NEGLECT OF COMMON CONSTIPATION IS A SERIOUS MATTER

Prevent This Condition with Kellogg's ALL-BRAN The first question your doctor asks is whether you are constipated or not. He knows that this condition may cause headaches, loss of appetite and energy, sleeplessness. It is often the starting point of serious illness. You can prevent and relieve common constipation so easily. Just eat a delicious cereal once a day. Laboratory tests show that Kellogg's ALL-BRAN provides "bulk" and vitamin B to aid regular habits. ALL-BRAN is also a rich source of blood-building iron.

The "bulk" in ALL-BRAN is much like that found in leafy vegetables. Within the body, it forms a soft mass. Gently, it clears out the intestinal wastes. Isn't this "cecal way" safer and far more pleasant than taking patent medicines—so often harmful? Two tablespoonsful of ALL-BRAN daily are usually sufficient. With each meal in chronic cases. If seriously ill, see your doctor. ALL-BRAN is not a "cure-all." Enjoy ALL-BRAN as a cereal or use in cooking. Get the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.
