

MAMMOTH HINDU GRAPPLES MUIR ON ARMORY CARD

Jagat Singh Will Demonstrate Strange Grips—Red Devil Mystery Man to Meet Thiede in Opener

Both Jagat Singh, mammoth Hindu grappler, and the Red Devil, mystery man of the ring, will furnish decidedly unusual fireworks in the double main event tonight at the armory, when they tangle with their respective opponents, Bonny Muir, Australian champion and Cliff Thiede, former Long Beach, Cal., life guard.

Singh will bring to Medford the spectacular Oriental brand of muscle mangling, as he learned it in Punjab, India, and tonight's customers should be treated to one of the most novel mat demonstrations they have had the chance to see for some time. Besides weighing in the 240s, the Hindu boasts a knowledge of strange holds that promise to make Australian Muir step lively.

Muir Versatile. On the other hand, Bonny is one of Promoter Mack Lillard's most versatile and popular musclemen. He is a sturdy specimen of the Australian type of wrestler, and plays the game earnestly with only one of its modern tricks—the flying tackle. Muir will be outweighed tonight by more than 20 pounds, but he already shown local fans how he handles heavier opponents. Although the Hindu may resort to unorthodox tactics known only to grapplers of his race, the bout will probably be as fast and scientific as they come.

Sharing limelight in the two-ply card will be the Red Devil, who is rated along the coast as the game's most prominent mystery man. In his match with Thiede he will be seen in action for a 60-minute tussle with a scarlet hood his only identification mark. Besides being unknown to his opponent and the audience, Scarlet Satan's identity is also a blank as far as Promoter Lillard is concerned.

Red Devil Anonymous. The Red Devil he is and the Red Devil he will remain until some grappler is able to disclose his identity by pulling off his mask, without which he never appears in the role of a wrestler. It is Cliff Thiede's fondest hope that tonight he will get an opportunity to snatch off the mysterious hood bender for two out of three falls. Thiede is stout, but the masked man is bigger, weighing about 240, and as clever as he is strong.

Promoter Lillard says ticket sales are revealing much interest in the double top-notch, which is being presented with no boost in prices.

ARNHEIM'S 'GANG' HERE OVER NIGHT

Colonel Gus Arnheim, "his guys and his gals," had to come to Medford today, where they were registered at the Medford hotel, to see their first glimpse of the sun in six weeks, according to Gus in an interview this morning.

Asked if he intended playing in Medford, Arnheim stated that Medford was the most logical spot between Portland and Sacramento, and that he intended making the loop of northern California and southern Oregon as soon as he could manage it. The location of Medford has barred his coming here, but the Colonel stated that he didn't realize the possibilities of the city before this trip. The orchestra and entertainers proceeded south by bus this morning, to play an engagement in Sacramento this evening.

3000 STEELHEAD FRY FREED IN BOLAN LAKE

GRANTS PASS, Nov. 15.—(Sp.)—Three thousand steelhead trout fry were liberated in Bolan lake Tuesday by Everett Moore, from the state fish hatchery in Butte Falls. The fish were taken in from the Redwood ranch station by the forest service, Mr. Moore and W. C. (Pete) Allen accompanying them to supervise the liberation.

The trip was made over the new forest service road which leaves the Happy Camp road near the state line. The road was in fair condition, but recent rains have made it extremely slippery in places, necessitating the use of chains.

CLARK AND FEATHERS LEAD IN PRO SCORING

NEW YORK, Nov. 15.—(AP)—Earl Dutch Clark of Detroit, in total points, and Seattle Feathers of Chicago Bears, in ground gained, are the national professional football league's current leaders on offense.

Feathers, piling up 915 yards in 86 attempts, has averaged better than ten yards every time he has been given the ball.

Clark, former all America quarterback from Colorado college has scored 72 points on eight touchdowns, 12 points after touchdown and four field goals.

Mystery Man or the Mat

Red Devil, mystery man of the mat, who cloaks his identity behind a red helmet, will grapple Cliff Thiede, former Long Beach, Cal., life guard, in the opening match on tonight's armory wrestling card. Jagat Singh and Bonny Muir meet in the final fracas.

GOPHERS STRONGEST GRID TEAM IN LAND IS VIEW OF EXPERTS

NEW YORK, Nov. 15.—(AP)—Late returns in an Associated Press poll today served only to emphasize the belief of the nation's football experts that Minnesota's Gophers are the most powerful team in the land.

Out of a maximum of 480 points, the Gophers received 635 with fifty newspaper observers placing them at the top of the ranking list and the other 15 who participated in the poll placing them second.

