

County's South Division Secondary Schools Adopt Cage Schedule

OPENING GAMES SCHEDULED DEC. 14 FOR SIX TEAMS

Open Tilts Carded for Each Quint—Champs to Play Northern Division for Secondary Championship

Officials of the southern division of the Jackson County Secondary School Basketball Association announced today the schedule for the 1934-1935 season. The first games to be played will be on December 14.

Each of the six schools in the division will play two games with each other team, or a total of ten scheduled games during the season. The teams in the southern division are Central Point, Gold Hill, Jacksonville, Phoenix, Rogue River and Talent.

At the close of this tournament the champion will play the champion of the northern division, officials of which have not yet announced a schedule. The northern division is composed of teams from Eagle Point, Prospect, Same Valley and Butte Falls.

Dennis McGuire, Central Point coach and league secretary, announces that practice games have been played between some of the teams, and that all are undergoing practice in preparation for the first games of the schedule.

Any two teams may change the date of their scheduled games by mutual consent, it was announced. The original schedule called for a game between Central Point and Jacksonville to be played at Central Point December 14, which has been postponed to an indefinite date.

Competition in the league will determine the contender for the championship of the local secondary high school district for competition in the state basketball tournament. The recent re-districting of the state for "A" and "B" classes provides that all schools in Jackson county league are competing in "B" District No. 14.

The league's southern division schedule was drawn up as follows: December 14 and January 25 Central Point vs. Jacksonville, Gold Hill vs. Phoenix, Rogue River vs. Talent.

December 18 and February 1 Central Point vs. Gold Hill, Jacksonville vs. Rogue River, Phoenix vs. Talent.

January 8 and February 8 Central Point vs. Phoenix, Gold Hill vs. Rogue River, Jacksonville vs. Talent.

January 11 and February 15 Central Point vs. Rogue River, Gold Hill vs. Talent, Jacksonville vs. Phoenix.

January 18 and February 22 Central Point vs. Talent, Gold Hill vs. Jacksonville, Phoenix vs. Rogue River.

HARVARD SEEKING NEW GRID COACH

CAMBRIDGE, Mass., Dec. 5.—(AP)—Harvard, for the first time in its three score years on intercollegiate football history, is out in the open market today, looking for a head coach.

The resignation of Eddie Casey, officially announced last night, snapped the line of graduate coaches that goes back to 1890, when the Crimson, after trusting the direction of its football team to captains for 16 years, appointed George Stewart of the class of 1884 as its first head football coach.

Galloping Ghost Is Through When Play-Off Ended

CHICAGO, Dec. 5.—(AP)—This time Red Grange means it. When the timer's gun ends the post-season playoff for the national professional football championship game between the New York Giants and the Chicago Bears, the famous "Galloping Ghost" of the gridiron will be through as a player.

"I think I've outlived my playing usefulness," Grange said today. Grange said he had several offers to coach college football teams and that he planned to accept only for 1935.

PROSPECT HIGH PLANS THREE-ACT COMEDY TO AID BASKETBALL TEAM

"Beds on a String," a three-act comedy, is to be presented by the Prospect high school on Friday, December 7, at 8:15, under the direction of Miss Jane Dixon. It was announced today.

The story deals with the trials of an average American family, in quest for an inheritance from an uncle who favors girls. As their child is a boy, it is necessary for them to practice deception on the unsuspecting millionaire, resulting in complications which prove amusing.

Harry Good takes the part of the father, and Florence Smith, the role as his wife. Emory Moore plays the part of the son, the center of the trouble, and Joy Moffat, the sweetheart. Alben Bessy is to play the part of the negro maid, and Alvin Tilton, the part of the friend. Guy Merriman is to be the detective and Lewis Jantzer, the millionaire uncle. Margaret Enook is his gold-digging niece.

Proceeds from the play are to be used in buying new suits for the basketball team.

VILLAIN GRAPPLER TAMED IN SALEM

SALEM, Dec. 5.—(AP)—Pug Ryan, Los Angeles grappler who has gained the questionable reputation of being the most "villainous" matman ever to appear here, turned out to be just as tough last night as he was choked into submission between the ropes by his opponent, Duke Eppenthal and Referee Pat Bequin, and lost the third fall and match to the more gentlemanly "Duke."

Harry Elliot and Otis Clingman, two men who prefer scientific wrestling to the more unorthodox variety, wrestled cleanly to a 45-minute, no-fall draw in the semi-windup match. Bill Connell, Jackson, Miss., tossed Freddie Beal, Milwaukee, Wis., for the first fall in the opening bout and then won the second round and the match on a foul.

YARNELL GETS NOD OVER RED RAIDER

PORTLAND, Ore., Dec. 5.—(AP)—A knockdown scored in the first round and his steady stream of heavy body blows in later rounds brought Private Torchy Yarnell of Vancouver, Wash., a six-round decision over Red Raider of Tacoma here last night.

Yarnell, 161, floored Raider for a count of three in the first round, but Raider came back strong in the second round and the two red-haired go-devils turned on the punishment heat.

