

ANNOUNCE PAIRING FOR ANNUAL P. A. T. GOLFING TOURNEY

1934 Renewal of Local Classic Gets Under Way Saturday — First Brackets to Be Complete Sunday

Pairings for the 1934 annual P. A. T. golf tournament, to get underway tomorrow at the Rogue River Valley golf course, were selected today with a total of 128 contestants, Jack Hueston, club pro, announced.

Match play will be held each week. First brackets of the tournament must be completed before Sunday night, so that next week's pairings may start their elimination rounds immediately, Hueston said. Second brackets will be played off next week, and so forth until the field is thinned down to the finals.

It is a handicap event, with three-fourths of the difference between handicaps allotted.

Pat Patterson, president of United Airlines, and Ralph Virdin and Grover Tyler, both pilots for United Airlines on the local route, are the sponsors of the tournament, which is always held immediately following the southern Oregon-northern California tournament.

Anyone who has been accidentally overlooked in this year's pairings is asked to get in touch with Jack Hueston. Entrants are also asked to find their partners each week to make arrangements for matches, and should notify Hueston if unable to do so. Match play must be completed in each week's rounds by Sunday night.

J. B. Kirk is 1933 winner of the P. A. T. trophy, which was won in 1932 by Alfred Carpenter and in 1931 by W. C. Townsend.
