PEAR SHIPMENTS OVER 1000 CARS

Pear shipments of the Rogue River valley passed the 1000 mark yesterday when the shipments to date totaled 1008 cars. Of this total, 597 cars were dispatched to Willamette valley and California canneries. The remaining 509 cars, the bulk, chiefly Bartlett's, are held in Klamath Falls, Portland, Ogden, Utah, and eastern storage plants, awaiting orders for sale or shipment. Two cars of Newtown apples have been shipped.

Movement of Rogue River Bartlett's, which have been held in storage awaiting close of the California Bartlett season, will start about September 1, according to E. R. Heter, manager of the Pinnacled Packing company. Heter says that by September 10, the California Bartlett's will be off the market, and the Rogue River Bartlett's start moving to eastern markets.

First large export shipment of the 1934 season is scheduled to sail September 8 for Europe, from Portland board the motorship, "California Express." The shipment will consist of approximately 30,000 boxes.

Manager Heter says that as soon as the Bartlett market clears, the marketing of Boxes will start, to be followed by D'Anjou's variety.

WINNING GRAPPLER HOPES FOR CHANCE TO MEET SAVOLDI

Tomorrow night in the main event at the armory George "Wildcat" Wilson, University of Washington's famous flying tackle, and Sad Sam Letters, high-stepping Texan, may possibly grapple it out for the right to meet "Jumping Joe" Savoldi, ex-grappler, in the main event of the following card. Promoter Mack Lillard announced yesterday, after returning from a trip to Portland, where he negotiated with Savoldi, that either Wilson or Letters would make a perfect match for "Jumping Joe." Lillard states, as both are sensational and clever matmen. If Wilson, an ex-All American half back himself, should step in the ring with Savoldi, the result would be a combination sure to result in more high powered wrestling than has tickled the palates of Medford fans in many years.

Sad Sam, the rubberized grappler with brains in his legs, would also give Savoldi considerable action, if the tall southerner keeps his recent string of victories unbroken and emerges the winner of tomorrow night's main event.

To start the evening off at the proper tempo, with everything in the game thrown in two of the ring's most formidable widmen will tangle in the first act when "Awful Al" Keraskick, Huston Dutch mat, and Billy Newman, Denver's heady, tackle for one hour or two out of three falls.

Promoter Lillard stated yesterday that Fireman Ray Frisbie will probably settle disputes. The popular uniform admission rates are already drawing a big advance sale.

ASHI AND GOLFER MEDALIST WINNER

GEARHART, Ore., Aug. 29.—(AP)—B. Bentley, Ashland, Ore., yesterday won medalist honors for men over 32 in the qualifying round of the Oregon coast seventh annual midsummer golf tournament, shooting a 73 for the 18 holes. George Warren, Portland, was second with a 74.

Dick Helges, who shot his qualifying round Monday still holds medalist honors for men under 32, though considerable competition has developed with frequent low 70s menacing his 69.

In the women's division, Miss Charla Linger, Portland, medalist in the qualifying round yesterday defeated Mrs. A. E. Penhall, 7 and 5 in the first round play. Mrs. Daisy Muck, Portland women's champion, beat Janet Meeklen, 8 and 3.

FIRPO WINS NOD OVER FOX WITH AGGRESSIVENESS

Title Bout Saved From Tameness by Idaho Boy's Determination to Fight—Both On Canvas in 5th

PORTLAND, Aug. 29.—(AP)—Young Firpo, former Burke, Idaho, miner, retained his Pacific coast light heavyweight boxing honors here last night when he turned back the challenger, Tiger Jack Fox, of Indianapolis, before an enthusiastic crowd of 6000 fans at Multnomah stadium.

Referee Tom Louttit was undoubtedly influenced in his decision by Firpo's aggressiveness for had it not been for his efforts to make a fight of it, the bout might have been a tame affair. On the score by rounds Firpo was credited with five, Fox three and two were even.

