

DUNNE TO SPEAK 7:30 TONIGHT AT HOLLY THEATER

A Republican rally will be held tonight in the Holly theatre, which has been opened, heated and lighted for this occasion.

Joe E. Dunne, Republican candidate for governor, will make the principal address, will discuss the important issues before the people of this state and will explain what he expects to do if he is elected governor.

This is the meeting that had been previously advertised for the city park and was changed, owing to the bad evening.

A hearty reception has greeted Mr. Dunne by service clubs at meetings in Ashland and Central Point, and by the people generally and he will close his three day stay in the county with the meeting tonight.

The Jackson County Republican committee, the Oregon Republican club and the Veterans' Voters' league, under whose supervision the meeting is being held, urged everyone to attend and especially all Republicans, both men and women, and first voters, and help make this meeting a success.

Capt. C. F. Hogan, a vice chairman of the state Republican committee, and a prominent World war veteran, will also make a short talk at the meeting tonight. All the county candidates will be present on the stage and be introduced.
