

Alabama Named Stanford Opponent for Rose Bowl New Years

UNBEATEN 'BAMA TO MAKE FOURTH JAUNT TO COAST

Southerners Closed Season Thursday With 34-0 Victory Over Vanderbilt — Minnesota Not Considered

PASADENA, Calif., Nov. 30.—(AP)—Alabama was selected today to meet Stanford in the Rose Bowl football game here New Year's day.

The announcement, made by Alfred Masters, graduate manager of Stanford, came as no surprise. It will be the Crimson Tide's fourth trip here. In its three previous appearances the southern team won twice and was tied once—by Stanford, 7 to 7, in 1927.

Coach Frank Thomas' Bama boys come here undefeated or tied. They closed their season yesterday with a 34 to 0 victory over Vanderbilt and rolled up 114 points to none for their opponents in the last three games.

Masters made the announcement as he stepped from the train bringing him from Palo Alto.

Masters said that at no time had Stanford entertained any idea of inviting the unbeaten University of Minnesota team, since it was realized such an offer would be useless in view of the western conference rule prohibiting post season games.

SONS CAGE MACHINE POLISHED FOR CLASH WITH MAC INVADERS

ASHLAND, Nov. 30.—(Sp.)—Coach Howard Hobson and his SONS hoop team are ready for the pair of games with Multnomah club of Portland tonight and Saturday here. The game tonight will start at 8:15, while Saturday night's clash is slated to begin at 9:15 to enable merchants to attend. Both tilts will be held in Junior High school gym.

The Normal school squad, one of the best and tallest in years, is progressing rapidly, though no brilliant advance to mid-season shape has been observed. Veterans Howell, Courtney, Bradway, Patterson, Lindley and McLean are looking the best now, with five of the six likely to start against the club.

Harold "Ox" Bradway, the best jumper on the squad, looks ready to fill the center berth, with Ward Howell at forward. Ward's running mate will undoubtedly be Charles Peterson, the smoothest ball handler on the roster.

Courtney and McLean are leading in the race for the two back-court positions, but it is unlikely that Hobby will play them both at once, for they are both short. Either Bud Lindley or Dick Jockish will pair with one of the shorter boys, with Lindley having the edge at present.

FRESNO STATE COLLEGE CONFERENCE CHAMPIONS

FRESNO, Cal., Nov. 30.—(AP)—The Bulldogs of Fresno State college today stood undisputed champions of the far western football conference after yesterday drubbing the University of Nevada 33 to 0.

Alonso Stagg's College of the Pacific team contributed to the Bulldog's championship honors yesterday by defeating by 7 to 0 the Chicago State college team which has been unbeaten.

New High for Broom Corn CAMPO, Colo.—(UP)—A new high for broom corn was set when Joe Smith, a farmer near here, received \$15 a ton for 12 tons.

SONS OF SIWASH DROP 27TH STRAIGHT GAME

By CHARLES DUNKLEY Associated Press Sports Writer GALESBURG, Ill., Nov. 30.—(AP)—The victory bell in the history of "Old Main," historic principal building at Knox college, remained silent today, joining in the general sorrow for the sons of old Siwash, who finished the 1934 football season yesterday, with record-breaking honors of the wrong kind.

The fainting Phil Scotts of American football, who haven't won a game in three years, wound up their season with another wallop on the whippersnappers, Monmouth college beating them, 39 to 0. This enabled the sons of old Siwash to tie the record of

Hobart college, Geneva, N. Y., as the longest team in football history. Yesterday was their twenty seventh straight defeat.

The last time the victory bell rang at Knox was on October 31, 1931, when Siwash triumphed over Beloit, 7-0.

The Knox eleven, which did not score a single point in a ten game season, probably has the greatest stationary backfield in the game. Playing Monmouth yesterday, Knox made only 16 yards from scrimmage. Monmouth, a football rival of 80 years, piled up 398 and achieved 14 first downs, to only three for the gridiron warriors of old Knox.

