INSPIRATION FOR LETTER RECEIVED FROM 'SVENGALI'

(Continued from page one)

ed by telephone when and how to deliver it. It was understood the letter threatened the president's grandchildren would be done bodily harm after they were kidnaped, if the money were not paid.

Told to String Along

It said also that if Mrs. Roosevelt failed to "string along" with the "gang," the president would be harmed.

The president and Mrs. Roosevelt at Hyde Park expressed surprise when informed of the threatening letter and Varn's arrest. Marvin H. McIntyre, presidential secretary, said they felt no concern and urged that the prisoner be given careful attention.

Richard Jervis, head of the secret service detail guarding the president at the Summer White House, expressed the belief the arrested man needed hospital attention.

"Buzzie" and "Sistie" Dall are at the estate of Spencer Aldrich at Bayshore, L. I., unaware of any threats or plots. Members of the Aldrich household said their father, Curtis B. Dall from whom the president's daughter recently was divorced, had not been informed of the threatening letter. The two children have been with him for several weeks and will rejoin their mother at Hyde Park in a few days.

PHILADELPHIA, Pa., Aug. 31.—(AP)—While the nation throbbed with news of a kidnap threat against three of President Roosevelt's grandchildren, a fourth grandchild slep in his crib here unguarded.

He is the president's second grandson, William Donner Roosevelt, 21-months-old son of the first marriage of Elliott Roosevelt.

His name was not mentioned in the kidnap "plot" against his half-sister, Ruth Chandler Roosevelt, Elliott's daughter by his second marriage; and "Buzzie" and "Sistie" Dall.

His mother, Mrs. Elizabeth Donner Roosevelt, of Villanova, said: "We are not worried here. My baby is safe and well."

Elliott Roosevelt married Elizabeth Donner in January, 1932. She received a divorce decree in July, 1933, and he remarried soon after.

"Jackson county people who expect to visit the Josephine county fair are requested to attend on Saturday.

"Mr. Dunne will not hesitate to tell where he stands on all issues affecting the people of Oregon which has been acquired by long residence in this state, his successful business career and his eight years' service in the legislature from Multnomah county."

SALEM, Aug. 31.—(AP)—Joe E. Dunne, republican nominee for governor, accompanied by Arthur Priaulx, chairman of the republican state central committee, left here for southern Oregon today after spending a few hours in Salem in conference with state officials.

The two expect to make stops at Albany, Eugene, Roseburg, Grants Pass and Medford.

Dunne stated here that during extensive travels over the state he had encountered considerable encouragement regarding his election this fall.

SECURITIES ACT HIT BY LAWYERS

MILWAUKEE, Aug. 31.—(AP)—The American Bar association, nearing the end of its 57th annual convention, today took a parting shot at the Roosevelt new deal by accepting the report of a special committee which criticized the securities act of 1933 as riding "rough shod over legal principles."

The report recommended the act be revised "with the aid of corporation directors and executives, bankers and lawyers familiar with the practical problems" of finance. The revision was urged in the interest of "simplification and clarification," and contemplated 14 amendments, some of which have already been passed by congress.

LINN CO. PIONEER BURNS TO DEATH

ALBANY, Ore., Aug. 31.—(AP)—Samuel W. Gaines, 91, Linn county pioneer of 1852, burned to death in a fire that destroyed his home near Crabtree, east of Scio, early today.

His stepson, Jack Griffin, was severely burned about the head and hands in an attempt to rescue the aged man. Mrs. Belle Archer, a stepdaughter who also was sleeping in the house, escaped injury. Cause of the fire was undetermined.

The historic Gaines home, which was a total loss, was built in 1850 and originally housed Linn county's first postoffice. Four children survive Gaines who will be buried in the Providence cemetery near his home Sunday.

ACCIDENT VERDICT BY CORONER JURY IN GARRETT DEATH

A coroner's jury returned a verdict of accidental death this morning at Conger's Funeral Parlors in an inquest into the death of George Lacy Garrett, Sams Valley farmer, who was killed Thursday afternoon while cleaning a rifle.

