

LEADERS URGING VOTERS' SUPPORT ON SEWER BONDS

Stephenson Says Issue in Step With New Deal—Dr. Findley Sees Health Side—Mayor Porter in Favor

Ralph Stephenson, chairman of the democratic county central committee urged all Medford citizens to go to the polls on Tuesday, December 4th, and give an overwhelming vote to the sewer bond issue, it was announced today. His statement follows:

"If Medford gives an affirmative vote to the sewer bond issue on December 4th, the city will be keeping in step with the new deal of President Roosevelt because authorization of the bonds will immediately start the building of a modern sewage disposal plant and will put 65 men to work for eight months. There is no need for me to enumerate the many reasons why Medford should vote overwhelmingly for the bond issue because I know you are already acquainted with this. I do, however, urge all voters to go to the polls. It will not take much time and it is a civic duty which you owe to Medford."

"Ralph Stephenson, chairman, Democratic County Central Committee."

Doctors Favor A letter received this morning by the Jackson County Chamber of Commerce pledges the support of the Jackson County Medical society to the proposed sewer bond issue to be placed before voters on December 4th.

"The letter follows: 'Jackson County Chamber of Commerce. 'It is with a great deal of pleasure that the Jackson County Medical society has noted that you are endeavoring to facilitate the erection of a new sewage disposal plant for the city of Medford. This new plant has long been a necessity as a safeguard to public health as well as a means to abate a very disagreeable odor nuisance. Because of the gift of a considerable portion of this money by the federal government and because of the fact that there will be no increase in taxes, the Jackson County Medical society feels also that this project is economically sound at the present time.'

"Rest assured that you have our support in your activities in making possible this disposal plant."

"Sincerely, 'D. H. FINDLEY, M. D., 'Secretary Jackson County Medical Society."

Mayor George Porter also issued a statement this morning, as follows: "As mayor of the city of Medford, I want to urge every voter to go to the polls next Tuesday, December 4th, and cast a favorable ballot on the sewer bond issue. I appreciate that most of our citizens realize that something must be done about our sewage disposal plant and I believe the majority of them believe that now is the time to do it, but unless everyone who wants the plant goes to the polls to express his or her opinion, Medford will not obtain this very necessary development. Medford has always been a progressive city and the opportunity will be afforded every citizen to again demonstrate our progressiveness by giving a large majority vote for the sewer bond issue on December 4th."

"GEORGE PORTER, Mayor, 'CITY OF MEDFORD."

How to Cook Thanksgiving Turkey

By the Chef Who Cooks the President's

Turkey and plum pudding, the old Thanksgiving standbys, will have prominent places in the dinner that is set before President Roosevelt at the Georgia Warm Springs Foundation this year. C. M. Stephens, Foundation chef, tells you in the following article, how to cook your Thanksgiving bird and make the pudding just as he prepares them for the president.

By C. M. STEPHENS, Chef, Georgia Warm Springs Foundation.

(Written for the Associated Press) WARM SPRINGS, Ga.—Thanksgiving wouldn't be Thanksgiving without turkey, plum pudding and pumpkin pie, and so the president's annual dinner here will center on those dishes. Following is the menu I have prepared:

- Crisp Hearts of Celery
Assorted Olives
Toasted Mixed Nuts
Fresh Grapefruit Cocktail
Roast Turkey With Oyster Stuffing
Creamed Potato Balls, Parsley Topped
Peas in Patty
Assorted Breads
Thanksgiving Salad
Old-Fashioned Plum Pudding with Hard Sauce
Individual Pumpkin Pies

Here are the rules I go by in selecting, preparing and cooking turkeys, and my recipes for stuffing and plum pudding.

Selecting and Preparing Bird. The bird you select should be plump, with a full broad breast. For a family of six or eight, a 10-pound bird is the ideal size.

Chop off the tips of the wings, feet, and all but a few inches of the neck. Single and pull out all of the pin feathers, wash carefully, and dry thoroughly. Clean gizzard and remove gall bladder from liver. Rub inside of the turkey with one tablespoon of salt, and stuff.

Stuffing and Trussing. Begin by placing stuffing in the neck and wing enough to fill the skin. Fold the wings close to the body and hold them by inserting a skewer through each wing and body and wing on opposite side. Do this the same way with one skewer. Cross the drumsticks and tie with a cord fastened to the tail. Draw the skin over the neck and fasten to the back with a skewer. Mix together 1/2 clove crushed garlic, 1 1/2 tablespoons salt, 5 tablespoons melted butter or drippings, and 2 tablespoons of flour. Rub this over outside of turkey.

Cooking. Lay the turkey, breast down, in an open baking pan. Place in moderate oven (375 degrees Fahrenheit). When oven, turn on its back, basting every few minutes with 1 cup hot water or stock and 1/2 cup melted butter. If turkey is browning too fast, cover with white greased butcher paper to prevent burning. Cook 2 1/2 hours to the pound. If the oven is electric, place the turkey in cold oven and turn the switch to baking temperature. Cook 2 1/2 hours to the pound. Do not baste.

