B. R. Finch gave a talk on physical education and other matters pertaining to the school. A discussion followed on physical education. A committee was appointed, including Mrs. Ed Pease, Mrs. E. Campbell, Mrs. W. Holloway, who are to meet with committees from Jackson and Washington schools.

A regional conference is to be held October 16 at the Christian church in Grants Pass. Mrs. William Kietzer of Portland is to attend the gathering.

The county council will meet Saturday, October 13 at the Junior high school in Ashland, with a covered dish luncheon at noon. Announcement was also made that the city council will meet with Mrs. W. G. Cool at 1124 West Main street here on Monday afternoon, October 15.

Refreshments were served by the social committee, including Mrs. P. B. Rynning, Mrs. B. R. Finch, Mrs. E. N. Campbell, Mrs. A. W. Newland and Mrs. R. Flaherty.

Lutheran Society Outlines Activity

Zion Lutheran Ladies' Aid society had a well attended and enthusiastic meeting in the church parlors, Mrs. Martin Westvong, hostess, on Thursday afternoon. Mrs. Ruth Hertager was received as a new member.

Arrangements were made for a birthday dinner in October and for the special decoration of the church with the fruits of the fields and gardens for the "harvest festival" service of the church Sunday, October 6 at 11 a. m.

A special women's day service was arranged to be held Sunday, October 14, with the Aid attending in a body. The annual Armistice Day dinner and bazaar will again be held this year on November 11.

Mrs. Sig Ash will be hostess for the next meeting of the Aid society October 11 at 2:30 p. m. at her home, 1008 North Riverside avenue.

Activities of Legion Auxiliary

A very pleasant evening was spent by auxiliary members and friends, when they greeted the department president, Mrs. Cecilia Gunne, and the district president, Mrs. Lydia E. Horsfall. The meeting was held Wednesday evening in the Armory club rooms. Mrs. Gunne gave a most interesting talk and Mrs. Horsfall, who is also state music chairman of the auxiliary, led in group singing and entertained at the piano. Dainty refreshments were served at the close of the meeting.

Ashland post and auxiliary have issued an invitation to the Medford Legion and Auxiliary to joint installations of their new officers Monday evening, October 1 at eight o'clock, in the Ashland Civic club rooms.

W. C. T. U.

An all-day convention of the Women's Christian Temperance Union was held in Grants Pass Thursday, September 27, for the purpose of electing joint county officers for Jackson and Josephine counties, and other business. All officers were present. Reports were heard from all unions of the two counties.

The many members and friends who filled the club rooms of the library expressed satisfaction with the encouraging amount of work accomplished; especially of the gains in membership and the nature of educational work being advanced.

Members of the young people's branch (L. T. L.) have been particularly active in Medford and Ashland the past year, giving much of their services for the comfort of the little ones at the children's home farm at Corvallis, which is sponsored by the State W. C. T. U.

Rev. Douglas of the Free Methodist church of Grants Pass conducted the devotional period. A song service and several solo and duet numbers were well received, with Mrs. Spaulding at the piano. Rev. Shepherd gave the noonday prayer at 12 m. All present enjoyed the luncheon, which was promptly and adequately served by the Grants Pass ladies.

Convening at 1:30, memorial services were conducted by Mrs. E. A. Oldenburg of Medford, three members having passed to their reward during the year just closing. A pioneer mother, born in the year Oregon became a state, also a war mother, gave food for thought in the patriotic and inspiring talk on the subject, "What Can We Do About It?"

Space forbids giving this in full, but one statement in particular can be noted: The great number of aliens in America are and have been for years a source of many of our public troubles. She spoke for deportation of all who will not become loyal citizens.

Her son was 14 years of age before he saw anything that could be called "his country's flag," which he faithfully fought for later. This flag was made by this pioneer mountain woman of a piece of red cloth from a window curtain, a baby's outgrown white dress, the stars on the field of blue were managed by filling in with indigo on a white cloth the spaces about the outline of stars.

