

# TIGERS TO INVADE MARSHFIELD GRID COMING SATURDAY

By Harold Grove

During the course of the Eureka game the Medford high Tigers received no serious injuries, although they did get banged up quite a lot. Some very sore muscles prevailed in the Tiger camp but Coach D. K. Burgher had a remedy that cured them immediately, a brief practice with some limbering up exercises.

Coach Burgher used only two substitutes during the game. Earl Harrison went in for O. Bates at the beginning of the second half and Bob Smith went in for B. Bates at the beginning of the second half. Both boys played heady ball.

Next Saturday the Medford high Tigers will journey to Marshfield where they meet the strong Marshfield high team, coached by Fred Osborne. Marshfield is expected to be just as tough a team to defeat as was Eureka. They are said to possess a fast and trick backfield that knows its onions about passing and also a pair of ends that know how to receive a pass.

Bob Hinman, one of the Medford's ace defense men, will probably be out of the line-up for at least two weeks, due to a torn ligament in his left knee sustained during practice last Thursday prior to the Eureka game. Stan Kunzman was drafted to play his position. Kunzman played that same position last year and changed off with backfield position and end this year. Stan more than took care of his end of the line on defense.

Burdette Kindred deserves a pat on the back for his accurate punting. On many occasions when the Burghermasters were in a "hole," he gave that old pigskin a love tap with his big right toe that sent it sailing like a seagull full of fish, down the field out of dangerous territory.

Leo Ghelardi, on an off-tackle smash, tore through the line and started down the field like a scared jackrabbit to a touchdown, only to be deprived because of the fact that in evading a wild-be tackler he stepped out of bounds. The run was good for approximately 40 yards, to where he stepped out of bounds. When the interference failed to reverse the opponent, Leo simply wiggled and squirmed his way for a suitable gain.

# To Tackle Fireman Frisbie

Pat Metcfe, fiery Los Angeles grappler, shown demonstrating his favorite and most effective hold, the full Nelson. Metcfe, who is fast and tricky, will tangle with Ray Frisbie, local fireboy, in one of the double main event matches scheduled for next Thursday at the Armory. Metcfe and Frisbie are pointed to furnish most of the speed on a bill which also includes a bout between King Kong Cox, beefy Lodi matman, and Brockwell King Bob Kruse, wristlock artist from Oswego.

# THE SLIDE THAT STARTED THE FUSS

Here is a remarkable view of Joe Medwick's now famous slide into third base in the final game of the world series—the slide which precipitated a fracas between Medwick and Marvin Owen, Detroit third baseman, and led to Medwick's leaving the game. Press box observers saw the third baseman flick his right foot at Medwick's legs, whereupon the Cardinal reared back with both feet. Note Owen's upraised leg. (Associated Press Photo)

# AMERICAN BRIDGE TEAM WAGING UPHILL BATTLE

LONDON, Oct. 17.—(AP)—The American defenders of the Schwab bridge trophy continued play against a mounting English lead today in the third session of the five days of play.

But Ely Culbertson and his teammates were still confident they would retain the most eagerly sought prize in international bridge.

Before play opened today the British team, after 120 hands, led 49,430 points to America's 33,890 points.

The hangers-on in the corridors were still talking of seeing Theodore Smith, railroad freight manager here, enter the room without acknowledging salutations of bystanders.

The incident occurred while he was dummy during a hand in which Culbertson was set two on a little slam bid in hearts. The English team of S. Hughes and H. Ingram, playing the same hand, made five tricks on a four-heart bid.

Culbertson, commenting on the bidding, in which Lightner made a double jump, said his partner had been guilty of a faulty call.

Bees Found Honey Car

SPRINGFIELD, Mo.—(UP)—Charles A. Lightner, Culbertson's partner, quit the table for a few minutes yesterday. Lightner, apparently ruffled, left his chair across from Culbertson, walked into the lobby, picked up a copy of one of Culbertson's bridge books, scanned several pages, then re-entered the room.