Ranked second by the experts were Stanford's Cardinals with 468 points while Alabama was placed in third position with 438 1/2 points. Back of these three leaders trailed Pittsburgh, 420; Princeton 300 1/2; Illinois 183 1/2; Navy 182; Colgate 181 1/2; Ohio State 170 1/2; Syracuse 140 1/2; Santa Clara 119; Rice 106; Louisiana State 52; Army 44; Temple 21.

The result of the poll was marked by several peculiar placings. Stanford and Santa Clara, both undefeated, each tied once—the 7-7 draw to which they played one another—yet Stanford was placed second in the list and Santa Clara no better than 11th.

CALLISON SQUAD EN ROUTE SOUTH

EUGENE, Ore., Nov. 15.—(AP)—Coach Frank Callison and 28 members of the University of Oregon football squad today were enroute for Los Angeles, where they hope to conquer a "jinx," the Southern California football team, and a general feeling of pessimism which has been bothering them since the start of concentrated training for the Trojan game.

Terrific large scores, ranging from 33-0 to 26-0, which have been run up against them during the past several years by the Trojans, are the main reason for the "beaten-before-we-play" attitude which has characterized Oregon teams during other visits to Los Angeles and the southern California stronghold. This year, however, Oregon is conceded its best chance to down the Trojans—"jinx" and all.

Better clothes for less. It will pay you to climb my stairway. Klein the Tailor, 128 East Main, upstairs.

ROSE BOWL TRIP MAY BE PRIZE IN NEW YORK GAME

Syracuse and Colgate Will Have Eyes on West Saturday—Princeton and Pitt Chances Believed Slim

By HERBERT W. BARKER—(Associated Press Sports Writer)
NEW YORK, Nov. 15.—(AP)—It may be "On to the Rose Bowl" for the survivor of Saturday's traditional football clash between Colgate and Syracuse.

It is much too early, perhaps, to hazard a guess on the annual question—who is going to Pasadena—but there are strong grounds for belief that either one of the up-state New York teams has as good a chance as any and a much better one than most.

Surprise Last Year. Last year Stanford, the far western representative, surprised practically the entire populace by inviting Columbia, beaten by Princeton during the regular campaign, to play in the Rose Bowl, after the undefeated Tigers had announced they would decline any bids for a post-season game.

Now the Cardinals are almost certain to represent the far west for the second year in a row and once more their choice may fall on an eastern team.

Two Have Edge. If it does, either Syracuse or Colgate, depending upon which emerges the winner on Saturday, would be strongly in the running. Princeton, heading toward another undefeated season, probably would be the natural choice, but it is doubtful if the Tigers will even be invited in view of Old Nassau's policy on post-season football, but the Panthers' two stunning trouncings by Southern California still are remembered in Pasadena.

Neither Army or Navy, in all probability, would be available. Thus it seems to simmer down to Colgate or Syracuse if an eastern team is to be selected.

TIGERS POINT FOR SATURDAY CLASH WITH CAVEMEN

By Harold Grove
While hopes are soaring for a tilt with Hood River Nov. 24, the Medford high school Tigers have been practicing diligently for the tilt here Saturday afternoon with the Grants Pass Cavemen. Kickoff time is set for 2 p. m.

Grants Pass this year is rated as underdog to the teams of the Southern Oregon league. However, in the past several weeks they have improved considerably. In the opening game of the season Grants Pass defeated Klamath Falls to the tune of 12 to 6 and then were defeated by Ashland 25 to 0. Grants Pass then played the Pelicans again but this time the Cavemen were noed out 7 to 6.

Medford should win by a large score but it has been the custom in the past for an underdog team to make a comeback at the end of the season and give the league leaders a run for their money.

Coach D. K. Burgher stated today that he may start his regulars but also stated that he would give his reserves a chance to prove their worth to the squad.

The new postoffice at Minneapolis will have one of the longest corridors in the northwest. It will be 800 feet long.

Mosquitoes cannot breed without water.

Trojan Star Out For Oregon Game

LOS ANGELES, Nov. 15.—(AP)—Southern California probably will be without the services of its promising sophomore quarterback, David Davis, when the Trojans take the field against Oregon's football team here Saturday.

The youth, whose steady play marked the Stanford and California games, suffered a knee injury yesterday in a scrimmage session.

BOWLING

Hal Haight led his Electrolux bowling team to a clean-sweep victory over the Texaco on the Elks alleys last night, the captain turning in a stellar performance of 192-231-234 for a total of 627.

