

GOLD HILL FAIR GREAT SUCCESS; 700 ENJOY FEED

Over 1000 View Displays in City Hall — Parade Feature of Day—Fine Co-operation Is Shown in Event

GOLD HILL, Sept. 21.—(Sp.)—The second annual Gold Hill community fair held here last Saturday, was a success in every way, according to all, and the event was a splendid tribute to the community as a whole, revealing a fine spirit of cooperation.

The big parade in the morning featured the school children in costumes, many of them with their pets, floats from nearly all the business houses and many individuals who were dressed to represent a great variety of characters. Oldtime music was furnished by Tom Henderson and Lee Moore, who rode at the head of the parade and were followed by a string of burros and horses from the surrounding community.

1000 View Display. It is estimated that more than 1000 people passed through the city hall to view the displays Saturday, and at least 700 were served at the free salmon bake and barbecue that evening, which was the big feature of the day.

The morning kites and balloons drew quite a crowd who spent several hours visiting on the city hall grounds. The morning kites and balloons game in which the Gold Hill high school won from Rogue River by the score of 8-4, as well as the town team-Medford Rogues game in the afternoon, drew a large crowd of baseball fans to the grounds.

Sports for all were enjoyed for several hours in the afternoon, with prizes of cake, ice cream, candy and meals going to the winners. Dance Ends Day. The big dance in the evening drew a large crowd from all points of the valley and topped the day's entertainment off in grand fashion.

Due to the success of the fair, it is the general opinion that everyone should start right now planning for another such event next year. Several changes will probably be made, in the hope of improving the affair, and the committee in charge will be glad to hear from individuals and organizations as to any beneficial suggestions. The main thing is that local people maintain the fine interest that they have shown this year.

TOMATO DEALERS PENALTY DEFINED

SALEM, Sept. 21.—(Sp.)—Violation of the melon and tomato marketing agreement by a dealer or handler under the producers' and peddlers' act, would not be punishable under the agricultural adjustment act, but the dealer could have his license revoked, Attorney-General I. H. Van Winkle held in an opinion handed down Thursday.

Mah Gehlar, agricultural director and administrator of the state agricultural code, requested the opinion. In a second opinion, the attorney-general declared a citizen could not take claim from slough water on his property for commercial purposes, without a license.

The opinion was requested by the state fish commission, relative to a resident of Lincoln county who holds title to a slough off Yaquina way, in which there are clam beds.

SALEM, Sept. 21.—(Sp.)—Chief Justice John L. Rand Thursday assigned Circuit Judge Carl Hendricks of Postville to Klamath Falls, where he will preside in cases in which Judge W. M. Duncan has been disqualified.

The letter also suggested that local theater owners would probably be glad to cooperate in the move.

CASTS 75th Vote. MARION, Kan.—(UP)—"Uncle" John Fox, 63, cast his 75th vote in the recent primaries. It was his 74th ballot for the democratic party. Fox, a confederate veteran, and one of Gen.
