Paul Menegat was today announced as acting principal of the senior high school, until such time as E. H. Hedrick, superintendent of the Medford schools, is able to return here. Several other vacancies have been filled by school officials.

Charles Glenn Smith, who today announced the filling of vacancies, said there were several to be announced later.

Mr. Smith also urged that students planning to go away to colleges and universities this year, should get requests for transcripts into the school offices immediately.

WRECK OF TRUCK SPILLS CHERRIES

GRANTS PASS, Aug. 30.—(Sp.)—Knee deep in cherries, three men worked 11 hours Tuesday night to recover a refrigerator express truck from its up-side-down position off the Pacific highway north of Sexton mountain.

The accident occurred at 4 o'clock Tuesday afternoon when defective brakes caused the truck to run away and roll down a bank off the highway, James Campbell reported. The driver, R. F. Lucas of Seattle, was unhurt, but his load of ten tons of cherries was widely scattered over the hillsides.
