SNARED PASS AND PENALTY NET WIN FOR UNIVERSITY

Callison's Crew Shows Defensive Ability in 13-0 Win From Gonzaga — Oregon Tackle Injured

EUGENE, Ore., Sept. 22.—(AP)—The University of Oregon football team ground its way successfully through its first test today, defeating the strong Gonzaga university team, 13 to 0 in a spectacular game.

Both teams appeared ragged in spots, with the green-shirted Oregon warriors showing strength in defense, while the Bulldogs showed a dangerous passing threat.

Oregon took advantage of a 15-yard penalty for roughing a passer in the first period and scored its first touchdown on a drive from the Gonzaga 17-yard line.

With the air full of passes late in the second period, Walker, Oregon end, snared a pass from back of the goal line and raced for a touchdown.

The Gonzaga Bulldogs fought back fiercely in the second half, holding Oregon scoreless and missing a scoring threat only by an intercepted pass.

Peterston, slippery Gonzaga back, returned an Oregon punt 45 yards in the middle of the last period. However the threat was averted when Peterson's short pass was intercepted by Oregon on its 35-yard line.

An even more serious scoring threat was made by Gonzaga when Ely blocked a kick on the Oregon 35-yard line. A pass from Key to Peterson yielded 20 yards for the Bulldogs' second first down. Fullback Michak broke up the rally by intercepting a short pass.

Pepelnjak, Webfoot half, broke away for several nice runs during the game. Another Oregon tackle succumbed to injuries when Pat Pury was taken from the game in the last quarter with an injured knee cap.

WILLAMETTE AND PACIFIC BEATEN ON BEAVER FIELD

Fumbles Costly for Salem Squad—Franklin Sparkles With Long Runs — Oravec Stars for Losers

CORVALLIS, Ore., Sept. 22.—(AP)—The Oregon State college football squad squared a thorough workout as the Beavers defeated Willamette university 13 to 0 and Pacific university 19 to 0 in a double header here today.

Norman "Red" Franklin led the Orangemen in the double victory while Oravec of Willamette slipped through for several long gains behind a fast changing line.

The Beavers yielded scores in the first half only on two breaks, the first when the Staters recovered Mill's fumble on the Willamette eight yard line. Franklin scored on the fourth down. Schultz fell on the ball for the second touchdown after Devine blocked a punt on the Willamette three yard line.

Coach Stiner used his first string the first half of each game. The regulars rolled up a 19 to 0 lead over Pacific before being replaced at half time.

Pacific was much weaker than Willamette and lost a net of 31 yards from scrimmage, though two first downs were made from passes. One, from Olson to O'Neil, went for 49 yards.

Ree of Pacific grabbed a fumble and raced 55 yards before he was hauled down from behind.

The Beaver reserves were disappointing as they were unable to score in either game against the spirited opposition of the northwest conference teams.

In the second game Franklin went over from the three yard stripe after returning a punt 30 yards and then passing to Pangle who gained 23 yards.

Franklin and Pangle reeled off long gains again, placing the ball on the one-yard line as the quarter ended. Pangle scored on the next play. Dick Joslin turned another Franklin-led march into the final touchdown and Coach Lon Stiner put in his second team just before half time. Pacific made one first down on a pass, Corrigan to Rae.

Skeet O'Connell, in his first varsity football appearance, played the last few minutes and gained one first down around end in addition to throwing several good passes.

Willamette made eight first downs and 110 yards from scrimmage as compared with seven first downs and 183 yards from scrimmage by the Orangemen. The Beavers made eight first downs against Pacific.

Grants Pass Star Plays. One who used to thump Medford high school skulls with his large and efficient dukes, and is now thumping skulls for Oregon State, is big Ernie Bears, of Grants Pass. Bears is the large gentleman who will be remembered by Medford players and fans as the tackle who was expected to do everything for the Cave City team.

He kicked and passed, tackled and blocked, and occasionally carried the ball. His progress at State will be watched with interest in this city.

Another Grants Pass man on the Orange roster is Ed Strack, a guard. Medford, since the departure of Red McDonald from the State campus for his coaching duties at Shedd high school, is not represented on the roster issued by the O. E. C. Associated Students News Bureau.

ASHLAND BATTLES DUNSMUIR TO TIE IN OPENING TILT

(By Dick Applegate) On the Ashland gridiron, which now no longer tilts, Ashland and Dunsmuir pushed and pulled each other to a nothing-to-nothing tie, in a slow and uninteresting game yesterday afternoon. The two teams were evenly matched in size, with Ashland having a superiority in the passing department but with Dunsmuir carrying the battle to Ashland all the way. The Ashland field has recently been leveled and now has no hills.

Late in the third quarter Estep and Briggs, for the Californians, drilled their way to the Grizzly 10-yard line, but the ball on downs, ending the only threat of the game. Fumbles marked the game, which was the first of the season for both squads.

Ashland liberally sprinkled the ozone with passes, while Dunsmuir threw but three in the first quarter. In the last quarter, however, they opened up and tossed long and short ones indiscriminately.

The highlights of the game, if it can be said to have had any, were the quick kick pulled in the third quarter by Dunsmuir, and the sensational coffin-corner kicking of the Ashland squad. The Ashland punter, Kanastro, managed to put three of his offerings out of bounds inside the 10-yard line. Outside of these, the game held few thrills.

The referee was Young; umpire, Hobson.

JUNIOR HI SQUAD LOOKS VERY GOOD

With Ettenger as the sparkplug in the backfield, the junior high school football team looked good in the first scrimmage of the year at Van Scoyoc field Friday. With five lettermen returning to the squad of approximately 35 men, Coach Henderson expects an unusually good team. The average weight of the aggregation will be nearly 145 pounds, heavier than for some seasons past.

Strengthening the line will be Santo and Kent at tackles, and Benford and Prentice at guards. The end positions may go to Cramer, a transfer from Grants Pass, and possibly Verbeck will be shifted from tackle to hold down the other wing. While Gates and Wall are battling it out for center honors, they are apt to get plenty of competition from Huson, according to Henderson.

At quarter, Zamzra, another transfer from the Cave City, seems to have an edge on Campbell, principally due to his kicking ability, and adroitness in tossing long heaves. A new man is trying to fill the shoes vacated by Luman at the fullback post; Clegg, who is light, but is displaying plenty of drive in these early season workouts. Ettenger, who has already been mentioned, will undoubtedly get one of the halfback positions, with some doubt as to who will take the other.

Outstanding kickers are Zamzra, Ettenger and Wilson. Wilson at the present time, is working on the second string, but being the best punter on the squad, is apt to break into the first outfit at any time.

Verbeck and Cramer may do the passing, with Ettenger as the only triple-threat man so far. He is developing into a lethal blocker, a characteristic that delights the heart of any coach.

The first game of the season is slated for Saturday, October 6, when the outfit meets the reputedly tough Ashland team in that city.
