Spanish Vocalist In Hotel Medford Dinner Concert

A special treat for Medford lovers of Spanish songs will be the concert to be held during the dinner hour this evening at the Medford hotel, featuring Miss Dolores Rodriguez, formerly of Seville, Spain, now of this city.

Miss Rodriguez was born in the Spanish city and came to this country some time ago, since when she has studied at the Chicago Music college and other schools of music. She has sung extensively in this country, Mexico and Canada, and was formerly with the Municipal Opera company of St. Louis.

For this evening's concert Miss Rodriguez has indicated that she will sing "Amapola," "El Belicario," arranged by Jose Padilla, and "Estrellita," arranged by Frank LaForge.

Schrader Kiddies In Clever Revue At Legion Show

One of the outstanding features of the program given by the American Legion at its annual Christmas tree, last Sunday afternoon at the senior high school, was the kiddie revue by pupils of Ted and Evelyn Schrader, former Fanchon and Marco headliners.

The opening number on this revue was a clever acrobatic novelty consisting of poses and difficult tricks performed on a bench by several children.

Tap numbers were performed by Betty James, Jack Allen, Doris Elmore, Helen Holcomb, Betty St. Louis, Gene McClellan, Jack Moran, Virginia Re Gester, Violet and Irene Hinderman, Johnita Russell, Patty McCarty, Nedra Gillette and Gladys Donahoe.

Miss Janice McDonald did a lovely toe number which was well appreciated.

Acrobatic numbers were performed by Hebe McClellan, Floradale Campbell, Lola and Beverly Dungle. These numbers showed that with proper professional training, beauty and grace can be developed in acrobatic as well as in any other type of dancing.

A ballet dance by Glenda Goddard brought much applause as did a Russian number by Dreda Gillette, Kent and Rosalia White, young comedians clad in comedy make-up, presented an eccentric dance which was a laugh from beginning to end. Their performance was comparable to many professional ones of similar type.

A tap dance consisting of about 20 students added life to the show. Each of the performers as well as the instructors have been given much credit for making the show a success.

NURSERY SCHOOL TO AID CHILDREN CARE OPEN HERE

As part of the state-wide system of nursery schools being conducted under the federal emergency relief program, six local children are given daily instruction at room 19 in the junior high school. The enrollment is expected to be increased to 25 within the next few weeks.

Miss Lucile Skaffe of Silverton, who is head teacher at the school, assisted by Miss May Bonham of Phoenix, described the purpose of the school as developing the physical welfare and the wholesome mental training of the children, who are taken from the ages of 2 to 4 years.

This program is carried out by providing health examinations, wholesome and nutritious meals, and suitable environment. A secondary purpose of the school is for parent education, by which it is hoped that child development may be taught parents. Two meetings are being planned each month with mothers, Miss Skaffe said.

Parents are urged to attend the school in the morning so as not to interfere with the children's naps.

The school is being maintained through the Jackson county relief committee, with the aid of donations from many of the city's civic clubs and the parent-teachers' associations. Equipment and toys have been furnished by these organizations.

The program at the school, similar to those carried out in each of the other 13 schools of the state, is as follows:
8:45-9:00—Arrival of children; inspection by nurse.
9:00-10:00—Free play period, outdoors and indoors, depending upon the weather.
10:00-10:30—Orange juice, toilet and washing.
10:30-11:15—Music, stories and conversation.
11:15-11:30—Rest.
11:30-12:30—Lunch.
12:30-2:00—Toilet and washing, preparation for nap, and nap.
2:00-2:30—Getting up from nap.
2:30-3:00—Play period; children leave for home.

LIQUOR STORE TO CLOSE AT 8 P. M.

Those persons who intend getting their New Year's eve supply of liquor on Monday had better do their liquor shopping early, according to Manager Foy of the state liquor store, since the store will close promptly at 8 o'clock, as is customary on Mondays.

A huge supply of liquor has been received at the store, Foy said, and the stocks on the shelves will be ample to handle the demand. The largest gross sales for any one day since the opening of the store is anticipated on Monday, according to the employees of the commission.

SNOW FALL GAINS IN HIGHER AREAS

Storms in the mountains last night which added drifts of snow to the blanket steadily growing lower in the hills, swept by winds in some sections, were attributed to the cause of a slight flickering of lights in Medford shortly before 8 o'clock. The trouble was only momentary and no serious power disturbances were anticipated by the California Oregon Power Co. last night.