Both men scored knockdowns in the fifth inning, the most spectacular of the battle. Firpo went down first from a right to the chin. He bobbed up before a count could be made. A left and right to the chin sent the Tiger down for a count of one.

Fox was late in starting, permitting Firpo to do most of the work in the early rounds. Fox' best round was the ninth in which it looked for a moment as if he would knock his opponent out.

Firpo weighed 172 1/4 pounds, Fox 174 1/2. Ritchie Fontaine, 125, Missoula, defeated Elmer (Buzz) Brown, 128, Portland, six rounds. Whitney Neal, 128, St. Mary's, B. C., took a four round decision over Edna Spina, 131, Portland; Tommy Ross, 154, The Dalles; and Bill Overby, 149, Spokane, went four rounds to a draw; Billy Lee, 137, Reno, and Jimmy McLeod, 135, Tacoma, drew six rounds; Al Spina, 119, Portland, won over Johnny Hayes, Peoria, six rounds; and Kermit Stewart, 130, Portland, battled to a draw with Al Musola, 126, Clatskanie, four rounds.

THOMAS' FIREBALL FOOLS MISSIONS

(By the Associated Press) The Missions were in complete agreement with the rest of the Coast League today that Fay Thomas of Los Angeles throws the circuit's fastest ball.

The husky right hander stopped the Reds, 7-1, last night to send the Angels three full games ahead of Seattle. The Indians encountered more California trouble at Oakland and were beaten, 3-1.

In registering his 23rd triumph of the season to hold his place at the top of the Coast league hurlers, Thomas struck out 14 of Sergeant Gabby Street's boys and held them scoreless in the last eight innings. The Angels banged away at Clarence Mitchell and Pete Dugals from the opening inning on, collecting a dozen blows, among them Jimmy Reese's triple and single.

Armageddon Topic Evangelist Lewis

"Armageddon" will be the subject for discussion by Evangelist J. Lewis Arnold of Seattle at the Free Methodist church tonight. "Will churches and church members escape the 'tribulation' described in the Bible?" and "What will this tribulation be like?" are two of the questions that will be answered. Services are to continue this week only, says the Rev. E. N. Long, pastor.

15 U. S. ATHLETIC MARKS ENTERED IN WORLD BOOK

STOCKHOLM, Sweden, Aug. 29.—(AP) Fifteen American marks, including Bill Bonthron's 3-48.8 for 1500 meters and Glenn Cunningham's 4:06.7 for the mile, are among the track and field records accepted by the Congress of the International Amateur Athletic Federation as world standards.

The other American records given world recognition: Shot put—Jack Torrance, 17.40 meters (57 feet 1 7/32 inches). 110 meter high hurdles—Percy Beard, 14.2 seconds. 400-meter hurdles—Glen Harbin, 50.5 seconds. 220-yard low hurdles—Norman Paul, 33 seconds (ties). High jump—Walter Marty, 206 centimeters (6 feet 9 1/8 inches). 100 meters—Ralph Metcalfe, 10.3 seconds (ties). 200 meters—Ralph Metcalfe, 20.6 seconds (ties).

800 meters—Ben Eastman, 1:02. 600 yards—Ben Eastman, 1:48.4. 400 yards—Ben Eastman, 46.4 seconds. 900 yards—Ben Eastman, 1:09.2. 860 yards—Ben Eastman, 1:49.8. Mile—Glenn Cunningham, 4:06.7. 1500 meters—Bill Bonthron, 3:48.8. Shot put, both hands—Jack Torrance, 28.08 meters (94 feet 1 11/16 inches).

All but three of the marks—those credited to Paul in the hurdles and Metcalfe in the sprints—displace present records. Those three merely tied standards already accepted. It was the finest American showing in years and definitely shows the United States to be the top of the track and field heap.

