## Musical Specacle on Craterian Screen

A picture heralded as a thrilling revelation in musical spectacles comes to the Craterian theater today with the production of "Flirtation Walk." There is an all-star cast headed by the inimitable songster, Dick Powell, charming Ruby Keeler playing the romantic lead opposite him, and Pat O'Brien in the role of a hard-boiled army sergeant. There are two great specialty numbers that are said to outdo anything ever presented before for originality and novelty. One is an authentic Hawaiian Love Feast with its traditional unique Hawaiian beauties and as many men. The second big specialty is the presentation of West Point's Hundredth Night Play by members of the cast in which there are more beautiful girls. In this number Powell sings three catchy songs. These include "Mr. and Mrs. Is the Name," the title song, "Flirtation Walk" and "No Hoese, No Wife, No Moustache." The West Point graduation ceremonies, in which officers and cadets participate, use parade grounds, the lovers' promenade, Flirtation Walk, with its Kissing Rock, all come in as a part of the plot. These scenes were all taken on the Academy grounds with the full cooperation of the U. S. military authorities.

## Miriam Hopkins In Picture at Rialto

A lively, completely entertaining comedy drama, with considerable emphasis on the comedy, "The Richest Girl in the World," which opened yesterday at the Rialto theater, has much of the charm which made "It Happened One Night" such a popular hit.

The story has Miriam Hopkins as the world's wealthiest girl, unknown by photograph to the public and to the trustees who handle the vast wealth which is hers. Henry Stephenson, virtually her guardian, introduces Fay Wray to the trustees as Miss Hummer, the heiress. Actually, Miss Wray, acting as Miriam Hopkins' secretary and married to Reginald Denny, poses as Miss Hopkins to relieve her of the annoyance of publicity. Which starts a nice merry-go-round of mixed identities.

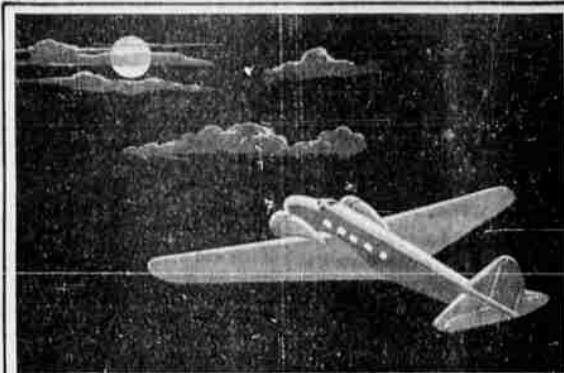

A young man, engaged to Miss Hopkins, breaks the engagement, and at a large garden party Miss Hopkins, posing in turn as her own secretary, accidentally meets Joel McCrea and falls in love with him.

Testing his love for her, she arranges for Miss Wray, supposedly the rich girl, to give him every opportunity to make love to her. And, then as a final test, urges him to propose to Miss Wray, which he does, and, to her surprise, the girl accepts and the entire situation is right back where it started, with even more complications. The whole thing is finally worked out to everyone's satisfaction, but not before McCrea has punched Denny, berated the household, and all in all, making lively and thoroughly amusing entertainment that certainly should please anyone.

## BIGGEST AIR LINE STARTS "150TH ROUND TRIP TO MOON!"

By EDWIN C. HILL, The Flying Reporter

Seventy-five million miles! Over two thousand days and nights—five and a half years—off the earth. That, believe it or not, is the flying record of United Air Lines! No other line in the world can approach this marvelous background of experience.

150 round trips to the Moon is equivalent to 20,000 transcontinental flights. During 1933 alone United's veteran pilots flew approximately as much mileage as flown by all airlines of France, Germany and Great Britain combined.

Next trip you plan, fly with United, the pioneer. For travel advice and information on fast, convenient air or air-rail schedules, call the nearest United Office. The cost is usually about the same as train fare plus Pullman.

Portland only 1 1/2 hours, Seattle 3 hours! To San Francisco in 2 1/2 hours, Los Angeles in 3 1/2 hours! Fast service to Chicago, New York and other eastern cities. You fly by the way in big comfortable Boeings with 2 pilots and stewardess service.