# GRIDIRON GLEANINGS

(By the Associated Press)

CORVALLIS, Ore.—Despite the absence of all predictions for recovery, football fans of Oregon State college here today were highly optimistic as the Beaver football squad made preparations for entraining tonight for Los Angeles, where they meet Southern California's Trojans in a conference game Saturday.

Possibility that the Beavers may take to the air in their attempt to beat the Trojans was seen when both the Monday and Tuesday scrimmage sessions were devoted mainly to passing, with Young Wayne Valley, 196-pound fullback reserve, in the throwing role. The Beavers will be without the services of their ace ball carrier, "Red" Franklin, when they meet the Trojans. Franklin received a shoulder injury during the Stanford game in Portland several weeks ago.

EUGENE, Ore.—With the Washington disaster behind them, Oregon's Webfoot of the gridiron today were concentrating on the Idaho game this coming Saturday with increased vigor.

No serious injuries were sustained by Oregon players during the game with the Huskies last Saturday, and as a result the team morale was better than at any time this season. A scrimmage session held yesterday was devoted mainly to polishing a few rough spots in the Oregon running attack, with pass defenses also receiving considerable attention.

MOSCOW, Idaho—A well-oiled running attack, something that has been lacking thus far, seemed today to be developing in the University of Idaho football team.

Coach Leo Calland placed much reliance on the passing ability of "Bullet" Bob McQue in the season opener with Washington, and against Gonzaga the following week.

LOS ANGELES—In sharp contrast to their victorious home-coming in the past, the University of Southern California football Trojans will steal into town early today after their resounding defeat by the University of Pittsburgh Saturday.

U. S. C. athletic officials said Coach Howard Jones plans a hard workout for the Trojans this afternoon behind locked gates as they continued preparations started on the road home for their game with Oregon State here Saturday.

LOS ANGELES—Bill Spaulding, Jr., halfback son of the University of California at Los Angeles' head coach, was in the Hollywood hospital today with possibility he may be out for the remainder of the season. Young Spaulding injured his knee in a head-on collision during scrimmage last night.

SEATTLE—A large sign reading: "Remember! California 33, Washington 0," confronts University of Washington football players as they enter the dressing room these days. It's part of Coach Jimmy Phelan's preparation for the clash with the Bears here a week from Saturday, referring to last year's battle at Berkeley.

PULLMAN, Wash.—Chastened by their 13 to 6 defeat at the hands of the Gonzaga Bulldogs last weekend, Washington State's Cougars hunkled down today to nearly two weeks of drill for the Oregon State contest on October 27.

# FOX AND McFARLAND 'WALTZ' THROWN OUT

PORTLAND, Ore., Oct. 17.—(AP)—A scheduled double-main event on the fight card at the auditorium here last night really turned out to be just a single main event after all, when Referee Bud Riley, after three rounds of the scheduled eight-rounder between Tiger Jack Fox, 178, and Mickey McFarland, 175, turned on his heel and walked out of the ring, proclaiming the affair "no contest."

The other half of the main event bill went as scheduled, except that Billy Lee, 137-pound Puete Indian from Reno, Nev., scored a startling upset when he took an eight-round decision from Cecil Payne, 137, of Kentucky.

# JONES FIGHTS DRAW WITH LLOYD SMITH

SEATTLE, Wash., Oct. 17.—(AP)—Sonny Jones, Vancouver, B. C., negro, had slipped a bit today in his race with Henry Woods Yakima for leading lightweight honors in Washington boxing circles. Both are negroes.

Jones' stock dropped slightly when he got only a draw last night against Lloyd Smith, Los Angeles, a boy whom Woods twice defeated in the last two weeks. It was an eight-round bout with Jones starting fact, but weakening in the closing rounds before Smith's rushes.

# Easier Mark For Field Goal Urged

By Fritz Crisler

PRINCETON, N. J., Oct. 17.—(AP)—H. O. (Fritz) Crisler, head football coach at Princeton university, is in favor of more and better field goals. He would widen the goal posts and lower the cross-bar but still leave the posts ten yards back of the goal line.

If that did not produce a field goal revival, he would increase the value to more than the present three points. Crisler told some 30 sports writers yesterday he planned to submit the changes to the rules committee this winter.
