

# SWIM CARNIVAL AT NATATORIUM WEDNESDAY EVE

Because several of the strongest swimmers who were to take part in the water pageant at Merrick's Natatorium next Friday will be unable to attend, the event has been changed to a demonstration instead of a pageant, and will be held Wednesday night, Aug. 29 at 7:30. Miss Marjorie Kelly, supervisor, announced today.

The change was made because of the approaching end of the season, which prohibited postponing the event.

The same program will be presented, Miss Kelly said, with a few additions, and the demonstration will be just as interesting. Life saving methods, formation floats and other demonstrations will be shown.

All members of the classes who have been instructed during the summer at Merrick's will take part. Miss Kelly stated that next year a pageant will be held in the spring, to start the swimming course.

The entire group of participants is asked to meet tonight at the Natatorium at 7:30.

# PICHE HAS SALE BEFORE MOVING

Simultaneously Al Piche's new store location in the Deuel building, next to Luman's fine new establishment, is being remodeled while the removal sale at the hardware and sporting goods store at 327 East Main street is in full swing.

Instead of paying draying companies to move Al Piche's merchandise from its present location to the new store he is offering everything in hardware, electrical goods, cooking utensils, garden tools, sporting goods, fishing tackle and leather goods, at drastically reduced prices to make room for new fall and winter articles.

This is only the second big sale ever to be conducted by Al Piche during his years of business in Medford and hundreds of customers from all parts of southern Oregon have already taken advantage of the low prices on high quality stock, according to Mr. Piche. His store has become a favorite headquarters for fishermen and hunters who seek information regarding tackle, ammunition and the best fields for their sport, and real bargains are being offered in these departments.

Goodrich gives you MORE than a "printed" guarantee

A "PRINTED" GUARANTEE ALONE MAY PROTECT YOUR TIRE INVESTMENT—BUT HOW ABOUT YOUR LIFE?

Here's a tire guarantee that gives a new meaning to motoring safety... a guarantee that protects not only your pocketbook, but your life as well!

Goodrich, of course, guarantees the new Safety Silvertown passenger car tire, with the Life-Saver Golden Ply, for a full 12 months (business use, 6 mos.) against accidental damage due to cuts, bruises, blow-outs, rim cuts, faulty brakes, wheels out of alignment, and ordinary wear and tear as specified in the written Certificate of Warranty given with the purchase of every Goodrich passenger car tire. But, more, Goodrich builds the Life-Saver Golden Ply into every Silvertown.

This amazing invention makes you 3 times safer from blow-outs at high speeds. Racing daredevils proved this. On the world's fastest track they gave it everything they had. Not one blow-out! Similar

tires without the Life-Saver Golden Ply failed at one-third the distance the Golden Ply Silvertowns were run. And what's more, the Golden Ply Silvertowns kept right on eating up the miles!

No other tire manufacturer can duplicate this in full. Other tires may duplicate the Goodrich warranty. But only the new Goodrich Silvertown can guarantee you the exclusive blow-out protection of the Life-Saver Golden Ply.

—And A Guarantee That Really Means Something!

When you're buying tires, remember this: "paper" guarantees may protect your investment but they won't save your life when your tire blows out going 40, 50 or 60 miles an hour! Play safe. Get the new Goodrich Silvertown... the only passenger car tire in the world that guarantees you Golden Ply blow-out protection, plus a full 12 months' guarantee (business use, 6 mos.) Come in today.