ARMY AND NAVY TILT TOMORROW HAS SPOTLIGHT

By HERBERT W. BARKER Associated Press Sports Writer NEW YORK, Nov. 30.—(AP)—The two service academies, Army and Navy, took almost complete charge of the football situation today, with their own private grudge fight—was just ahead.

Their 35th gridiron duel at Franklin field in Philadelphia tomorrow has been a sellout for many days, mainly because for the first time in years the competitive angle overshadows the pomp and pageantry that annually makes the Army-Navy game a social as well as a sporting event.

On the face of the records, Navy's high-powered array, with Buzz Borries as the sparkplug, will enter the fray with an excellent chance of whipping the cadets for the first time since 1921.

The extraordinary interest stirred up by this game, coupled with Thanksgiving day's decisive results in many sectors, has overshadowed the balance of tomorrow's slender program, although several crucial games are on the card.

Pittsburgh's Panthers, with the smashing fullback, Izzy Weinstein, leading the charge, buried Carnegie Tech, 20-0, yesterday, but Colgate had to put on a last-minute rally to whip Brown, 20-13.

A fourth-period spurt likewise carried Kansas State's Wildcats to a 19-7 triumph over Nebraska's perennial champions and gave the winners undisputed possession of the Big Six championship. Washington and Lee overcame stubborn resistance from South Carolina, 14-7, to slide into the southern conference throne South Carolina and Duke held a year ago.

Utah State's 14-7 beating by Utah and Colorado university's 7-0 victory over Denver left the Rocky Mountain title in the joint hands of Colorado university, Colorado Teachers and Colorado Aggies.

Texas, outpointing Texas A. and M., 13-0, retained its chance of capturing the southwest crown should Rice by upset beat Baylor tomorrow.

The chief upset of the holiday program was the failure of Pop Warner's undefeated Owls to get better than a scoreless draw with Bucknell. Other eastern fixtures saw Fordham trample New York university, 39-13; Penn whip Cornell, 23-13; West Virginia nose out Washington and Jefferson, 14-12, and George Washington nip Oklahoma, 3-0.

FANS GET WISH IN NEXT MATCH

To get next Thursday night's wrestling card off to a flying start, Promoter Mack Lillard today announced that he has secured Mike Sterlich, Jugoslav muscle mangle, who made his initial appearance here last night by defeating Ole Anderson for a semi-final grapple with Jack Pogren, Canadian champion.

Pete Belcastro, Italian wildcat, will invade the Medford arena in the main bout against Red Devil, mystery man of the ring, in a match definitely signed today, after Pete and the hooded demon agreed last night to tussle. This bout is what the fans have been waiting for. It will cost the promoter extra money, but the demand for the match was so keen Lillard determined to go ahead.

Fogren, who made his bow here several weeks ago, will be welcomed on his return, as he gave Medford a satisfactory preview of his Canadian title-winning style.

SCHULTZ DISABLED BY RED DEMON IN ROUGH WRESTLING

Red Devil, the mysterious mangle, brought some of his demon tactics into play in the main event at the armory last night, and after splitting two falls, with Hans Schultz, German grappler, clamped on a reverse head chancery with such viciousness that the chunky German was unable to come back for the third tumble. Red Devil was given the third fall, much to the disgust of the fans.

The 211-pound German sewed up the first fall in 33 minutes with a Boston crab. Schultz suffered during the first part of the bout, from Scarlet Satan's deluge of slugging but it didn't take him long to find out the 235-pound demon couldn't take it. Thereafter, Schultz gave Red Devil a few pointers in how to roughen up a wrestling match, using Red Devil's tight-fitting hood to give effectiveness to headlocks.

