

ROAD COMMISSION SURVEYS BIDS ON 10 NEW PROJECTS

Sig Ash of Medford Low On Construction of Maintenance Building at Pistol River, in Curry County

PORTLAND, Oct. 12.—(AP)—Boise and Spokane firms were low bidders on the larger of ten road projects to be awarded by the state highway commission here yesterday when a total of 106 bids were submitted for the work amounting to \$460,504. Announcement of awards will be made later.

The largest job of grading 3.43 miles of the Upper Flat-Stinkingwater mountain section of the central Oregon highway in Harney county, was expected to go to the Morrison-Knutson company of Boise on the low bid of \$147,800. The highest bid for this job was \$25,000 above this figure. Jolin & Eldon of Portland was second at \$148,858.

The Colonial Construction company of Spokane bid low out of 19 entries for the 4.80 miles grading of the Deschutes River-Agency Plains section of the Warm Springs highway in Jefferson county. Its bid was \$94,363.

Paul L. McNutt of Eugene was second low at \$94,575 and Theodore Arns, Portland, third at \$98,357.

J. A. Terrelling, a Boise firm, submitted low bids on both the jobs in Baker county, 1.28 miles grading of the Tunnel-Dixie section of the Old Oregon Trail and the bridge over Burnt river. On the first Terrelling bid \$46,478, while Pierce-O'Brien & Son of Portland bid \$54,694. On the bridge the low bid was \$13,505, with the Colonial Construction company of Spokane second with \$13,618.

Parker-Schramm company of Portland entered the lowest bid on the Swift secondary highway in Multnomah county, 1.42 miles grading and paving at \$49,597. Harold Blake of Portland was next with \$51,522 and Kern & Kibbe, Portland, third with \$53,708.

Low bids submitted on other projects today were as follows: One mile grading of the lower Sheep creek section of the Santiam highway in Linn county—G. I. Stephens Construction company of Klamath Falls low at \$44,445; Berke Bros, Portland, bid \$45,315.

Bridge over the Oregon Electric tracks on the west side Pacific highway in Multnomah county—C. J. Montague, Portland, \$26,932; Joplin & Eldon, \$27,998; Barham Bros., Salem, \$28,605.

Fourteen miles surfacing of the Kinross Junction-Service creek section of the John Day highway in Wheeler county—Jolin & McAllister, Spokane, low at \$19,620; J. C. Rogers, Yaktima, \$20,160 and Charles H. Hoyt, Silverton, \$20,900.

Dunn and Baker of Klamath Falls submitted the lone bid for the 5.88 miles grading of the Blue Mountain Pass section of the Idaho-Oregon-Nevada highway at \$29,907. The bid was expected to be rejected because it exceeded the engineer's estimate by \$8000.

Sig Ash, Medford, bid low for construction of the maintenance building at Pistol river in Curry county, at \$3630. E. W. McCall of Klamath Falls was next at \$3800.

The highway commissioners considered protests by several trade unions in Portland against the classification of their trades and payment of too low wages. The protesters were the carpenters, pile drivers and hoisting engineers. Citing the 75 cents an hour wage being paid to assistants in these trades. No action was taken by the commission.

Time for the completion of the Yaquina bay bridge at Newport, one of the five coast spans being constructed under grant and loan from the federal government, was extended from May 31, 1936, to August 28, 1936. Extension was granted because of delay in getting federal funds after the award had been made.

The highway commission will meet here again November 1 to open bids on approximately \$1,000,000 in highway projects to be paid for out of federal funds allocated to Oregon.

'Honest Vic' Wins

A. V. "Honest Vic" Donahay (above), former governor of Ohio, won the democratic nomination for United States senator from Ohio in a three-cornered race with Gov. George White and Rep. Charles West. He will oppose the veteran senator, Simon D. Fess, republican, in the fall election. (Associated Press Photo)

METHODISTS ADVISED UNITE TO CARRY OUT HIGH AIMS OF CHURCH

BALTIMORE, Oct. 12.—(AP)—Representatives of the three branches of American Methodism were counseled today by Bishop John Moore of Dallas, Texas, to unite in order to carry out the high purposes of the church. Speaking on unification at the equal-centennial program being held here, Bishop Moore said: "We are not here to make an aggregation. We are here to build a body capable of carrying the burden of Methodism." "Methodism must rethink its purpose," he said, "and rethink its program. The business before us is to face our responsibilities. This will call for realignment of our forces." "We have come to our day of maturity. We must let our playhouses remain in the land of sentiment. It is a late day for denominational quibbling, sectarian troubles and sectional sufficiency."

A. W. HERBERT OF ASHLAND PASSES

ASHLAND, Oct. 12.—(Sp.)—A. W. Herbert, a resident of this city for 25 years, passed away Tuesday, October 10, 1934, at the home of his daughter, Mrs. A. B. Bower of Crescent City, Calif., where he had gone for a visit a few days ago.

