting incidents and uproariously funny situations that any man ever experienced.

RAINIER, Ore., Aug. 24—(AP) The large sawmill formerly belonging to the American Export company was leveled by flames which swept in from nearby slashings yesterday. The mill was the property of Columbia county through tax foreclosure.

**'IS WORLD DICTATOR JUST AHEAD?' TOPIC OF EVANGEL TONIGHT**

Science, to complete its theory of evolution, is looking for a "coming superman," said Evangelist J. Lewis Arnold of Seattle last night, who is conducting a revival campaign at the Free Methodist church at Tenth and Ivy streets.

Political and economic conditions have called forth national dictators, and the world now looks for an international dictator to harmonize the whole," he continued. "The Jew looks for his Messiah to sit upon the throne of his father David and rule the world. The Bible tells of the anti-Christ who will be paid homage and worshipped by the world generally, but before the anti-Christ appears a system will be in formation or completely formed for his reign."

Tonight Rev. Arnold will discuss "Is the World Dictator Just Ahead?" answering the following questions: Is the anti-Christ system being perfected? Is it in our schools and churches? What does Will Rogers say?

Saturday night the subject for discussion will be, "Is Mussolini the Coming World Dictator?" The following questions will be answered: Does Mussolini think he is the man? Is the old Roman Empire being revived, and what is the prophetic significance? What are the doctrines of Fascism? Rev. E. N. Long, pastor, announced there will be services each evening at 7:45 with three services on Sunday. The public is cordially invited.
