

TIGERS, COLONIALS FIGHT TO 6-6 TIE IN PORTLAND MUD

(Continued from page one.)

25 and DeWitt added the yards to place the ball on the 12 where Emerson slipped off tackle for the Colonial's lone marker. Ghelardi ruined DeWitt's pass to Harlow for the extra point.

DeWitt proved himself to be the outstanding player on the field with his line plunging, passing and his marksmanship at punting. He placed two kicks almost in the same spot in the third quarter when he kicked the ball rolled out of bounds and again on the 2 yard line where it also rolled out of bounds. Both Medford ends, Kunzman and Hinman along with both the Washington high and Medford high centers played great games.

It could be easily noted that the Medford players were weary from their hard trip the day before the game. The players appeared on the Multnomah field for the first time yesterday afternoon. The Tigers did not get the opportunity to have a workout on the field prior to the game.

Penalties Handicap
The Medford team were greatly handicapped by the penalties bestowed upon them but came back strong each time.

Early in the first quarter the Washington Colonial's attempted to gain a lead by marching down the field to the Medford 20 where DeWitt tried a field goal, but O. Bates broke through the line and made a fumble for the ball, stopping it before DeWitt had a chance to kick.

The Colonial's chief grunting play was a pass from DeWitt to an end behind the line of scrimmage—one of Pop Warner's creations while he was coaching at Stan-
ford.

The ball was in Medford's possession at the end of the game on the Medford 47 yard line.

Tigers Played Safe
Washington took words of chances while Medford confined their play to keeping possession of the ball as long as they could.

Medford used but one substitution in the first half while Washington substituted six times with Coach Jenne showing in his whole lot of bench warmers in the last minute of the game.

The starting lineup:
Washington Medford
Nelson RE Hinman
Yonkers RT Kindred
Finkbeiner HG Baker
H. Adams C. Stewart
Swanson LC Estes
Holl LT O. Bates
Campbell LE Kunzman
Keep Q Ghelardi
Hadley RH Brown
Emerson LH Smith
DeWitt F Bates

Subs: Harrow, Guisti, Ross, Smith, Moberly, Cavesy, Simmons, Thompson, Day, Gannett, Doty, Allhands, Wilson, Davis, Eshel and Swanson for Washington, and Pierce for Medford.

Officials: Ref., Hobson, Eilers, umpire, Donaldson, headlineman.

PORTLAND, Ore., Nov. 30.—(AP)—Medford high school's outstanding record of no defeats in state competition the past two years remained intact today, but was tempered by a 6 to 6 tie with Washington high, Portland champ, here yesterday.

The game didn't do much to clarify the mythical state championship mists, inasmuch as Salem and Pendleton high teams wound up their season spectacularly with no defeats or ties.

Salem was rated about on a par with Corvallis high, but walled over with a 10 to 0 victory. Likewise Pendleton made a stronger than anticipated showing in submerging The Dalles, 27 to 7, mainly by pass interceptions.

Tigers Score First.
The 6500 spectators saw the big black-shirted warriors from the south repulse a Washington high threat in the first quarter and start a march that brought the first touchdown in the second period.

Its first drive stopped on the Medford 22, Washington unsuccessfully attempted a place kick for a field goal.

Points were exchanged and then Medford's crunching blockers got the range and with Bates and Ghelardi alternating, the ball was patted from the Medford 32-yard stripe to the Washington 38.

With the running attack temporarily halted, versatile Leo Ghelardi arched a long pass, which Stanley Kunzman, Medford end, took on a dead run goalward. He was pushed out of bounds on the two-yard line, but Fullback Bates crashed through on the next play.

Bates also drove across for an extra point, but it was nullified by an offside penalty. From 7 1/2 yards back his place kick for extra point was blocked.

Draw Heavy Penalty.
Soon a 15-yard penalty for clipping set Medford back and Medford punted out of bounds on its own 43-yard line. DeWitt shot a pass to Campbell for a first down on Medford's 28. Cavesy glued a short pass across the line for eight yards and DeWitt crashed to a first down on the Medford 18.

Medford was penalized five yards for offside and before the Bear-pickers knew what happened Emerson scored on a reverse, going over standing up. DeWitt's pass for extra point was snuffed down.

With a more versatile attack Washington kept the game in Medford territory most of the second half. The Colonial's threw 15 passes, completing five. More were in-receivers arms but dropped.

Medford's only attempted pass was completed for the long gain leading to the touchdown.

CULINARY CRAFT....

STUFFING FOR THE TURKEY

The turkey is a handsome bird. More noble when he's fatter: He looks good prancing in his pen. But better on a platter."

Between the pen and the platter there is the getting ready and cooking of course. Did you ever find

you're self the owner of a fine dressed turkey but with little or no idea of what to put in it for stuffing?

From inquiries received, I believe this is a rather common experience. So, today we are offering you a selection which should cover almost everyone's idea of what they like for this part of the "fixings" for the holidays.

Just one caution before the recipes. Do not fill the bird too full. Give the stuffing room to expand in cooking and it will be light and much more pleasing.

Plain Bread Stuffing
4 cups bread (small cubes),
1/2 teaspoon sage,
1 teaspoon salt,
1 tablespoon minced onion,
4 tablespoons minced celery,
1 egg, slightly beaten,
1/2 cup melted butter,
(Pepper and a little sugar if you like it).