In the rest between cantos, Red Devil mustered up all the evil things that he started with his wrestling technique, for he started the second period with a battering rain of slugging and finally sent Schultz skidding through the ropes. When the German attempted to climb back, the hooded demon gave him a kick that sent him crashing into the ringside chairs. Refusing to take the fall because of his maltreatment, Schultz went back into the ring, but was unable to protect himself from the demon's neck-breaking reverse headlock. After Referee Ray Frisbie gave him the fall, the masked muscle mangle only tightened his grip, and succeeded in putting Schultz away for the evening.

Mike Sterlich of Jugoslavia, substitute in the semi-final for Rudolf Nuestadt, of Denmark, won two out of three falls in a colorful battle with Ole Anderson, big Swedish edition of Sam Lethers. Although he was in the throes of one of the Swede's devastating rocking chair

scissors, Sterlich won the deciding fall by turning over and bringing Anderson's shoulders to the mat. Anderson, weighing 216 against Sterlich's 212, gave the lighter grappler a busy evening with his pair of well-trained legs, and used a rocking chair scissors to take the first tumble in 11 minutes. Wrestling barefoot, the Swede showed a technique with his pedal extremities that proved almost as effective and entertaining as that of Lethers, the rubber-legged Texan.

Sterlich put his own legs into action for the second canto, and five minutes for the count in five minutes with a flying body scissors. The bout had its share of flusterwork, and given boxing gloves, the pair would have offered several good sparring exhibitions. Anderson was addicted to hair-pulling, and used Sterlich's curly locks on more than one occasion in gaining a hold.

Al Karasick, the Russian Lion, and Sam Lethers of Texas and Pete Belcastro, Italian wildcat, issued challenges to the winner of the main event, and it was announced that Belcastro and Red Devil have made agreement for a match.

BOWLING

Studebaker bowlers took a two-to-one win over the Peoples Electric quint in their Bils Lodge bowling match Wednesday night.

Strangs Drug Store and City Cleaners will roll tonight at 7 o'clock and the Modern Plumbing and Economy Lumber teams will clash at 9 p. m.

WEBFOOTS LOSE ANNUAL BATTLE TO GAELS, 13-7

SAN FRANCISCO, Nov. 30.—(AP)—The University of Oregon eleven took what ever satisfaction it could today in forcing St. Mary's Gaels to show their fiercest comeback form since their victory over Fordham several weeks ago, although the Webfoots lost 13 to 7 in the sixth annual Thanksgiving day game between the two rivals.

Rated on the short end of 8 to 1 odds following its defeat a week ago by the Trojans, Oregon outplayed the Gaels throughout the first half to score a touchdown and lead 7 to 0 at half time.

The score came on a march from the Webfoots 44-yard line in the second period. Van Vliet passed to Rordan for 26 yards, and at that point Van Vliet again passed to Rordan over the goal line for the score. Walker, right end, added the point on a place kick.

WILLAMETTE, IDAHO FINISH GRID SEASON TIED FOR TOP SPOT

(By the Associated Press) With the 1934 season completed, final standings were posted in the northwest conference grid record book today, with Willamette's blasting Bearcats and College of Idaho's Coyotes tied for the top, and a dynamic 147-pound Willamette halfback holding a half-share of the nation's high scoring honors.

Little Johnny Oravec, who romped over this gridiron and that through the season, "wants to town" against Whitman Thursday, getting into pay dirt seven times for 42 points to run his season's total to 120, equalling the record of Bill Shepherd, all-Eastern back from Western Maryland.

It was a sad, sad turkey day for the Missionaries from Walla Walla, for they went down, 78-10-0, in the most lop-sided pasting a northwest conference team has suffered since the league was organized nine years ago.

The co-champion College of Idaho Coyotes finished the season with a 31-6 non-conference win over Oregon State normal.

Linfield topped Albany, 13-0, in another turkey day conference tussle.

