(Continued from page one)

Mr. Goldy brought before the coun-ell the inconvenience to traffic in the present condition of the atreet, and the resultant loss in property value He stated that more than 80 per cent of the owners are willing to pay their share in making the improvement. Pred Scheffel, city superintendent, stated that he has received word from the highway department that state funds are unavailable. An effort was made to secure state funds through the contention that Main street is a portion of Crater Lake highway.

Superintendent Scheffel pointed to investigate the distribu tion of \$68,000 by the state highway department, which has been allocated for Junction City, Grants Pass, Medford and Ashland, according to popuiation and mileage of secondary and primary roads. An effort will be made to determine when and in what proportion the funda will be dis-tributed.