Use day old bread and combine with the seasonings. Add egg and butter and mix lightly with a fork.

Variations—Add 2 cups of oysters, cut small, or
4 tablespoons parsley, chopped, fine, or
2 chestnuts, or
1/2 cup raisins and 3 tart apples.

Corn Meal Stuffing
2 cups brotn,
2 small onions,
1 tablespoon poultry seasoning,
1 cup corn meal,
3 cups bread cubes,
1 egg, well beaten,
1/2 cup diced celery,
Salt and pepper to taste.

Heat broth to boiling and stir in the corn meal gradually. Cook for ten minutes. Add bread, celery onions, seasonings and egg, adding salt and pepper to taste. Mix thoroughly.

Sausage Stuffing
1 lb. sausage meat,
10 soda crackers (1 1/2 cups),
2 eggs,
1 teaspoon salt,
2 cups diced celery,
2 1/2 cups broth (or water),
Crumble crackers not too fine and

blend with the other ingredients.
Cranberry Stuffing
24 crackers,
2 cups cranberries,
3 cups diced apples,
2-3 cup sugar,
Salt to taste.

Crumble crackers. Wash the cranberries and combine with the apples and sugar, then with the crackers and salt to taste.

Corn Stuffing
20 crackers,
2 cups yellow corn,
1 egg, slightly beaten,
3 tablespoons minced celery,
2 tablespoons minced green pepper,
1/2 cup melted butter,
Salt and pepper to taste.

Crumble crackers, add egg, butter. Then remaining ingredients.

CCC MEN ENJOY TURKEY DINNERS

Elaborate preparations for Thanksgiving day were made in the CCC camps of the Medford district, with turkey dinners for the men in camp, and their invited guests.

Camp Cranberry creek printed attractive menus for the dinner, and a number of guests were entertained. A buffet supper was served in the evening.

At camp Hill a special eight-page edition of the camp newspaper, the Hill Bully, was issued, with the menu featured on the first page. Bob Bid-dison is editor and Lawrence Bowman associated editor. Captain H. G. Newell, D. M. Horn and C. B. Kennedy compose the advisory board for the publication.

Comment on the Day's News

By FRANK JENKINS.

SAM INSULL, ex-public utilities magnate, charged with using the mails to defraud, is acquitted by a jury that spent eight weeks listening to the evidence and two hours in arriving at a verdict.

ARE you surprised?
Well, there isn't much to be surprised about. Insull, seeking to get rich quick, sold securities to people who bought them in the hope of getting rich quick.

All this occurred back in the crazy boom days, when EVERYBODY was trying to get rich quick, without work.

THESE questions probably occurred to the jury:
1. Was Insull, who sold to get rich quick, much worse than those who bought to get rich quick?

2. If we convict and send to jail all those who tried to get rich quick back in the big boom days, who will be left OUTSIDE to feed those INSIDE?

WE'VE been going through a lot of grief in the last four years, if we'll just remember that a lot of our grief SINCE 1930 has been caused by our efforts to get rich quick without work BEFORE 1930, it will do us a lot of good.

adopts a resolution demanding a "large scale public works program as the best stimulus to recovery."

When? About 1930, when all the red tape gets unwound.

WET pavements, a headline informs us, "cause accidents." Sure they do—wet pavements, plus the fact that drivers fail to take into consideration the fact that the pavements are wet, and therefore dangerous.

That is another form of carelessness, which is responsible for most automobile accidents.

MORE headlines: "Italians Defy Jugoslavia." "Curt Communication Sent to France."

"Austria, Hungary Reported United with Italian Government."

SOUNDS bad, doesn't it? But when dogs bark loudest, they are least apt to fight. It's when they

begin to growl deep in their throats and show their teeth that something is likely to happen.

Europe is doing a lot of barking these days. She'd like to fight, but can't afford it.

LIONS CONGRATULATE TIGER FOOTBALLERS

Medford Lions' club sent Coach Darwin K. Burgher and the high school football team a telegram of congratulations yesterday for their performance in the Thanksgiving day game, following a resolution passed by the Lions at their regular meeting Wednesday.

It was also decided to send a letter of appreciation to the Associated Oil Co., for their broadcast of the game.

Besides attending to routine business matters, the Lions also made plans for a benefit dance, to be given

at Oriental Gardens Friday, December 14.

ADDED ATTRACTION AT ORIENTAL DANCE

Jimmie McHenry, of Spokane, will play the African harp, as a special attraction at Oriental Gardens Saturday night, according to Dad Dyngre, Mr. Dyngre says, "We feel fortunate in securing this added attraction and we believe it will be a real treat."

Frequent Arising at Night

Mrs. Ava Lenz of 2125 W. Kenyon St., Seattle, Wash., says: "My kidneys were weak, would disturb my rest frequently at night. I used Dr. Pierce's A-muric Tablets and it seemed so time so all before the backache disappeared and my kidneys functioned normally again."
Send 10c to Dr. Pierce's Clinic, Buffalo, N. Y., for a trial size. "We Do Our Part."

Which straight line is longer, A or B? (Guess first... then measure!)

There's an illusion in salt packages, too. Don't be fooled—read the weights on the labels! A full 2 pound package of LESLIE SALT gives you 6 to 12 more fillings than smaller packages costing the same!
