Troop Entertains
Gold Hill Boy Scouts
 Forty-one Boy Scouts of Troop 8 of this city, entertained members of Troop 14 of Gold Hill, and Mr. Cook and Leo Ritter, its leaders, at a Halloween party at Washington school Tuesday evening, October 30.

Scoutmaster J. Heyland told briefly of the origin of Halloween, and costumes of those who attended were judged, many being very clever and original. First prize went to Ross Webb and second to Hugh Ferguson and Stanley Jones. The rest of the evening was spent in playing games.

Mr. Marshall awarded prizes to the following scouts: Korta and Martin of Gold Hill, Heyland, Childress of this city, and to the group who presented vocal numbers under the leadership of Scout Sleight. Chief Soderberg and Bob Walker visited during the evening and lead the group in scout songs.

Committee members were L. P. Jones, V. Marshall, C. C. Wheelock, and Assistant Scoutmaster L. Hamilton, who aided in presenting the evening's entertainment.

Refreshments were served and the group assembled in a friendship circle for the closing song.

Wesley League Has
Interesting Party
 The Wesley league of the First M. E. church held a Halloween masquerade party October 30. Several members of the Wesley Foundation in Ashland attended, besides many Medford people.

The party was held in the gym, which had been decorated to represent a barn, with jack-o-lanterns for lights. The theme of the party was a ghost, and all the games centered around ghosts in various ways.

Much of the success of the party goes to Leo Taylor, fourth vice-president, and his committee, Helen Power, president, acted on all the committees. The entertainment committee consisted of Joyce Banish, Leo Taylor and Helen Power; decorations, Mona Hedges, Beth Gillings; refreshments, Frances Combe, De-Loris Durkie.

Farwell Party
Given Evangelists
 Mr. and Mrs. Ralph Corothers entertained recently at their home with a farwell party for Mr. and Mrs. Seltzer and the two Venden brothers and their families. They were all presented with gifts. It was also a welcome for Mr. and Mrs. Johnson, Mr. and Mrs. McCrady and Miss Huling, the new instructors at the academy. A large crowd was present and the evening was spent with music and singing. The Venden brothers have just returned from a trip to the Holy Land, and they told of their trip, which was very interesting.

Mrs. Gregory Is
Honored on Birthday
 Mrs. Mabel Maran entertained on Wednesday afternoon, October 31, with a surprise party for Mrs. Julia Gregory in honor of her birthday.

The following guests were present: Mesdames W. B. Baird, Joe O'Brien, T. Davis, P. C. Latham, Edna Kin-dred, Cora Wilson and the hostess.

Each guest presented Mrs. Gregory with a lovely handkerchief wishing her many returns of the day.

Lovely refreshments, in keeping with Halloween were served by the hostess, assisted by Mrs. O'Brien.

Barnes-Watkins
Wedding Is Told
 Saturday morning at the First Methodist parsonage, Miss Frances Irene Barnes of Eagle Point was married to Mr. Ervin Watkins of Crescent City. Rev. Joseph Knotts officiating and using the beautiful ring ceremony. Mr. and Mrs. Watkins will make their home in Crescent City. Mrs. Watkins is the daughter of Mr. and Mrs. S. K. Barnes of Eagle Point. S. C. Watkins, brother of the groom, came over from Crescent City to attend the wedding.

Don't Overlook Norton.
 To the Editor:
 Observing that an attempt is being made by certain people living in Josephine county, who are undoubtedly misguided and misinformed as to the true facts, to stir up again the turmoil which was prevalent in this county some several years ago, through an unwarranted and unjustified attack upon Judge Norton, I want to take this opportunity to again call to the attention of the voters in Jackson and Josephine counties, the fortunate position which they occupy in having a man of Judge Norton's qualifications, high moral standing and integrity upon the circuit bench.

Not only is Judge Norton learned in the law, absolutely impartial and unbiased, and with a wonderful knowledge of human nature, but his character, moral fibre and integrity are above reproach in all things, and it is unthinkable that anyone who might desire a free, well-qualified judiciary should advocate in any particular any opposition to Judge Norton. I feel that this is the situation in this district, but because of the fact that the place where the judicial candidates appear on the ballot is not very prominent and can easily be overlooked, there is some danger that many voters might not cast their ballot for Judge Norton, and this opposition might garner a few votes.

Hence, may I most respectfully urge upon all voters the necessity of seeing to it that their ballot is cast for Judge Norton in the interest of good government.

Frank Anderson Endorsed.
 To the Editor:
 I have personally known Mr. Frank E. Anderson for a good many years. He is the democratic candidate for constable. He is also the only one to have run in the primaries. He has lived here for the past 25 years, attended local schools and is a graduate of O. S. C. school of pharmacy. His education fits in exceptionally well with the duties of constable, which is the serving of many kinds of papers. He is also available at all times, as he lives in Medford.

DWINDLING RACE VISION OF DUCE ALARMS FRANCE

Leaders Fear Invading Hordes Will Pour Over Undefended Frontiers if Population Grows Sparse

By Richard G. Massock.
 PARIS—(AP)—France, warned by Mussolini to halt her falling birth rate, is worrying about her place in Europe's population race.

She is afraid invading hordes eventually will pour over undefended frontiers if her population dwindles as Italy's premier predicts.

Unless French marriages and babies multiply in the near future, Mussolini warned there will be only half as many Frenchmen within a scant 60 years, or 20,000,000 as compared to the present 40,000,000.

Sees Colored Peril.

The prophecy by the Italian chief was in an article in which he wondered "if the white man's civilization would not disappear in the face of the 'continual numerical growth and uninterrupted territorial expansion of the yellow and black races.'"