When the fight ended Yarnell was bleeding from the nose and Raider's stomach was much better marked. Raider, 165, had won six consecutive fights by knockouts before bumping up against Yarnell.

Roy Oakley, 140, Portland, defeated Mike Stankovich, 133, of Los Angeles, in six rounds.

A drygoods merchant in Hereford, Tex., displayed garments with silting fasteners which he had in stock 30 years ago.

TIGER CAGEMEN START PRACTICE COMING MONDAY

Many New Faces Will Be Seen—Several Standbys Graduate at Mid-Term—Rival Quints More Intact

With 3:30 next Monday afternoon set for the first practice session of the 1934 basketball season, Medford high school basketball fans will see many new faces in the starting line-up.

Don Stewart, Russ Brown and Bob Hinman will be graduated at mid-term. Wayne Harris, Tommy White, Max Gillinsky and Harold Grove were graduated last June.

Lettermen who will return to take up the duties of those graduated are Stan Kunzman, forward and guard; Bill Luman, forward; Bob Smith, forward and guard, and Ray Ettinger, center. Sam VanDyke will in all probability be called to the first squad and stands an excellent chance of making the first five, according to his past performances.

Sam was the star performer in the great victory over Ashland high school last year, when a bunch of the Medford players were ruled out and the scrubs of Medford high school were called upon to meet the Grizzlies.

Bob Hinman, Russ Brown and Don Stewart will probably play until the mid-term ends.

Schedules Not Drawn. The winter's basketball schedules have not been drawn up by the southern Oregon high school officials, but as soon as completed they will be published.

According to press reports from Grants Pass, Ashland and Klamath Falls, those named schools will have practically the same layout in basketball number as last year. Other southern Oregon schools will have practically the same teams as last year.

With that information, basketball fans need have no worry as to good, hot contests this year. Rivalry is always at its peak when Medford meets either of the other schools. Grants Pass, which has been the dominant force in the "Tiger" for the past five seasons, is considering turning the tables on the Tigers.

Klamath star gone. One consolation for the Ashland, Medford and Grants Pass quintets, Darrow Miller, ringer center for the Klamath Falls Pelicans, will not be on hand, for he is making his debut on the Oregon university freshman basketball squad.

But Hardy, lean and lanky left-handed center of the Ashland outfit, will be on hand to add power for his team.

Max Gillinsky is furthering his education and athletic abilities at Gonzaga; Tommy White is at the University of Washington, while Wayne Harris is working here in Medford and is playing basketball for the St. Mary's All-Stars; and Harold Grove is scribbling sports yarns and "of interests" from the high school of the Tribune.

PARSBORO, N. S.—(UP)—Footprints of a prehistoric animal, which lived and died in the days when meat of Nova Scotia was a low sub-tropical swamp with a hot and humid climate and great ferns and horsetails, have been found here.

More than 100 clear impressions of the foot-prints have been found. Photographs and plaster casts of the prints have been made by an expert from department of paleontology of the National Museum at Ottawa. The identity of the animal has not yet been determined.

The first evidence of air-breathing animals of the carboniferous period ever found in Nova Scotia was at Horton Bluff, Kings county, in 1841, by Sir William Logan, the famous geologist.

BOWLING

The Eds Transfer bowling aggregation carried off main honors in their match with the Economy Lumber quintet on the Elks alleys last night, taking the first two games. The third canto went to the Lumhermen.

The Modern Plumbing and Texaco teams will contend tonight.

BELCASTRO AND DEVIL EAGER FOR CHANCE TO WRESTLE JOE SAVOLDI

With Promoter Mack Lillard's promise that the winner will tangle with "Jumping Joe" Savoldi the following week, Pete Belcastro and Red Devil will put everything they know into their main event tussle at the armory tomorrow night.

Accordingly, the fans are looking forward to a fast and furious one hour, or two out of three falls of grappling.

Pete, the wild Italian, is counted on to give the unpopular masked manie probably the roughest treatment he has ever received. On the other hand, Red Devil enjoys a 40-point weight advantage that may prove too much for the versatile Belcastro.

Jack Fosgren, Canadian title claimant, is holding the interest in the semi-final, although Mike Sterch of Jugoslavia, the party of the second part, made a satisfactory impression with his first appearance here last week.

Both the Jugoslav and Fosgren are speedy mat merchants who may give the customers an exhibition of nothing but pure, scientific wrestling.

Fluhrer Sesame Bread Pleasing Housewives Here

A new type bread made with Sesame seed imported from India was introduced through the columns of the Mail Tribune by Fluhrer's bakery of this city the fore part of the week.

The response to the campaign was most gratifying, according to W. H. Fluhrer.

"We greatly appreciate the enthusiastic reception given our new Sesame bread. It has been much beyond our expectations and we wish to thank our southern Oregon customers who made it possible," said Mr. Fluhrer in speaking of the success of the new bread.

Fluhrer's Bakery is one of the aggressive distributors which has made Medford the commercial center of southern Oregon and northern California. Their plant is located at Sixth and Holly streets and is said to be the finest bakery of its size on the Pacific coast. It was completed last year and many pieces of new equipment of the latest design were installed at that time.