SHRINE SPONSORS INDOOR CIRCUS TO START JANUARY 14

Providing a rare treat for young and old alike will be the big Shrine circus to be held in the Armory, beginning the week of January 14. It has been some time since the people of Southern Oregon have had a chance to see a good indoor circus, so Hillah Patrol has made a special effort to obtain a good one.

Their efforts have apparently been successful, inasmuch as there are to be fifteen big feature acts each night, with some of the most famous American circus stars performing. There are to be trapeze artists, slack wire performers, acrobats, contortionists, jugglers, trained dogs, ponies, monkeys, mules and even hogs.

One of the best known performers will be Miss Gladys LeTourneau who will do, among other things, her double trapeze acrobatics in mid-air from a flying trapeze, catching herself by her heels on the bar as she falls, one of the most difficult of high trapeze stunts, and rarely attempted by women.

There will be Bob Henry, of the Henry Troupe, one of the greatest slack wire artists in the game. Farmer Burns, himself, will be here with the only troupe of trained Arkansas razor-back hogs in the world. These hogs do stunts, rising things on tight wires and in other ways, in answer to his commands.

The feature event of all will be what has been called the greatest juvenile acrobat and contortion act in existence, the now famous Hood Sisters, who arrive direct from Europe, this being the first time that they have performed in this country in over two years. In this group is one girl whom Ripley claims to be the only person able to sit on her own head and stand on her own back.

After each evening performance there will be a dance, the music being furnished by the well known circus band, Harry Schella's Royal Commanders.

Rex Barnett, captain of the patrol, will head the committee in charge of the many details of this event, with Carl Glasgow in charge of promotion, and Ralph Sweeney, treasurer. Funds raised through this circus will be devoted to sending the Hillah marching units to the Imperial Shrine session in Seattle in 1936 and in child welfare work, it has been announced.

Downtown ticket offices will be established in the Sparta building and all advance arrangements are being supervised by Henry Carlie, representative of the company staging the indoor circus.

LEGION ATTITUDE ON BONUS STATED AT ASHLAND MEET

A large number of Legionnaires and Auxiliary members journeyed to Ashland Friday evening to meet department officers of both organizations. A dinner at the Lillia was well attended and from there the members adjourned to the American Legion hall to hear from Department Commander W. J. Chamberlin and Department President Cecelia Gunn. Commander Chamberlin, in the main address, gave the program of the American Legion for the coming year. "Many citizens have been misled regarding the American Legion; stand on the adjusted service certificates," he said, "but the following resolution was passed at the national convention at Miami, Fla.:

"Whereas, the immediate cash payment of the adjusted service certificates will increase tremendously the purchasing power of millions of the consuming public, distributed uniformly throughout the nation; and will provide relief for the holders thereof who are in dire need and distress because of the present unfortunate economic conditions; and will lighten immeasurably the burden which cities, counties and states are now required to carry for relief; and

"Whereas, the payment of said certificates will not create any additional debt, but will discharge and retire an acknowledged contract obligation of the government; now therefore, be it

"Resolved, that since the government of the United States is now definitely committed to the policy of spending additional sums of money for the purpose of hastening recovery from the present economic crisis, the American Legion recommends the immediate cash payment as face value of the adjusted service certificates, with cancellation of interest accrued and refund of interest paid, as a most effective means to that end."

Chamberlin stressed the fact that membership is what we should have now, and urged all posts to get in all old members immediately and show the national officers that Oregon is back of them 100 per cent.

Another resolution, declared by Chamberlin to be of importance, is the following:

"Whereas, the American Legion has heretofore opposed recognition of Union of Socialist Soviet Republic for the reason it was feared such recognition would be inimical to the best interests of this country; and

"Whereas, prior to recognition of said government by the United States, promises were duly and solemnly made by the Soviet government that communist propaganda and activities

emanating from Russia, directly or indirectly, would forthwith cease; and "Whereas, such activities have not ceased but have, on the contrary, greatly increased, as evidenced by industrial unrest and civil commotion within this country, therefore, be it

LAW BOUND OVER FOR BEER TO BOY

William S. Law, middle aged miner, charged with giving intoxicating liquor to a minor, "to wit, home brew" was Saturday bound over to the grand jury following a hearing before Justice of the Peace William R. Coleman. Law was released on his own recognizance.

Testimony showed that the youth had called at Law's home and partook of the "home brew" afterward becoming ill. A moot question was whether he had drunk on invitation or on his own initiative.

Law acted as his own attorney and questioned witnesses "in a capable manner," justice court attaches said.
