24 Years Ago

Mann's Dept. Store came into existence and thru these 24 years has enjoyed the patronage of thousands of So. Oregon men and women. This test of the popularity of Mann's deserves your attention. It is concrete evidence of the faith the people of this great country have in Mann's. When Mr. Mann settled in Medford 24 years ago, he had dreams of just such an institution as today is realized in Mann's Store. A store reared on the policy he knew to be a proven fact, namely, that to survive and gain friends through the years, the store must be a part of the community it serves, and to this end, the ideals of Mann's has never changed. Today as it was in the beginning, this store holds paramount the fact that quality, service, and fair prices go hand in hand.