Penn. Takes Religious Census. PHILADELPHIA.—(UP)—The first religious census ever taken at the University of Pennsylvania has been started. The survey is being made by the Rev. W. Brooke Stabler, university chaplain and boardman lecturer on Christian ethics, in an effort to facilitate the program of religious activities on the campus.

TIGERS MAY PLAY HONOLULU SQUAD LATE THIS MONTH

Negotiations have been started by wire, it was announced this morning by Acting School Superintendent C. G. Smith, for a football game between Medford high school and McKinley high school of Honolulu, T. H. The game, if scheduled, would be played at Van Schoep field in this city, either on the 29th or 31st of this month.

Although Smith said at present the whole plan is still "up in the air," he expects to have a definite announcement next Saturday, when an answer from officials of the island high school will probably be received.

The United States within the next few days, and is definitely scheduled to play a high school at Los Angeles on Christmas. It was after this arrangement that local school officials began an effort to bring the Hawaiian team to Medford, a plan which Smith has had in mind since the beginning of the season.

It is known that as Medford is considered the leading team in the state, and has a record unmarred by defeat within the state, the proposal will bring consideration from the Hawaiian team. Although officials in the city have as yet been given little information regarding the record of the visitors, it is believed the Honolulu team would be one of the strongest ever to play a Medford squad.

The fact that Medford has produced this season the best team in many years would make the contest one which would assure a large turnout.

High school officials sent the Hawaiian team a proposed guarantee and "cut" of gate receipts, which are being worked out and a reply is expected. Smith believes many other high schools of Oregon will attempt negotiations with McKinley, but that Medford's nearness to Los Angeles and its outstanding record will probably hold the interest of the Honolulu team.

Banty Roosters May Be Barred By Salem Edict

SALEM, Dec. 5.—(AP)—The Salem city council last night passed a so-called "banty rooster" ordinance, prohibiting keeping of animals in the city which might disturb the peace. Mayor Douglas McKinley indicated he would veto the measure.

The council took the action following complaints by residents of the city that banty roosters were disturbing their sleep by crowing at all hours of the night.

To Study Grain Surplus SPOKANE, Dec. 5.—(AP)—General Manager Charles M. Cook of the North Pacific Grain Growers, Inc., has called a meeting of northwest farmers for Dec. 12 to study the problem of the grain surplus.

Notice of First Meeting of Creditors. No. B-19326—In Bankruptcy. In the District Court of the United States for the District of Oregon. In the matter of William H. Gore and Sopenia J. Ish Gore, husband and wife, Bankrupts.

To the creditors of William H. Gore and Sopenia J. Ish Gore, husband and wife, Bankrupts: Notice is hereby given that on the 10th day of November, 1934, the said William H. Gore and Sopenia J. Ish Gore were duly adjudicated bankrupts; and that the first meeting of their creditors will be held in the office of the Referee, Medford Center Building, Medford, Oregon, on the 14th day of December, 1934, at 10:00 o'clock in the forenoon, at which time and place the said creditors may attend, prove their claims, appoint a Trustee, examine the bankrupts, and transact such other business as may properly come before said meeting.

HARRY C. SKYRMAN, Referee in Bankruptcy, December 2nd, 1934.

SCORING DROUGHT GROWS WORSE ON COLLEGE GRIDS

NEW YORK, Dec. 5.—(AP)—Despite the rulemakers' efforts to give the customers more touchdowns to cheer, a compilation today by the Associated Press of the season's records of 154 college football teams shows a continuation in 1934 of the scoring decline which set in four years ago.

Each year since 1930 the average team and game score has dropped until this year it is only 104.2 points a game and 12.19 a game. In 1930 the figures were 130 and 16.

The drop in team totals is in contrast to the individual scoring in which the head men of 1934—Bill Shepherd of Western Maryland, John Oravec of Willamette, and Paul Miller of South Dakota State—all topped the 108 points Pete Young of Bluefield college made to lead the country's touchdown artists last fall. Shepherd scored 123 points, Oravec 120 and Miller 116.

One explanation for slackened scoring can be found in failure of several leading teams of 1933 to turn out touchdowns with equal rapidity this fall.

Michigan and Southern California are examples. The Michigan Jugger-naut last year scored 131 points. This year the creaking Ann Arbor machine could total only 24. Southern California, in 1933, rolled up 71 points against the same class of opponents over which it scored only 120 points this year.

Hudson and Terraplane dealers from this vicinity will meet at Portland, Friday, December 7, where they will be shown the 1935 models and made acquainted with the extensive plans of the Hudson Motor Car company for the coming season. The meeting, which is held under the auspices of Mr. Howard Grove, Hudson's Pacific regional manager and Cohen-Anderson Motor Co.

From preliminary information now available, the Hudson and Terraplane line for 1935 will be the most outstanding ever developed by this company. There are at least two fundamentally new features on the cars which, while the object of experiment by automotive engineers for years, have been perfected for the first time in the new model.

In addition to the disclosure of the new Hudsons and Terraplanes to the sales organization in this vicinity.