Coroner Frank Perl gave as cause of death a bullet through the left chest and hemorrhage. Witnesses at the inquest, conducted by Attorney George Codding and Coroner Perl, were Dr. W. G. Bishop, who examined the body when called to the scene of the tragedy; Mrs. Bessie Garrett, wife of the deceased, and Ellis and Glen Garrett, who reside with the Garretts at the Sams Valley farm, but who are not relatives, officers stated.

Jurists who turned in the verdict were E. H. Sleight, Leslie Van Doren, I. T. Bebb, Earl Beall, Harold F. Larson and F. E. Bigalow.

Lieut. A. G. Dunn of the state police, Phil Stansbury of the sheriff's office, Codding and Perl were called to the scene Thursday at 2:30 p. m. by Mrs. Garrett, who had heard the shot and rushed to the back porch to find the body. The deceased lived for 20 minutes after the shot was fired, state police stated, but did not speak.

State police said that Garrett and Glen Garrett had finished the noon meal dishes and had gone to sit on the back porch. Later Glen Garrett left for the barn. George Garrett went into the house, got his gun, a 35-20 Wiuchester carbine, took it to the porch and started to clean it. Mrs. Garrett was inside taking a nap, and Ellis Garrett was writing a letter when the gun apparently went off accidentally.

George Lacy Garrett was born at Corvallis, Februry 27, 1867.

He had formerly resided near La Grande, Ore., but upon retiring came to Medford about 10 years ago and for the last 10 months had resided in Sams Valley.

Besides his wife he leaves two brothers and one sister—E. H. and R. W. Garrett and Mrs. S. A. Tuttle—all of Elgin, Ore.

The remains will be forwarded this evening to La Grande and burial will be at Summerville cemetery. Mrs. Garrett will accompany the body.

SINCLAIR GARNERS ASTONISHING VOTE

SAN FRANCISC, Aug. 31.—(AP—The full measure of Upton Sinclair's smashing victory for the Democratic nomination for governor of California, which left party lines wavering, became apparent today in nearly complete returns from Tuesday's primary election.

Sinclair, who left Pasadena shortly after midnight for a "courtesy call" on President Roosevelt at Hyde Park, swamped his eight opponents in the Democratic race and polled some 77,000 more votes than the Republican nominee, Acting Governor Frank F. Merriam, the returns showed.

The Sinclair votes in unofficial tabulations from 10,129 out of 10,703 precincts was 407,710. His closest rival, George Creel, received 269,720. Acting Governor Merriam's Republican vote in 10,182 precincts was 325,698.

SLAP AT NEW DEAL ANGERS RUSSIAN

TARRYTOWN, N. Y., Aug. 31.—(AP)—A young unnaturalized Russian was arrested today after he had ruined with flaming acid the ironic mural of the New Deal, hung here in the exhibit of the Westchester Institute of Fine Arts.

The man gave his name as John Thompson, 26, the Bronx. He said his only reason for attacking the Lampoon painting, "Nightmare of 1934," was to efface the portion which caricatured Mrs. Roosevelt. He was held on a charge of malicious mischief.

The picture was burned by naptha flames in three places and will not be rehung, it was announced.

CONFUSION ENDED ON BRAN

New Ruling Makes Labels Accurate

To protect the buying public, the United States Food and Drug Administration has advised that every package of cereal labeled "Bran" state on the label exactly what it contains.

Before this ruling, even part-bran products were sometimes mistakenly referred to as "Bran." It was not easy for the purchaser to distinguish between a cereal that was entirely bran, or all bran with flavoring, and another that was mostly wheat.

Kellogg's ALL-BRAN is labeled "ALL-BRAN Deliciously Flavored with Malt, Sugar and Salt," a statement which describes the product fairly and honestly.

Kellogg's ALL-BRAN has won millions of friends because it corrects most types of common constipation safely and pleasantly. It furnishes generous "bulk"—needed to promote normal elimination.

However, ALL-BRAN is not a "cure-all." Certain types of intestinal disorders should be treated only on a physician's advice.

When you buy a bran cereal, for the relief of constipation, read the wording on the package. The facts are there! Make sure by asking for Kellogg's ALL-BRAN. It furnishes "bulk" in a form for satisfactory results.
