

PTA COUNTY COUNCIL WILL DRAFT CALENDAR OF MONTH'S ACTIVITY

Mrs. Bertha Young, president of the county council of the P-T. A., presided at a business meeting recently at the home of Mrs. Arthur Short in Medford. A budget was planned to cover traveling expenses of the county president and membership chairman. Funds were also set aside for a delegate to be sent to the state P-T. A. convention.

In order that all units of the county may know what is going on, a complete calendar for each month will be published about the first of the month. All unit publicity chairmen are urged to meet with their unit program chairman and make out this monthly calendar and mail it in to county publicity chairman, not later than the 20th of each month.

In a recent communication from Mrs. Crowther, state publicity chairman, she lists some of the following activities of the Oregon state program: Clinics for pre-school children are held twice a week, and over 35,000 children have been examined. Parents who bring their children have the advice of a child specialist. A dietitian and a graduate nurse are in attendance. Over 200 pamphlets on child care are distributed each month. Clinics are held annually at the Multnomah county fair. All this is free. Units are urged to be sure and watch for the monthly calendar as published in the Jackson county papers.

BAND GIVES TEAM STIRRING SENDOFF

Business men joined with school officials Wednesday in expressing appreciation for the activities of the Medford high school band in making the football team's departure for the mythical state championship game tomorrow at Portland a fitting send-off. Lack of funds prevented the band making the trip this year, although it generally accompanies the team to the title game.

Under the direction of Wilson Watt the band made many appearances this year previous to the sendoff, which are highly appreciated by the team as well as by Medford citizens.

STUDENTS SUSPENDED FOR LONG DISRESPECT

BATON ROUGE, La., Nov. 30.—(AP)—Twenty-six students of Louisiana State university were suspended last night by Dr. James M. Smith, president, for "gross disrespect" in petitioning reinstatement of the staff of the Reveille, student publication. The Reveille staff resigned Monday when Dr. Smith told the editors they would have to submit to faculty "censorship" of the publication and would not be permitted to use any copy disparaging to Senator Huey Long.

GOLD IN GIZZARDS OF HOLIDAY TURKS

PORTLAND, Ore., Nov. 30.—(AP)—Buyers were wondering whether to shake out gold claims on turkey shipments here today after one restaurant man found \$6 worth of nuggets in the gizzards of two holiday birds. The distributor would not reveal where the turkeys had originated except that it was somewhere "in western Oregon."

NAVAJO SQUAWS OWN MUCH TRIBAL WEALTH

KINSLAW, Ariz.—(UP)—Sex equality is not going to be any problem to government educators on the Navajo Indian reservation. Buyers of 150,000 head of sheep and goats being slaughtered in Kinshlaw, Ariz., have found that in the Navajo nation it's the woman as often as the man who holds the pursestrings—or the goat herd.

The Navajo Indians have been noted for liberal marriage and sex traditions, and through the custom of bequeathing the woman has gained ownership of perhaps half of the tribal wealth. Ownership of her goods remains in her hands even following marriage. In contrast to usual Indian practice.

STORM PILES SNOW IN ROCKY MOUNTAIN AREA

DENVER, Nov. 26.—(AP)—Storms swept the Rocky mountain region today, piling up snow deeper than it has been since last February.

QUINTUPLETS HEALTH GOOD AT SIX MONTHS

CALENDER, Ont., Nov. 30.—(AP)—The Dionne quintuplets were six months old Thursday and, said their physician, in better health than at any time since their birth.

None of the five has any organic disorder, explained Dr. A. H. DeFoe, Milford, Conn.—(UP)—Among the maddest motorists is the one who, after striking Michael Clappell, 72, refused him aid and pushed him into the gutter and drove away. Clappell was seriously injured.
