

Minnesota, Alabama, Stanford Dominate This Year's All-American

TWO INDIVIDUAL STARS OF EACH TEAM SELECTED

Sectional Honors Pass From Midwest to South and Southwest, Despite Minnesota's Superior Play

By ALAN GOULD
(Associated Press Sports Editor.)
NEW YORK, Dec. 3.—(AP)—As seemingly befits the performances of the three outstanding undefeated college football teams of the 1934 season, the individual stars of Minnesota, Alabama and Stanford capture the major portion of all-American honors awarded today in the tenth annual Associated Press consensus selections.

Each of these tremendously powerful aggregations, dominant in their own gridiron ballistics, gains two places on the all-star eleven. The remaining five positions go to individual heroes of North Carolina, Rice Institute, Texas Christian, Pittsburgh and the Naval Academy, after one of the keenest battles ever waged for membership on the football roll of honor.

Despite Minnesota's clear-cut ranking as the nation's No. 1 college team, by an overwhelming vote of the experts and a substantial preponderance of evidence, sectional honors pass from the middle-west to the south, which combines with the rugged southwest sector to land a leading share of all-American places for the first time in history. The first eleven includes three from the Old South, besides two from the Texas area, and two each from the east, the middle-west and the Pacific coast.

Magnificent team performances, such as those registered by Minnesota, Pittsburgh, Alabama and Stanford—the nation's "Big Four"—as well as by Ohio State, Rice, Colgate, Temple, Columbia and Louisiana State, all were due to the combination of splendid material, spirited teamwork and fine coaching.

CHICAGO BEARS WIN 13TH IN ROW BEFORE ENTERING PLAY-OFF

CHICAGO, Dec. 3.—(AP)—Thirteen may be an unlucky number but the Chicago Bears will carry that number of consecutive victories for the season into the National Professional Football league championship playoff against the New York Giants next Sunday at the Polo grounds.

The 1932 and 1933 champions polished off their regular schedule yesterday with a 10 to 17 triumph over the Detroit Lions, their only serious rivals during the campaign, before 35,000 spectators at Wrigley field.

The field was slow and soggy. But Bronko Nagurski rammed over for a touchdown in the first period, and Manders kicked a 30-yard field goal in the second.

The Giants took a 6 to 0 beating from the Philadelphia Eagles. The only touchdown was accomplished on a sustained drive of 77 yards, with Jim Leonard going over.

Green Bay finished with seven victories against six defeats by conquering St. Louis 21 to 14.

Boston defeated Brooklyn, 13 to 3.

TURKISH WOMEN FORM MAJORITY
ISTANBUL.—(UP)—Women form the majority of Turkey's population; they exceed men by not less than 1.8 per cent, according to official statistics.

In rural districts the percentage of women is even much higher, as in most of the larger cities the male element prevails.

Fans Hope He'll Put Devil in Place

Fans, who in times past have booed Pete Belcastro, Sacramento tendon twister, will be pulling for him Thursday night to humble the "Red Demon," hooded matman who has drawn the wrath of the wrestling faithful by his unorthodox tactics. Pete, besides being the most versatile grappler ever to appear here, knows all the "dirty in the book," and if the "Demon" wants to wrestle that way in their match, it will be just too bad for the Demon.

GEHRIG REACHES BATTING THRONE AFTER LONG TRY

CHICAGO, Dec. 3.—(AP)—Lou Gehrig finally has caught up with the American league batting championship.

Usually a contender for the top honors during his career with the New York Yankees, Gehrig reached his last season with an average of .363. There was no doubt of it at the end of the season and the official averages, just released, merely made his title official.

In addition to the batting title, Gehrig improved his major league record for playing in consecutive games to 1809. His batting achievement included the home run leadership at 49 circuit bloopers, the total bases leadership at 409, second place in hits and third position in scoring.

Charley Gehringer of the league champion Detroit Tigers, landed second place in batting with a mark of .356, led in scoring with 134 runs, and punched out 214 hits to lead that department. Gehrig had 310 hits, and scored 128 times.

Ben Chapman's 13 triples gave him a leadership, and Greenberg slapped out 63 doubles for another. George (Mule) Haas, Chicago, led in sacrifices with 24.

The Tigers, batted an even 300, to win the team batting title, and scored a total of 938 runs for top honors.

SOUTH BEND, Ind., Dec. 3.—(AP)—Notre Dame's football squad of '36 was given a rousing sendoff today as the Hoosiers entrained for Los Angeles, where they meet Southern California Saturday.

A two-day stay is planned at Tucson, Ariz., so the team will arrive in Los Angeles Friday night.

