SHRINE PATROL TO HOLD CIRCUS HERE

An indoor circus featuring a number of well selected "big time" circus acts, will be held at the Medford Armory, beginning the week of January 14, under the auspices of the Hillah Temple Shrine Patrol, according to an announcement today by Bert Peasley, business manager of that organization. Cos. Barrett, captain of the patrol, will head the committee in charge of the many details of this event, with Carl Glasgow in charge of promotion, and Ralph Sweeney, treasurer. Funds raised through this circus will be devoted to sending the Hillah march units to the Imperial Shrine session in Seattle in 1936. It was announced today.

Downtown ticket offices will be established in the Sparta building, and all advance arrangements are being supervised by Mr. Peasley, representative of the company attending to the floor circus. There will be 15 acts each night, featuring high-class cir-

cus performers, and trained animals, and dancing will be featured every evening following the circus program.

Information from various cities in the United States where this circus has been presented, give assurance that the many acts are exceptionally good and clean-cut in every respect.