Oyster Stuffing. 18 oysters and juice
3 cups bread crumbs, wet and squeezed
4 tablespoons butter
1 tablespoon parsley
1 sprig thyme
1 bay leaf
3 tablespoons sage
Salt and pepper to taste.

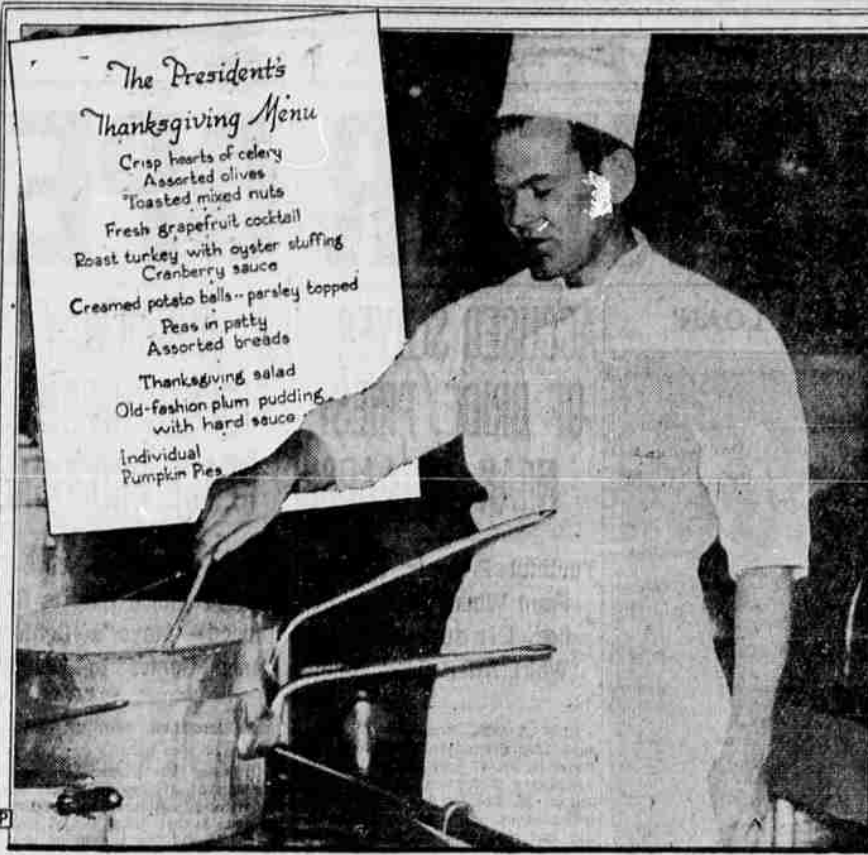

Drain the oysters, wet the stale bread with hot water, squeezing thoroughly. Put butter in frying pan, heat and add onions. As it begins to brown, put in the chopped parsley and bay leaf, and then add the bread, which has been mixed well and seasoned with the chopped sage. Mix well, stir, blending all thoroughly. Now add the cup of oyster juice as it is reduced. Add oysters.

Plum Pudding. 1 1/2 lb. bread crumbs
1 lb. raisins
1/2 cup molasses
1/2 pound currants
3 eggs
1/2 pound orange peel
1/2 cup sweet milk
1/2 lb. suet
1/2 lb. citron
1/2 oz. mixed spices
1/2 pound sugar
1/2 pound lemon peel
Pinch of soda
A little salt.

Mix the dry ingredients and add the liquids. Add a little more milk if the mixture should be too firm. Steam in molds, or boil in cloths (steaming is much preferable to boiling). Divide into four puddings and steam or boil for 3 1/2 hours. Plum pudding should be served with a good brandy sauce. But as this can not be bought in some states, a hard sauce may be substituted.

Girl Sets Hospital Record. BOSTON.—(UP)—Betty Mark, seven, has broken all records at City Hospital for the number of times as a patient. Betty, for the tenth time in four years, was in the hospital for a leg fracture. Because of undernourishment while a baby, her bones have become brittle. SALEM, Mass.—(UP)—A watch stolen 22 years ago has been located and returned to its owner. Inspectors John J. Brennan and Charles A. H. Duffee discovered it in a pawn shop.

Oyster stuffing goes into the turkey President Roosevelt will carve on Thanksgiving day at the Georgia Warm Springs Foundation. And the chef of the foundation, C. M. Stephens, shown "in action," thinks the national feast wouldn't be complete without plum pudding and pumpkin pie, too. The presidential menu, which Stephens will have under his care, is presented above.