CHICAGO, Ill., Dec. 3.—(AP)—Purderson Ave. of Corvallis, Ore., won second place in the wheat spirit wheat division during the grain show at the international livestock exposition here yesterday.

FOOTBALL HONORS GO TO NEW HANDS IN FADING SEASON

Navy's Victory Over Army Among Upsets of Surprising Season—Rose Bowl Game Next in Interest

By HERBERT W. HARKER
(Associated Press Sports Writer.)
NEW YORK, Dec. 3.—(AP)—Except for sporadic firing in the south and far west, leading up to the Rose Bowl game at Pasadena on New Year's day, the football season is over, but the thrills it produced will linger on for many weeks.

Navy's conquest of Army, 3-0, in the mud and rain at Philadelphia on Saturday—the Tar's first victory over West Point since 1921—furnished a dramatic and fitting climax to a campaign that saw sectional titleholders in 1933 swept from their thrones almost without exception.

Few Undeclared.
The sensational upsets of the past season saw Alabama's Crimson Tide, Rose Bowl nominee, and Minnesota's Gophers alone among major schools wind up their regular schedules undefeated and untied. It witnessed, too, the collapse of such former powers as Southern California, Michigan, Nebraska and Utah.

Alabama, Stanford and the Colorado Aggies alone were able to negotiate the championship heights for the second year in succession. Alabama's 34-0 trouncing of Vanderbilt, Thanksgiving day, enabled the Tide to share the southeastern conference crown with Tulane's Green Wave, which eliminated Huey Long's Louisiana State Tigers, 13-12, on Saturday. L. S. U. had been co-champion with Alabama a year ago.

Stanford's Indians, who will represent the far west against Alabama in the Rose Bowl game, annexed their claim to the Pacific Coast title this year where they had been forced to share it with Southern California and Oregon last year. The Colorado Aggies finished up in a triple tie for the Rocky Mountain championship for the second year in succession, but their co-titlists this time are Colorado University and Colorado Teachers. Last year the co-holders were Utah and Denver.

Minnesota Best in Land.
Otherwise, the dethroning of 1933 champions was complete. Minnesota, generally ranked the most powerful eleven in the land, swept to the Big Ten crown Michigan's Wolverines held a year ago. Kansas State displaced Nebraska as Big Six king, by walloping the Cornhuskers, 19-7, on Thanksgiving day.

In the southwest, Rice burlied Baylor, 2-0, on Saturday to win the conference championship to which Arkansas Razorbacks were entitled in 1933, although they didn't get it officially because an ineligible player in the Arkansas lineup in several games. Washington and Lee's Generals, outpointing South Carolina, 14-7, last Thursday, ascended the southern conference throne occupied jointly by Duke and South Carolina last season.

In the east, Jack Sutherland's Pittsburgh Pirates, beaten only by Minnesota and only opponent to give the Gophers a real battle, generally were regarded as the outstanding team in the section. They defeated all eastern rivals handily and gave navy's fine eleven, otherwise undefeated, a 21-6 trouncing. Last year Princeton, undefeated and untied, finished with the best record among major eastern schools.

Trojans Disappointed.
The principal disappointments of the season were Michigan and Southern California. Undefeated Big Ten champions in 1933, the Wolverines won only one game in eight—a 9-2 triumph over Georgia Tech's Engineers, themselves walloped nine times in ten games.

Trimmed by Washington, 14-7, on Saturday, Southern California wound up its Pacific coast conference sched-

Utah's Indians, who dominated the Big Six crown to Kansas State, but were soundly drubbed by Minnesota and Pittsburgh, further indication that the usually powerful Huskers had struck a sub-normal season.

240,000 CASES AIDED DURING LAST YEAR IS REPORT OF RED CROSS

WASHINGTON.—(UP)—The American Red Cross has treated and corrected physical defects in 240,000 children during the last year, according to the annual report of the organization's health activities.

Red Cross public health nurses, cooperating with local authorities throughout the nation, examined 629,000 children during the year, and found that 381,000, more than half, were suffering from some type of ailment.

Among the more frequent causes of ill health were malnutrition and allied ailments, bad tonsils, ear, nose, throat and hearing defects, and crippling due to infantile paralysis.

The Red Cross also administered two special funds given for public health work during the year. The funds were mainly used to help support public health nurses in 51 communities.

James I. Fieser, acting chairman, said that the Red Cross is launching a project in 13 states to combat pellagra.

"Depression conditions of the past several years have permitted the disease to gain a foothold," he said. "The Red Cross therefore has directed its chapters to resume the distribution of powdered yeast to pellagrins and will continue an extensive campaign against the disease."
