

# ZELLA E. WELCH DIES SUDDENLY WHILE AT WORK

while at work packing fruit. She was born April 25, 1880, in Yamhill county and died at the age of 54.

Zella Edna Welch, pioneer resident of southern Oregon, where she has resided for the past 50 years, packed away suddenly at Pinnacle packing plant No. 2, Monday evening at 7:30.

Although she had been warned by her physicians that she could not stand the work, she thought it would not hurt her, and according to Frank Isaacs she was one of his most loyal workers, having been under his employ for the past thirteen seasons. She was an excellent fruit packer, having been packing for 17 years.

Mrs. Welch has been ailing for the past several months, being troubled with gastric and heart ailments which, along with the hot weather, was too much for her. She leaves many friends in southern Oregon who will mourn her untimely passing. She with her children, made their home at 525 West Second street, this city. Mrs. Welch was united in marriage to Edward C. Welch at Medford, Ore., in November, 1903. Mr. Welch passed away March 16, 1925.

She leaves to mourn her loss, one daughter, Ardath Y. Welch; three sons, Robert E. and Edward C. Welch of Medford, Ore., Donald J. Welch of Rockwell Field, Corvallis, Calif.; her aged mother, Mrs. Melvina Yocom of Alesia, Ore.; three sisters, Mrs. Mary Paul of Medford, Mrs. Yada McClanahan of Medford and Mrs. Susie Stouder of Alesia, Ore.; six brothers, Albert of Myrtle Creek, Ore., Thomas, Fred and Paul of Medford, Granville and McKinley of Alesia, Ore., and two grandchildren, Frederick and Roger Welch of Medford.

Funeral services will be held at the Perle Funeral Home, Thursday morning at 10 o'clock, with interment in the Jacksonville cemetery.

# BATEMAN'S INFANT SON PASSES AWAY

Kenneth Edward Bateman, infant son of Mr. and Mrs. Sam Bateman, passed away at the family residence, 715 West Jackson street, Monday morning at 10:45, after a short illness.

Kenneth was born at Medford, Oregon, March 16, 1933.

Besides the mother and father, he leaves a brother, William Wendel Bateman, aged 3 years, also the grandparents, Mrs. C. W. Whitlock, and Mr. and Mrs. Samuel Bateman, all of Medford.

Funeral services will be held from Perle's home Wednesday afternoon at 2:30 with Reverend D. E. Millard officiating. Interment will take place in the Medford I. O. O. F. cemetery.

### Miss Humphreys to Entertain at Bridge

Miss Cecil Humphreys will entertain with several tables of contract bridge this evening at her home on West Main street.

# IRRIGATION ENDS IN MEDFORD DIST.

Irrigation season for the Medford irrigation district ends this week, according to General Manager Olen Arnsperger. The latest irrigation season has been ended for some weeks. The close came at the time Manager Arnsperger predicted it would.

There is some water remaining in the storage points of the Medford district but it is not sufficient for general irrigation. The small flow will be used for gardens, or where it is most needed.

Water of the Medford district was conserved and rationed all season. Aided by a cool summer, and the co-operation of landowners, plus a few moistening showers, the crops

### MODERN WOMEN

came through, in what Manager Arnsperger described as "fair shape." All could have used more water but "got by" by using sparingly.

No extreme hot weather was experienced until after the bulk of the fruit and crops had been harvested.

# NAME DISTRIBUTOR FOR GOLDEN GLOW

Thirty southern Oregonians who enjoy a cold glass of beer will welcome the announcement made today by Harry J. McGill, Oregon representative for the Golden West Brewing company, that Lost River, Incorporated, of this city has been selected as distributors in this district for Golden Glow beer. This well known brand, scoring sales records in California, is now in Medford, according to McGill, and will soon be available at a number of local firms dispensing beer.

Golden Glow Air, also a product of the Golden West Brewing company, will be distributed here by Lost River, Incorporated. The Golden West company has a record of over seventy years of brewing experience.

To combat a jackrabbit plague, the commissioners of Collingsworth county, Texas, offered a 5-cent bounty on each pair of rabbit's ears for a 60-day period.