MRS. NUGENT'S RECIPE FOR BAKING POTATOES WINS NATIONAL HONOR

Mrs. D. M. Nugent of 33 Tripp street, Medford, has just been awarded a certificate of recipe endorsement by Better Homes and Gardens for her recipe, "Skillet Baked Potatoes."

This certificate, which brings national recognition to Mrs. Nugent, is given only to distinguished recipes which pass the magazine's testing kitchen's tests for dependability, excellence of taste, and family usefulness.

In awarding these certificates, it is the magazine's aim to provide proper recognition for the creative work done by women in their own kitchens, and also to raise the standard of accuracy and dependability of recipes as a whole.

Mrs. Nugent's endorsed recipe follows:

Skillet Baked Potatoes. This is an original recipe which I have been testing for the last year. My family, and also my friends, select six medium size uniform potatoes. Scrub the potatoes with a pot scraper until almost white, then wipe dry. Saute eight slices of bacon in a heavy skillet, then push the bacon to one side, add the potatoes to the hot fat and brown delicately, turning occasionally. Remove from the stove, add 1/2 cupful of hot water and sprinkle generously with salt and pepper. Cover the skillet and place in a moderate oven (375 degrees) and bake until the potatoes are well done. Serve six.

I bake potatoes in this manner when cooking a roast, pudding or pie thus all the heat may be utilized.

ALIENS SCURRY FOR CITIZENSHIP

SALEM, Nov. 27.—(AP)—Debate to avoid possible service in an European war and to become eligible for the Townsend old age pension plan resulted in a rush for American citizenship papers here, county officials announced.

The county clerk reported difficulty in securing enough federal forms to accommodate all applicants. Several frankly admitted their reasons for filing their intentions.

While first papers are being applied for the county was preparing to complete examinations of 12 who were trying for their final qualifications.

SNELL TO RETAIN FLAGG AS DEPUTY

ARLINGTON, Ore., Nov. 27.—(AP)—Earl Snell, secretary of state-elect, announced today that "at least for the present," he will retain George Flagg in his present capacity as deputy secretary of state.

"I am in receipt of many applications and endorsements for the position of chief secretary of state," Snell said. "Also, I have considered others who have not submitted applications. After deliberate consideration, I have determined that upon taking office I shall, at least for the present, retain the services of George Flagg."

Snell said, too, he had been besieged by hundreds of applicants for other positions. "It will not be my purpose, however, upon taking office, to immediately disrupt the present organization," he said.

INDICT BOWMAN IN HUNT SLAYING

LA GRANDE, Ore., Nov. 27.—(AP)—Dan Bowman, Misson merchant, late Monday was indicted by the Union county grand jury, which charged him with first degree murder of Fred Lampkin, Pendleton publisher, at an elk hunting camp near Starkey, November 9.

Arraignment of Bowman was not likely for a few days, officers said, pending improvement in his physical condition. He is held a prisoner at a local hospital where one leg is in a cast, the result of an injury at the elk hunting camp a few hours before the killing, which Bowman claims was accidental.

Time for trial is expected to be set whenever Bowman is arraigned.

Service Station Operator Robbed. SALEM, Nov. 27.—(AP)—Ralph Heriz, service station operator here, reported to police he was held up and robbed of \$48.54 late last night by a gunman who was curt and businesslike in his work.

He stated the thief forced him to open the till and then drove away hurriedly in a light-colored coupe. A general police alarm was sent out.

Toppled to Floor. Assisted to a chair, he buried his face in the upturned collar of his overcoat, a moment later he toppled from the chair.

Saul Price, assistant district attorney, said Steinmetz admitted he shot the others after all three had been drinking and "the priest asked my wife down to his room to hear a confession."

Steinmetz was found lying near the bodies, an automatic pistol in his hand. He was quoted as saying he had bought the weapon on his wedding trip, given it to the priest on the latter's suggestion, and then taken it from the clergyman's coat after finding his bride and the priest together.

He fired several shots. Price said the prisoner told him:

Mind in Whirl. "Then my mind was all in a whirl," he concluded. "I remember nothing after that."

Investigation disclosed Steinmetz, a foreign born Jew, had renounced his family's faith to study for the Presbyterian ministry in Los Angeles. There he met Ruth Armstrong, a Catholic.

The girl's marriage license showed they had been married at The Juana, Lower California, on November 10. They registered at the (Knights of Columbus) Hotel last Tuesday after a bus trip from the west.

Father Leonard registered at the hotel Sunday night as John J. Leonard of Trenton, N. J., and Steinmetz told his questioners he met the clergyman shortly afterward. The three met again yesterday morning, and the assistant district attorney said, drank heavily.

Looked Through Keyhole. Hotel employes told a bellboy saw Steinmetz peering through the keyhole of the door to Father Leonard's room just before the shooting.

A Catholic diocese of Trenton issued a statement saying Father Leonard "suffered from mental depression" since a severe attack of influenza in 1932.