An interesting report of the world W. C. T. U. convention at Stockholm, Sweden, where 30 nations were represented, was given by Mrs. Sidney Holt of Ashland.

Rev. Lamkin gave the address of the afternoon, in which he brought out the fact that our greatest ills of the day are due to lack of Christian living, a forgetting of the Creator and a proper practice of "loving thy neighbor as thyself." This is pre-eminence in both individual and national life today. The open door to a Godless nation is spreading wild fire in a democratic nation that will overwhelm our government as all governments of history have gone down when God is left out.

Mrs. McCormick was elected president; Mrs. Roseborough, vice-president; Mrs. Ayle, recording secretary; Mrs. Hill corresponding secretary, and Mrs. Littell, treasurer.

Plans for the state convention to be held in Medford, October 23 to 27, were a main topic of discussion of immediate interest.

BAKER FROWNS ON STATE AID FUNDS

WASHINGTON, Sept. 29.—(AP)—Newton D. Baker was doubtful today about the results of the relief administration's plea that private agencies shoulder a larger scale of the relief load.

Baker, who is chairman of the 1934 mobilization for human needs conference, said he thought "about as much" would be raised in community chest drives this year as last. But many welfare organizations will have resources, he said, only to carry on social service. The federal government, states and municipalities must continue actual support of the needy, he added.

Harry L. Hopkins, relief administrator, made the plea for a revival of direct relief by private agencies at a luncheon of the conference yesterday. Hopkins appealed also for certain states to assume more of the burden, warning that states which shirk face the withdrawal of federal funds.

Mrs. Franklin D. Roosevelt, at a dinner last night, urged the conference "to make this country a place where social justice and security are the basis of civilization."

TILLAMOOK TROUT VICTIM OF FIEND

TILLAMOOK, Ore., Sept. 29.—(AP)—The persons responsible for the recent dynamiting of Towne lake destroyed the work of five years and caused a financial loss of about \$50,000.

More than 6000 dead fish, cut-throat trout about 12 inches long, used as brood fish in the egg-taking plant on Towne lake, have been taken from the water and more are found daily.

State police, after a week's work, have been unable to find any clue to the identity of the person or persons who dynamited the lake last Monday night.

LEVERETTE HEADS TO HONOR RUTH

P. A. T. TOURNEY

Quarter-final matches in the annual P. A. T. tournament under way at the Rogue Valley course are bringing competition down to a handful of Leverette standing out as the strongest bidder for the championship, shooting in the low 90's. Leverette edged out J. B. Kirk, holder of the trophy, in a close match that ended 1 up on the 19th.

R. W. Ruhl, carding a 92 and winning his match with Bruce Bauer, who shot 97, 3 and 2, also entered the quarter-finals with the close of the week and is paired with R. A. Batts. Batts, who took his fifth-round match from Captain Potter, 2 and 1, is tailed by club officials as the underdog of the Ruhl-Batts pairing, but has been shooting consistently.

Harry McMahon defeated R. G. Bardwell, 2 and 1, in another fifth-bracket match, and will vie in the quarter-finals with the winner of a contest between A. E. Orr and R. B. Hammond. Both Hammond and Orr have turned in good cards during the tournament, with the odds hanging at a balance for their quarter-final contest.

Defeating George Phythian, 1 up, R. D. Semon, another strong contender, also entered the final octet of mangle slingers, and will be paired with the winner of a game between C. Ellis and Leland Clark. Ellis previously defeated Gordon Green, 6 and 4. With Clark a low handicap man, Semon is given the edge for their quarter-final match.

Leverette will be paired with either E. C. Solinsky or G. E. Pierce in his next contest, and is pointed to give either a close run.

The tourney will not be completed for two weeks, when the finalists shoot it out for the Pacific Air Transport cup. Several of the fifth-bracket matches will be completed by tonight and the starting field of 128 contestants will have been sifted down to eight.
