

SAFETY REGULATIONS FOR TRAFFIC TOPIC OF LIONS' DISCUSSION

Safety regulations, particularly traffic rules, was the subject of an open discussion at a meeting of the Lions' club Wednesday noon, lead by Judge William B. Coleman and George Newberry, of the Medford Business college. Suggestions were made that all possible co-operation be given the police in eliminating speeding in residential streets.

The possibility of an inter-city Lions' club meeting was also discussed, and President Carroll Hayes appointed Charles Reames and Carl Stewart to make preliminary arrangements for the meeting.

The attempt of the Oregon Petroleum association in complying with the traffic regulations adopted in the state-wide program were endorsed by the Lions. Mr. Newberry gave a report on the committee for the blind, and the meeting also included a discussion of the Federal Housing Administration.

West Virginia Births Increase
 CHARLESTON, W. Va. (UP)—An increase was reported in the number of births in West Virginia for the first seven months of 1934, according to Dr. John P. Cadden, state registrar of vital statistics. There were 20,922 births recorded, as compared to 19,783 for the same period in 1933, an increase of 1,139.