Wards First Quality NEW RIVERSIDES

"America's Best Value in First Quality Tires"

The next time you have to buy a new tire consider these Facts about Wards NEW First Quality RIVERSIDES

- Precision-built
- From the finest Raw materials
- In the world
- By one of the world's Largest and most Famous makers of Quality tires!
- Built to give As much mileage And as much safety As any tire made—More than most!
- YET for a limited time New Riversides Are priced up to 30 percent LOWER Than most other First quality tires BECAUSE
- Wards way of Buying, selling, And distributing tires Is the most Economical way Possible!

- Guaranteed against Everything that can Happen to a tire Without any limit As to number of Months or miles!

- SO—if you want America's best value In first quality tires The answer is Wards New Riversides!

Now... CHECK THESE LOW PRICES!

MONTGOMERY WARD

TRITON Outlasts EASTERN OR WESTERN OILS

Guarantee!

Drain out the oil you are now using.

Refill with TRITON (SAE grade recommended by dealer).

Keep your receipt.

If, after 1000 miles, you don't agree that TRITON is the best motor oil you've ever used regardless of price, return the receipt within 60 days after your purchase to any Union Oil District Office and your money will be cheerfully refunded.

UNION'S NEW PROPANE SOLVENT REFINING PROCESS Brings You...

- A motor oil free from Carbogens** (the unstable elements that rapidly form sludge and carbon)
- A Paraffin-base motor oil made from California crude. Contains only 100% pure Parathenes** (the high gravity, stable lubricating fractions with highest resistance to oxidation and wear)
- TRITON'S quality proved by 250,000 miles of stock car road tests. Note guarantee!**

- LIKE many great discoveries, the PROPANE SOLVENT PROCESS is based on an extremely simple fact:**
In every crude from which motor oil is refined... eastern or western... are found varying quantities of 100% pure parathenes (the most desirable of all lubricating fractions).
Operating at temperatures down to 40 degrees below zero the PROPANE SOLVENT PROCESS rejects all unwanted portions of the crude—the waxes, asphalt, Carbogens and naphthenes (low gravity oils), leaving only the 100% pure parathenes.
Of all the many high grade lubricating oils recently tested, none other than TRITON, was composed of only 100% pure parathenes. Even high-priced oils, known previously for their quality, contained from 10 to 20% undesirable materials—not found in TRITON.
- 4. TRITON produces less carbon than other oils—eastern or western.**
- 5. TRITON retains its firm body.** Watch your oil gauge and you will see that TRITON pressure remains constant throughout the life of the oil—also during long high-speed runs.
- 6. TRITON is more stable.** After 1000 miles of driving TRITON changes viscosity less than 1%, while other oils change as much as 15%.

Cold Motors Start Easier With TRITON

Due to its freedom from Carbogens and low gravity materials, TRITON retains its fluidity at low temperatures... does not become viscous and thick. This assures easy starting... reduces cold motor wear... saves the battery... and reduces gasoline waste from choking.

Only 30c a quart

Try TRITON on your next refill. It costs only 30c a quart in refinery-sealed, tamper-proof cans.

Thousands of Independent Dealers have TRITON, and, of course, you can get it any time. Use the TRITON banner. Watch for the big TRITON banner.

5 WAYS YOU CAN ACTUALLY SEE TRITON SUPERIORITY:

OUTLASTS 31540 Your speedometer will prove that TRITON lasts longer than other oils—eastern or western. Reason: TRITON is free from Carbogens, thus reducing oxidation.	LESS SLUDGE TRITON is free from all sludge-forming Carbogens. Observe the clear TRITON color on your crankcase gauge stick as your dealer checks your oil level.	LESS CARBON Cylinder head scrapings prove that TRITON produces less carbon than eastern or western oils.
RETAINS BODY With Carbogens out, TRITON works under hot or cold—even after long use. The constant motion of your pressure gauge will prove it.	REDUCES WEAR After you have used TRITON for 1000 miles or more, micrometer checks of cylinders and bearings show that TRITON reduces engine wear.	PROF. R. L. DAUGHERTY of the CALIFORNIA INSTITUTE OF TECHNOLOGY's laboratory reports that TRITON speedway and road test.