The Peoples Electric Store and City Cleaners clash tonight.

Electrolux.

JUNIORS AND IRISH IN SCORELESS TIE TO CLIMAX SEASON

After battling to a scoreless tie on VanSooye gridiron Tuesday afternoon, the Junior high school and St. Mary's Academy football teams hung up their axits for the 1934 season. It was by far the best all-around game the Juniors have played this year, but they were up against too much defense and several times found themselves pushed to their own 20-yard line in an otherwise mid-field contest.

Although neither team could click on offensive plays, the game was a demonstration of air-tight work on both sides. Passing also failed to bring the platoon even within good striking distance, and for the most part the ball changed hands on punts.

The Bulldogs showed more fight than their opponents, with the line upheld by Luckert's steady defensive game, and Ettinger, triple-threat halfback, leading the ball-toters.

Leo Sakrads, St. Mary's fullback did most of the academy's line plunging, with Joe Denman, left half, taking turns with the ball. The academy was scheduled to meet Ashland in the last game of the season, Friday afternoon, but the game was called off and St. Mary's will start the basketball season on that date.

The lineup:
Junior H— St. Mary's—
Verbeck LE Applegate
Wilson LT Barnum
Atkins LG Corum
Gates C Logan
Prentice RG J. Kempke
Luckeroth RT Delaite
Wells RE Gitzen
Ettinger LH Denman
Jones RH B. Kempke
Campbell QB P. Sakrads
Pasko Sakrads FB L. Sakrads

Substitutions: Junior high—Bloomer for Prentice, Benford for Roebinger, Zamra for Wells, Tuttle for Zamra, Reich for Tuttle, Clegg for Campbell; St. Mary's—Widmer for R. Kempke, Gritsch for Widmer.

Huskies May Fly South For Game

SEATTLE, Nov. 15.—(AP)—Coach Jimmy Phelan said he was "sold on the idea" of flying the University of Washington football squad south to the Southern California Game on Dec. 1. Schedules and costs are being looked up.

Omar Khayyam was more famous as a 12th-century mathematician than as a poet.

ARMY STAFF CHIEF RETAINED IN PLACE

WASHINGTON, Nov. 15.—(AP)—President Roosevelt today directed Secretary Dern to continue General Douglas MacArthur as chief of staff until December 15. His four-year term expires November 21.

This is the first time a chief of staff has served the army beyond the regular four-year period.

Because of the precedent there is reason to believe that MacArthur in all probability will not be given a full second term.

By the end of October, New Jersey had spent \$29,124,113 for relief through the emergency relief administration.

ROOSEVELT OFF ON PERSONAL SURVEY TENNESSEE PLANS

(Continued from page one)
try and just how his unemployment insurance will work.

The president looked forward with keen interest to the Tennessee valley tour. About 12,000 men are at work there to provide power, flood control, navigation and new fields of work for persons drawn from unprofitable land.

More Development Visioned. He has expressed the hope that this experiment may prove the forerunner of more balanced development on a nation-wide scale. Already similar efforts are in progress on the Columbia and Missouri rivers in the northwest and at the gigantic Boulder Canyon dam in the southwest.

The administration will strive in the next congress to obtain the approval of a treaty with Canada, to provide a similar development on the St. Lawrence river.

The president will stop early tomorrow at Harrodsburg, Ky., to dedicate a monument to pioneers of that state.

Afterward he will depart for the Norris dam near Knoxville, Tenn. An overnight ride then will carry the president to Nashville, where he will visit the Hermitage, home of President Andrew Jackson.

Quaker Steady WINTER 76 UNION GASOLINE
SAVE MONEY ON FERTILIZER by having your soil analyzed
The modern, efficient soils analysis shows you what available elements you have in your soil so you won't waste money buying plant food elements already there.
The first step in an intelligent effort to produce more Fancy and Extra Fancy Pears and Appes is a proper knowledge of the soil. The soil of every area is different from the soil of every other area. The thing to do is find out what plant foods your soils have and give them the right amount of what else they need.
NEW METHOD FOR SOILS ANALYSIS
Lillyco Soilschemist, Frank Mechener, makes a soil analysis to determine the nutrient conditions within the soil before making fertilizer recommendations, and the plant food content present, as indicated by this modern soil test, represents only the available supply and usually is quite different from ordinary soil analyses as made in the past which indicated the total mineral elements.
We can on request usually supply the name of one of your neighbors who is successfully following a fertilizer program based on soils analysis.
You can obtain a Lillyco Soil Analysis by placing a request through your distributor.