Augustus Ward Herbert was born in England November 21, 1847, coming to this country when a small child, and living in the states of New York, Illinois, and Wisconsin. Sixty-four years ago he married Sarah Baldwin at Oregon, Wis., later coming with her and his family to Oregon. They settled near Corvallis where they made their home for many years. In 1909 they moved to Ashland where they have since resided.

Mr. Herbert was well known and highly respected during his long residence here. He was a life-long member of the Methodist Episcopal church. He is survived by his wife, five daughters, and one son, Mrs. E. A. Blake of Corvallis, Mrs. Ralph Billings and Mrs. R. N. Chaney of this city; Mrs. A. B. Bower of Crescent City, Calif.; Mrs. C. C. Clark and S. D. Herbert of Stockton, Calif.; and W. M. Herbert, a nephew, of Ashland.

Funeral services were held at Crescent City at 10:30 o'clock Thursday, October 11.

Lilac Bushes Bloomed in Fall KIRKSVILLE, Mo.—(UP)—Mrs. W. F. Ketzner's lilac bushes were in full bloom during September. The plants had shed all their leaves and apparently dried up during the drought, but rains brought forth new buds and flowers, making a most unusual sight.

TEACHER TRAINING CONFERENCES SET

SALEM, Oct. 12.—(AP)—Charles A. Howard, state superintendent of public instruction, today announced five regional three-day training conferences for prospective teachers of adult education in the educational relief program. The first conference will be held in Salem, October 15 to 17. Institutes Others will be held at Eugene, October 16 to 18; Ashland, October 18 to 20; Portland, October 22 to 24, and LeGrande, October 25 to 27. A limited number of needy unemployed teachers and others qualified to teach adult classes, who have been certified as eligible for relief by the county relief committee, will be selected by the city and county superintendents to attend the regional training centers.

Death Comes To Klikit Pioneer THE DALLES, Ore., Oct. 12.—(AP)—Leon W. Curtis, 79, former Washington state legislator and second white child born in Klikitat county, Washington, died here last night after a brief illness.

Curtis attended University of Oregon and served as representative in the Washington legislature in 1885 and 1889. In 1889 he married Georgiana Fenlon of Centerville, Wash.

EPISCOPALIANS URGED TO MAKE WAR UPON WAR

Resolution Calling War 'Unchristian' Laid Before Convention — Taft's Son Gives Mission \$252,000

By CHARLES R. COATES Associated Press Staff Writer ATLANTIC CITY, N. J., Oct. 12.—(AP)—A resolution calling war "un-Christian," and pledging the Episcopal church to unrelenting opposition to the "war system," was placed before the house of deputies at the 51st triennial convention of the Protestant Episcopal church in the United States today.

Presented by the Rev. Elmore D. McWee of Buffalo, the resolution is one which was adopted by the diocese of western New York at its diocesan convention. It calls for the appointment of a special commission of four bishops, four presbyters and four laymen to "explore the field of inter-church co-operation in the cause of peace with the hope that a North American conference of churches or a world conference on war and peace might result."

Plan Early Action The resolution was placed on the calendar for early action. A second resolution, offered by the Rev. Dr. Howard Chandler Robbins of New York, would give conscientious objectors of any church the status of Quakers in time of war.

This resolution was referred to committee. The controversy of "high church" vs. "low church," possible changes in the ecclesiastical law relating to marriage and divorce, and most pressing of all, the problem of financial support for the domestic and foreign missions loomed large on the convention agenda.

Gift to Missions A \$252,000 gift, the first organized effort by American laymen to increase mission support, was announced last night by the new national "everyman's committee," headed by Charles P. Taft, second, of Cincinnati, son of the late President William Howard Taft. President Roosevelt is a member of the committee and a contributor. The "everyman's gift" is expected to decrease considerably the \$1,000,000 deficit in the general church budget.

Meteorological Report

October 12, 1934
Forecasts
Medford and vicinity: Fair tonight and Saturday. Not much change in temperature.
Temperature a year ago today:
Highest, 82; lowest, 39.

MEDFORD REGION FACTORY CENSUS SUMMARY GIVEN

According to a census of manufacturing for 1933, and compared with 1931, compiled by the department of commerce for Medford, the total production of local manufacturing and printing and publishing plants here during 1933 was valued at \$284,847, according to the preliminary summary released today.

Director William L. Austin of the bureau of the census, said "this total was reported by 16 establishments, and the number of wage-earners employed by these establishments in 1933 was 139. Wages paid during the year amounted to \$119,316, and materials, fuel and electric energy cost \$387,722."

In 1933 there were 16 establishments listed, while in 1931, there were 23. The average number of wage-earners for the year was given as 139 for the last year, and 145 for 1931. The report shows that \$119,316 was

paid in wages for 1933 and \$187,110 for 1931. For the cost of materials, containers and products, fuel and purchased electric energy, \$387,722 was paid for 1933, and \$461,303 for 1931. Products last year were valued at \$684,847, while two years previously, they were \$647,275. Value added by the manufacture was shown as \$817,195 for 1933 and \$485,772 in 1931.
