

FITTS GRAND JURY HEARD HISTORY OF 'LOVE MART' CASE

LOS ANGELES, Nov. 2.—(UP)—Burton Fitts, district attorney of Los Angeles and former lieutenant governor of California, was indicted by the county grand jury last night on perjury charges growing out of the so-called "Hollywood love mart" case.

Indicted with him was the prosecutor's sister and confidential secretary, Bertha Fitts Gregory.

The history of the notorious Hollywood case was recited to the jury during its inquiry. Fitts announced before Municipal Judge Wilbur C. Curtis September 15, 1931, and moved to dismiss statutory charges against Mills, William Jobelmann and Olive Clark Day, the latter two accused of operating a "love mart" of which Mills was an alleged "customer."

Fitts told the court he had issued new complaints against Jobelmann and Mrs. Day charging they contributed to the delinquency of 16-year-old Charles Tauber. When the judge refused to dismiss the three statutory complaints, Fitts announced that the state rested, giving Judge Curtis no alternative because of lack of prosecution evidence.

When Jobelmann and Mrs. Day appeared later for trial on the contributing charges, Mills failed to appear against them, and he was named a defendant with them. Eight days later all three cases were dismissed because Charles Tauber refused to testify.

The grand jury also investigated a real estate deal between Fitts' parents, Mr. and Mrs. Buff Fitts, and Lucien Wheeler. Wheeler was a former investigator in Fitts' office and later, as a private operative, was hired by Mills in his elaborate defense against the charges.

By a coincidence, the indictments were returned exactly six years after Fitts' predecessor and mentor, John Latta District Attorney, had been indicted by the 1928 grand jury on charges of bribery. Fitts vigorously prosecuted Keyes and secured his conviction, the former official serving 18 months in San Quentin.

LOVE LETTER CARRIER FOR 'WHITE HIBISCUS' IS WITNESS IN TRIAL

WOODLAND, Cal., Nov. 2.—(UP)—Judson C. Duke first read the burning love letters and amorous poetry exchanged between his wife and youthful Lamar Hollingshead the night before he killed the 23-year-old poet, a prosecution witness testified today at Duke's trial for his life.

Mrs. Elizabeth Ingels, who carried the letters and love verse between Hollingshead and Helen Louise Duke, made this revelation.

"I told Mr. Duke I had some letters. We sat and talked for two hours," she said.

Next day the 34-year-old dairy inspector went to a ranch where Hollingshead was employed, and shot him.

Her testimony climaxed a day of dogged effort by the prosecution, led by District Attorney C. C. McDonald, to prove that Duke was the man who shot Hollingshead, and to establish the fact he went to the ranch with the announced purpose of "settling some family trouble."

LEGION TO HEAR STATE LEADER AT MEETING TONIGHT

At a gathering of local Legionnaires and representatives from Roseburg, Ashland, Kerby and Klamath Falls, to be held at the court house auditorium tonight, W. J. Chamberlain of Corvallis, department commander of the American Legion, will be the main speaker, having arrived in Medford en route to the national convention recently held at Miami, Fla. The meeting will begin at 7:30 p. m. Besides post commanders and other officers, Les Finley of Klamath Falls, district commander will be present.

Mr. Chamberlain spoke this noon at a luncheon of Legion representatives from this city, and from several neighboring posts, held at the Hotel Jackson. His talk dealt interestingly with the efforts on the part of the Legion to continue the fight for its four-point program, and included the highlights of the discussion held at the national convention on the payment of the balance of the service compensation certificates. He also told of his trip to and from the convention and the conditions he encountered in various districts of the country. Particularly enlightening was his description of the situation at New Orleans, and of Huey Long's regime.

Shortly after Mr. Chamberlain arrived this morning he told of the convention as he saw it, saying that the key speech of the conference was given by Oregon Senator Fred Steiwer, which "took the assembly by storm." Mr. Chamberlain declared that Oregon was exceedingly fortunate in having Harold Warner of Pendleton elected national vice commander, and Dewey Powell of Klamath Falls, chosen national vice commander of the 40 at 8.

The state commander stated the main object of the Legion for the coming year is the endeavor to get through a universal draft bill, and to wage a strong fight against communism in all its forms. He said that the Legion believes there is no better way to create purchasing power than to pay immediately the adjustment compensation certificates. The payment of this debt will not increase the national debt, he said, and will remove a burden from local communities.

GEO. LOTT JOINS PRO NET TROUPE

NEW YORK, Nov. 2.—(UP)—George M. Lott of Chicago, greatest doubles player tennis ever knew, turned professional today and joined the troupe of Tilden-O'Brien commercial players.

Announcement that the veteran Davis cup star had deserted amateur ranks was made in a joint statement by "Big Bill" Tilden and Bill O'Brien, the promoters.

Lott signed to make a professional tour in 1935, opening at Madison Square Garden, January 9. Terms of his agreement were not revealed, but it is understood the fiery midget-er never refused a \$10,000 straight guarantee and insisted instead upon playing on a percentage basis.

YOUR GROCER HAS THIS SUNNY WAY TO BETTER HEALTH

Check Common Constipation with a Delicious Cereal

Food has a lot to do with how you feel and how you look. For instance, you need plenty of "bulk" with your meals to avoid the risk of common constipation.

This ailment frequently causes headaches, loss of appetite and energy. Yet, in most cases, it can be overcome pleasantly and safely by eating a delicious cereal.

Kellogg's ALL-BRAN furnishes "bulk" in convenient and concentrated form. Laboratory tests show the "bulk" in ALL-BRAN is safe and effective. In fact, it is much like that found in leafy vegetables.

Within the body, the fiber of ALL-BRAN absorbs moisture, and forms a soft mass. Gently, this clears out the intestinal wastes.

In addition, ALL-BRAN provides vitamin B and iron.

Isn't this sunny way better than taking patent medicines—so often harmful? Two tablespoonfuls of ALL-BRAN daily are usually sufficient. Chronic cases with each meal. If seriously ill, see your doctor. ALL-BRAN makes no claim to be a "cure-all."

Enjoy ALL-BRAN as a cereal, or cook into appetizing recipes. Be sure you get Kellogg's ALL-BRAN. It contains much more needed "bulk" than part-bran products. In the red-and-green packages. Made by Kellogg in Battle Creek.