Most astounding of the new records is the shot put mark of Torrance, Louisiana State university giant. His record performance eclipses by 4 feet 3 11/32 inches the old standard of 52 feet 7 1/2 inches set by Z. Hellasz of Poland in 1932. Decathlon records accepted by the congress are: 1000 yards—Luigi Beccali, Italy, 2:10. Four miles—Volmar Iso Hollo, Finland, 19:01. 3000 meters—Henry Nielsen, Denmark, 8:18.4. Two hours—Ernest Harper, England, 33,653 meters. Discus—Harald Anderson, Sweden, 52.54 meters (171 feet 11 1/2 inches). Javelin—Matti Jarvinen, Finland, 76.10 meters (249 feet 8 3/16 inches). Decathlon—Hans Stevert, Germany, 8790.46 points.

LOCAL ENTRANTS URGED TO HURRY QUALIFYING PLAY

Twenty-two non-club members have registered for the forthcoming Southern Oregon-Northern California golf championship tourney, slated to open on the Rogue Valley links August 31. Entries continue to come in from outside points. While a number of the entries are low handicap players, the majority are divot diggers whose cards read in the higher brackets.

Local players are showing considerable interest and it is expected that at least 50 will be entered by tonight. The tournament committee is urging that all Medford golfers arrange to play their qualifying rounds not later than Friday morning as the field is going to be unusually large. Qualifying rounds may be played any time from Thursday morning on. Those starting qualifying rounds should notify Jack Hueston, club pro, of such intention.

This evening at 6:25 Hueston will give a short talk over KMED regarding the tournament and the following night, Henry Pringle, the defending champion, will discuss over KMED his chances of repeating.

ere Harry Elliot, after the latter had handed Fenton a knockout punch. Don Sugal, Salem Japanese, won the opening match from Fred Mitchell of Walls, Walls by taking one fall in the half-hour match.

REED FLOPS HEINZ TWO OUT OF THREE

SALEM, Ore., Aug. 29.—(AP) Robin Reed, Reedsport grappler, celebrated his first appearance here in several weeks by dropping Cowboy Heinz, Burns, for two out of three falls in last night's wrestling headliner here. Reed Fenton's bellows and ragings proved ineffectual as Pascual Castillo, popular Spantard, split the first two falls with the Canadian and was awarded the match by Referee Harry Elliot, after the latter had handed Fenton a knockout punch.

STEELHEAD REACH GRANTS PASS AREA IN RUN UP ROGUE

GRANTS PASS, Aug. 29.—(Sp.)—While there has been no great invasion of steelheads in the Grants Pass section of Rogue river, they are more plentiful than they were a week ago and many more have been taken, Joe Wharton says in his weekly fishing report.

Forest Betts, from Los Angeles, took a four pounder Monday. To show his guests how to do it, Rainbow Gibson a few evenings ago took a nine-pound steelhead on Royal Coachman Bucktail at Hardy riffle.

Every day reports coming in from different riffles indicate that the run of steelheads which came in at the mouth of the river a few weeks ago are now reaching this section. Parties returning from a trip from Grants Pass to Gold Beach by boat reported steelheads plentiful in deep pools where cold tributaries enter the river.

Another week or ten days, with a change to cooler weather, should see fair steelhead fishing along this middle section of the Rogue.

Trout fishing is also improving as the season advances and good catches were made over a last week-end. Large cut-throats are more plentiful and some good ones have been taken on fly, spinner and bait. Don King, fishing the riffles above the golf course, caught eight, the largest 16 inches long.

Marvin Clark, after spending two or three days driving from stream to stream on the coast in search of good fishing, returned home and in 15 minutes from his home was on his favorite riffle where he proceeded to take his limit in a couple of hours.

Our prediction is that the fishing season on Rogue river has only just started and from now on until winter storms set in, will continue to improve.

PORTLAND, Aug. 29.—(AP)—As a result of the 60-day dog racing meet concluded here Monday, a total of \$84,474.16 will be the state of Oregon's share, Murray Kemp, manager of the Multnomah Kennel club announced here today.

Kemp said \$75,000 has already been paid into the state treasury. Of this amount, \$25,000 will go into the Pacific International exposition operating fund and an equal sum to the state fair at Salem. County fairs will receive \$19,000.