Water consumption in Kansas City, a community of 400,000 population, was at the rate of more than 80,000,000 gallons every 24 hours during the worst of the July hot spell.

# ORGANIZER FOR REDS SOUGHT BY OFFICIALS AFTER ACTIVITY HERE

County authorities are looking for an organizer for the "Communist Party of the World," who is reported to have sought membership in this city last Saturday, payable in advance.

Wig Ashpole was getting his shoes shined when the organizer appeared, and requested a word with William (Sonny) Austin, the bootblack. When asked to join, the organizer was informed by Austin, "I have enough troubles of my own." The organizer left in Communist disgust.

District Attorney George A. Codding said the soliciting of memberships in an organization, having for its purpose the destruction of the present form of government, comes under the provisions of the Oregon criminal syndicalism law.

The law, at the last session of the legislature was considerably hacked by revisions, until much of its original strength was weakened. According to District Attorney Codding, it has a few teeth left, however.

The authorities have received "tips" that Communist organizers plan to invade this county in the fall in a campaign for members. The one launched at the start of the fruit season was nipped by concerted action on the part of citizens and officials.

# Hurling Mat Foe At Commissioner Found Bad Form

CHICAGO, Aug. 28. — (AP) — Wrestlers throwing other wrestlers out of the ring is one thing, but throwing them as members of the Illinois State Athletic commission, is something else again.

Jack (Bad Boy) Brown, light-heavyweight grunter from Shreveport, La., was under indefinite suspension today, for having tossed Ralph Garibaldi into the lap of Joseph Triner, chairman of the Illinois commission, during a bout last night. Triner was not seriously injured.

# Schilling Hungarian Paprika

The North Carolina Symphony orchestra, composed of musicians recruited from the ranks of the unemployed, made a tour of that state recently, playing to large audiences in every city.

The authorities have received "tips" that Communist organizers plan to invade this county in the fall in a campaign for members. The one launched at the start of the fruit season was nipped by concerted action on the part of citizens and officials.

# Scores Yesterday

American League.  
At Philadelphia, 0; Detroit, 11.  
At New York, 3; Chicago, 2.  
At Boston, 5; Cleveland, 6.  
At Washington, 6; St. Louis, 1.

# Smiling ASSOCIATED SERVICE is DIFFERENT—A candid camera discovery!!

After months of shooting all over the Pacific Coast, a candid camera-man writes:

Find Associated Dealers consistently go beyond ordinary rules of service. Thousands of stations go through the motions of cleaning windshields, etc., etc., but Associated Dealers add to that a real interest in your car. Might call it friendly helpfulness. This is shown in so many different ways as to make difficult to describe. One dealer saved customer bad accident through careful tire inspection, another caught a bad fan belt just in time. Another . . . can give you hundreds of examples. Spirit behind it is different. Don't believe word Smiling goes far enough . . .

If you talked with this reporter he would tell you that the reason for the difference is the fact that in Smiling Associated Service each dealer owns his own business. Men, owners of their own business, go beyond the rule book of service—they serve in a personal friendly way, your special individual needs.

Back of these men is a uniform service creed. Here "friendliness" and "courtesy" are the main rules—they result in the many phases of extra helpfulness that make Associated motoring better. Just as Cyclo Motor Oil makes it safer and FLYING A Gasoline makes it smoother and quieter.

*This old timer has seen the inside of every make of car that's worn rubber in the past 20 years. He can smell trouble before a car hits his driveway. You can trust your car to an Associated Dealer.*

Less oil drag...More speed...  
Less wear...that's what New Cyclo means to your car. Why? Because Cyclo's solvent-refining removes more impurities than any other process.

Ask for the new Associated Road Maps. The most complete maps ever offered.

*Caught in the act of convincing Mrs. L. that tires are not permanent parts of an automobile. Through tire inspection is a regular part of Associated Service.*

*It pays to be a "regular" Associated customer. Of course dry-cleaning is not the usual thing but many unusual things happen in Smiling Associated Service.*