"There is not an hour to lose in seeking remedies," he told France.

"That neighborly warning from a foreign chief of state has served to focus France's attention on an 'appeal to the nation' issued by 20 prominent French leaders a few months back, but generally ignored.

"Rapid depopulation," said the appeal, "threatens commerce and industry with failure for want of consumers; the state with bankruptcy for want of taxpayers and the country with inability to protect its frontiers for want of defenders."

That appeal was signed by such personages as Raymond Poincare, former president; Edouard Herriot, former premier; Mme. Ferdinand Foch, widow of the marshal, and Cardinal Verdier.

Critics of the government, which is doing nothing they say to encourage marriage, are demanding that it follow the example of the neighboring dictators, Hitler and Mussolini, who are making marriage virtually obligatory for state employees and attractive to others by bonuses.

Extension of water purification to the smaller cities, where as many as nine out of every 100,000 inhabitants died in 1929 from typhoid fever, is among the suggestions to help lower the death rate.

Coffins Race Cradles.

Nearly 40,000 fewer children were born to French families in 1933 than in 1932, while the deaths last year exceeded those of the previous year.

The births were 682,680 and the deaths 661,083, leaving a net population gain of only 21,597, or about one-third that of 1932.

Fewer births eventually will mean fewer marriages, say the appeal, so that if the birth decline continues

BEBE DENIED DAMAGE IN SUIT OVER SMASHUP

A circuit court jury in the damage suit of D. W. Beebe against C. F. Way, returned a verdict in favor of the defendant and awarding no damages to Beebe. He sought \$1025 damages as a result of an auto accident on the Pacific highway near the fairgrounds. It allegedly occurred when Way's truck, in turning into the "Old Airport road" struck the rear wheels of Beebe's auto, causing it to overturn into a ditch.

TAX LIMITATION PERILS SCHOOLS WARNS HOWARD

EUGENE, Nov. 5.—(Sp.) In an interview with the Mail Tribune correspondent today, C. A. Howard, state superintendent of schools, gave some pertinent facts concerning the proposed "20 mill tax limitation amendment" to the Oregon constitution, which will be referred to the voters of Oregon at the general election Tuesday.

In a general statement concerning the school districts of the entire state, Mr. Howard said: "Revenue that would have been derived if this amendment had been in operation during the school year of 1932-33 would have been five and three-quarters million dollars less than the actual expenses of the elementary and high schools that year and in this was a year of rigid curtailment in salaries and other expenses." The exact amount under the necessary expenses given by Mr. Howard.

Mr. Howard also gave some very interesting facts particularly concerning union high schools and non-high school districts. At the present time the union high schools are supported by a levy on the entire union district. This levy is in addition to the levies for the elementary school districts comprising the union district.

According to Mr. Howard, the limitation amendment would give the gross school levy to 5 mills and, as this amount would probably be required for the elementary schools, no union high schools could operate. To quote Superintendent Howard: "Probably no union high school district in the state could make a levy for high school purposes and as there are 85 union high schools with a total enrollment of 9728 pupils, this would mean that this number of students would not be able to attend high school at all."

The limitation amendment would also affect other state institutions. According to Superintendent Howard, the state tax levy is now 4 1/2 mills, exclusive of income and other special taxes. Of this sum 2 mill are now used for the elementary schools only. This bill would limit the state levy to 3 mills, thereby leaving the schools as well as the state tuberculosis hospital, boys' and girls' industrial training schools, penitentiary and other major institutions with insufficient financial support.

"All the figures given were compiled and carefully checked in our office from reports in the state tax commission's office," Superintendent Howard said.

Challenge Waits Vote First Lady's Daughter

NEW YORK, Nov. 5.—(AP)—Natalie Couch, republican candidate for congressman at large, announced today that she will challenge the vote of Mrs. Anna Dall, President Roosevelt's daughter, should she cast a ballot at the election tomorrow.

Expressing her challenge in a telegram to Mrs. Franklin D. Roosevelt at Hyde Park, Natalie Couch wrote as follows:

"I am sending this telegram to you as a member of the White House and as an active participant in the democratic campaign against my candidacy for representative in congress at large from the state of New York.

"I am informed that a member of your household, on or about June 17,

last, established legal residence in the state of Nevada for personal reasons, in which I have no interest.

"I am further informed that the same member of your household has, within recent date, obtained an absentee ballot in Duchesne county for the purpose of voting in the forthcoming election. If this is true, I am vitally interested.

"I call your attention to section 180 of article 7 of the election law and to sections 1620 and 1633 of article 138, chapter 41, of the penal law. "I shall see that such a vote is challenged for the purpose of preserving an honest ballot."

The wire was signed "Natalie Couch."

GRAZING POLICY WILL BE TALKED

WASHINGTON, Nov. 5.—(AP)—Administration of the nation's acreage of public domain under the Taylor grazing act will be discussed at a conference called by Secretary Ickes for the end of this week. The future policy of the interior department relative to public land use and control may be determined, it was said.

The Taylor act gave the interior department jurisdiction over 80,000,000-acre of public land.

Ickes said today he believed local grazing districts should be given latitude in the administration of their respective areas, to comply with local needs and conditions.

HARDWOOD PRICE CUTTING FAVORED

WASHINGTON, Nov. 5.—(AP)—The lumber code authority recommended to NRA today reductions of from 2.35 per cent to 14.3 per cent in the minimum prices of hardwood.

A request was made for immediate approval.

The proposed reductions, based on the average prices of numerous items
